**UMINA SLSC ACHIEVE GREAT RESULTS AT THE
NSW STATE CHAMPIONSHIPS 2014**

Another very successful NSW State Champs saw thousands of competitors converge on our beach this month that resulted in some fantastic results on all weekends of the competition. Once again the weather gradually improved after the Junior weekend got off to another wet and windy start then finished with a mighty storm on the last day of the Masters weekend.

All results can be found on the website - <http://uminaslsc.org.au/in-the-surf/nippers/nipper-carnival-results/>.

As a club our overall point score results were as follows;
Age Championships placed 14th in the State and 3rd in the Branch
Opens Championships placed 15th in the State and 3rd in the Branch
Masters Championships place 14th in the State and 5th in the Branch

A lot of work and effort goes into hosting this large event and many thanks go to all of our wonderful management committee and volunteers. Pending final Council approval the NSW Championships will return to Ocean Beach/Umina in 2015 with final dates yet to be determined.

As this goes to print we have a small group of competitors will head over to the **Australian Surf Life Saving Championships** in Scarborough W.A this coming week. We wish them all the very best in their events. Results will be posted on the website.

We have been advised by Sideline Sports Photography that photos of Umina nippers at the State Titles can be viewed and purchased from the following link:
<http://www.ssp.net.au/gallery/Umina/NjI2NmYzYjQ0OTgyNw==/page1/>

Nipper News

The U8 – U14 Presentation Day will be held on Sunday 4th May at the Umina Precinct Park from 2:30pm in front of the stage area in the park. Bring along your chairs and picnic rugs and help us congratulate our wonderful young nippers on a very successful season for 2013/14.

Central Coast 13-14 Development Camp

In December last year Sam Gaffney, Alec Radford and Esme Fenwick were selected to participate in the Central Coast 13-14 development camp. They completed heaps of fun activities including testing their skills on the high ropes course, working as a team to make a boat using limited objects, getting a ride on the SLSC Jet Ski and doing many team building activities. They all agreed that it was a great camp where they made heaps of friends and highly recommend others should participate next year.

SENIORS & MASTERS

Youth members of Umina SLSC hosted a group of international students from Europe, South and Central America and Asia at an annual Umina Rotary Youth Exchange on afternoon of Saturday March 22nd at Umina Beach. The aim of this annual event is to give overseas students an insight into the activities of Australian Surf Club members around the same age. With fine, warm weather and calm seas the visitors had an exemplary day to sample a part of traditional Australian culture.

17 youth were divided into small groups of four or five and participated in such activities as IRB rescues, rescue board paddling, tube rescues and beach flag competition. Each activity had a focus of fun whilst remaining instructional to some degree. After all groups had rotated through all the above mentioned they divided into two teams for beach volleyball followed by another team competition unique to Umina SLSC – “Hugo-ball” – which is vaguely similar to netball in the water with human goal posts instead of goal rings! All participants embraced all activities enthusiastically with some favouring the board activity whilst many commented they liked them all equally.

Later that evening the overseas students socialised with the Youth members from Umina SLSC at a local bowling club for a BBQ and barn dance organised by Umina Rotary.
