DEEPWATER PLAZA SANTA PARADE

A big thank you to Ashlee Dean who drove our tractor, towing the surf club boat to the annual Deepwater Plaza Santa Parade recently. A lot of the Under 6 and Under 7 nippers came along to enjoy the fun activities organised by Deepwater Plaza. Umina has been taking part in this parade for many years and in turn for supporting this event, Deepwater Plaza have this year donated a large tent to be used at our beach.

GOODBY AND GOODLUCK

We would like to wish all the best to one of our favourite families of, Paul Farmilo, Angie Radford, Alec Radford and little Willow. Due to work commitments they are moving down the south coast but have assured us that they will be joining Moruya SLSC to keep up their lifesaving skills. The family will be very much missed as they have been a great asset to Umina SLSC but knowing Alec he will be keeping in touch with his Umina club friends.

SLSNSW Race Day

Umina SLSC hired a bus to take approx. 30 members and friends to the SLSNSW Race Day on 5th December at Randwick. From what we have heard the ladies were all glammed up and the guys were not outclassed. Not sure if anyone had made their fortune but a good time had by all. Apparently some are still waiting for their horses to cross the line!

Using sea kayaks they will endeavour to achieve this over 4 days, at a total of 53kms. Along the way they plan to stay overnight at 3 different surf clubs. Both girls have been meticulously planning this trip for the past 6 months. Factors they had to consider were things like Training, Water Safety, Food and hydration provisions whilst at sea, weather and tides as well as alternative back up plans should the weather turn nasty. Back up crews and support vehicles are being organised but they are open to offers for support from other groups.

The girl's safety has been the primary concern with Umina SLSC supplying Inflatable rubber boats, along with several senior experienced ski paddlers giving up their time. A roster has been organised for them to accompany the girls on various legs of the trip. Other clubs are encouraged to support them along the route if they so desire.

This has been a huge team effort from many of our Umina SLSC members. Both girls have given a lot of themselves to our club in the form of competition, assisting young nippers and voluntary patrol duties, so it is fitting that many of our club members come together to help them achieve their goals.

We wish for good tail winds and smooth seas.

UMINA MEN'S SHED

We would like to take this opportunity to thank our Club member Billy Ide and his band of merry men who have graciously restored two of our surf club reels. These men give up their personal time to help the peninsular community in various capacities and are appreciated by us. During the State Titles over the past 3 years they have stood beside our work parties and offered help whenever they could.

THE DUKE REPORT

On Monday 11th January, 2016 two of our young Umina SLSC members, Savannah Paterson and Mollie Murphy will undertake an adventurous journey of a life time to complete their Gold Award for Duke of Edinburgh. The two girls will paddle from the The Lakes Surf Club our most northern surf club in the Central Coast Branch to Umina Surf Club the most southern.
