Important Information

Working with children Checks

We believe in the current and future protection of the children within our club. We all sadly know that the world we live in is certainly not perfect and as such we are now requesting that if you are planning on assisting with the nippers or in patrols this year you MUST have a current working with children certificate. As a volunteer, this is a free check and only inconveniences you in respect to having to attend Service NSW for your identity to be validated; but as parents I am sure we all agree it is well worth the inconvenience.

Apply online:

This policy applies to all position holders in the club, water safety, age managers and patrolling members (Basically anyone in direct contact with the children who is over the age of 18). For many members, who already have WWCC as part of work roles. If you could scan your certificate and email it to the office that would be great. We will be assisting members to apply at Registration day if needed.

If you have any question please contact Julie Fayers [0451 940 079](tel:0451940079)

Julie will be at Registration on Sunday 10th to assist with applications if needed.

Many thanks for your assistance and understanding - Umina SLSC Executive
