

Umina SLSC 52nd Annual Report

2011 - 2012
Season

Surf Life Saving Central Coast

“Club of the Year 2011- 2012”

Above Bill Cook our President and some of the Umina SLSC members who attended the Awards of Excellence for Surf Life Saving on 16th June, 2012 and proudly displaying the Ausgrid “Club of the Year” Trophy. Last season we shared this with another Surf Club but this year Umina SLSC has won it outright. Thanks to all our members for their continued support during the year which enabled us to win this prestigious Award.

We would also like to congratulate Pam Edmonds on winning the Central Coast Assessor of the Year and Maddison McLeod the Central Coast Junior Lifesaver of the Year.

UMINA SURF LIFE SAVING CLUB INC.

52nd ANNUAL GENERAL MEETING

Notice is hereby given that the 52nd Annual General Meeting of members of Umina Surf Life Saving Club Inc. will be held at Umina Surf Life Saving Club House, 509 Ocean Beach Rd, and Umina Beach on Sunday 24th June, 2012 at 2:30pm.

BUSINESS

1. To confirm the Minutes of the previous Annual General Meeting.
2. To deal with any business arising out of such Minutes.
3. To deal with any relevant correspondence.
4. To receive and adopt the Annual Report and Financial Statement.
5. To deal with any Motions of which due notice has been given.
6. To select Office Bearers of the Club for the 2012-2013 Season.
7. General Business of an Urgent Nature.

Please Note.

The Chairman has the right to vary the order of the meeting.

Only current Financial Members are entitled to vote at the Annual General Meeting and Fees are now due and payable prior to the meeting. New members are not entitled to vote at the AGM but can attend meeting. Renewal of Membership will take place from 1pm till 2pm. General members have no voting rights unless they hold a position on the Management Committee (as per Constitution (k)-(i).

Information and nomination forms can be downloaded from the Web site:
www.uminaslsc.org.au or by contacting the Secretary on 4342 6123.

Written nominations must be received by the Secretary on or before 17th June, 2011.
Nominations will only be taken from the floor if *NO* written nominations have been received.

CHRISTINE LAVERS
Honorary Secretary

PRESIDENTS REPORT

I feel honoured to have been re-elected as President of Umina SLSC and to be writing for the 2011 – 2012 Annual Report for the fourth year in a row. Our Club has had another exceptional year with outstanding work from Executive and Management committee members.

Umina is very fortunate to have a number of local businesses who continue to support our Club and I would like to give a special thanks to them and to all our sponsors. The running of a volunteer organisation such as ours is not easy and without your contributions this would make our job even harder.

I would like to thank Nick Shepherd - Club Captain and Paul Sharpe - Vice Club Captain for a tremendous season. Our Patrols have guarded our beach without a major incident for the entire season. The final number of Patrolling members for the season was in excess of 200. This bodes well for next season. We had 14 Patrol teams to cover this most important part of Surf Life Saving. Congratulations must go to those 75+ members who achieved 100% Patrol attendance for the season. Our Club also took part in the Patrol Assistance Program this year which saw a group of our young Bronze and SRC holders travel to Old Bar / Taree Surf Club to assist in Patrols for the weekend.

Our Director of Training and Education - Kevin Armstrong with assistance from Bob Powell, Andy Wing, Phil Harding, Pam and Jarryd Edmonds completed a record number of new Bronze holders as well as many ARTC and Crewpersons awards. Pam and Jarryd have also worked tirelessly putting through SRC recipients. Our team of trainers have also been responsible for ensuring our existing patrolling members are up to date with the latest requirements for patrolling our beach.

Our Club is fortunate to have a strong Rookie program with 46 Rookies this season. A special thank you to Michelle Krucler for ensuring our Rookies met all their obligations. Since the induction of the Rookie of the Month program, 3 of our Rookies have been fortunate enough to win.

On the competition front the Club got off to a flying start with winning the Branch Pool Challenge. The first carnival for the season at Forster saw the Club come away with an overall win. Throughout the season Umina colours were to be seen at all local, Branch, State and National carnivals, worn by our Nippers, Seniors and Masters with outstanding results at all events. This season we encouraged the more traditional lifesaving events with Paul Sharpe and Kerry Armstrong-Smith taking on the extra training. We had competitors represent the Club at Branch, State and Australian championships coming away with exceptional results at all three.

The Club competition results have been outstanding again this year thanks to the dedicated coaching team within our Club for all members. The camaraderie within our whole Club continues and is evidenced by the increase in members across the board. Special thanks must go to our dedicated Officials and Water Safety Teams as without these members our competitive members could not compete.

We have just held our Junior and Senior Presentations and it was good to see such large numbers at both, with members having fun and the chance to celebrate achievements with their peers. The Senior Presentation night was made extra special for my wife and I being awarded Life Membership to Umina Surf Club.

The Club finishes the year with the excitement of what next season brings, we have a Surf Club deck extension in progress thanks to a Federal Government grant and the announcement that Umina and Ocean Beach Surf Clubs, with full support and assistance from Gosford City Council, will be jointly holding the State Surf Life Saving Titles for the next two years.

We would like to acknowledge support from Central Coast Branch led by Chad Griffith and Stuart Harvey and Gosford City Council, in particular Phil Moore and Craig Healy, for their assistance throughout the season.

On closing I would like to thank all members of Umina SLSC for their assistance and co-operation throughout the season. Special thanks to my wife and her understanding and to the Executive and Management Team for their support. To all our members who volunteer their time throughout the season; I hope you have an enjoyable winter break in readiness for the next season.

Bill Cook
President

Vice President Report

This year was a very busy one for me as Vice, due to the absence of our President and Treasurer, Bill and Wendy Cook, on a well-earned holiday. This meant that there were only three executive members left on the Coast to deal with the day to day running of the Surf Club.

I know I have said this before, but I'll say it again, you don't realise how much work some jobs take until you do them. This I soon realised as I stepped up to and gladly took on most of the Presidents jobs as they came along. These included:

- Chairing the Annual General Meeting and the monthly Management meetings.
- Helping to make the Junior and Senior presentation run smoothly.
- Going to various meeting's at the Branch office.
- Representing our Club at Sponsorship cheque Presentations.
- Proudly representing our Club at the Branch and NSW Awards of Excellence nights to name a few.

I enjoyed representing the Club for the period whilst the President was away. It would have not been possible to achieve everything that I did without the assistance of the Club Secretary Christine Lavers and I would like to thank her for her dedication to the Club and its members.

As a business owner I realise how valuable time is and how important it is to keep moving forward with ideas from everybody involved in the organisation. As a former member of this Executive and currently a member of the Management Committee I felt that I was going around in circles sometimes. This was one of the main reasons that I resigned as Vice President of Umina SLSC on the 18/10/11. As any business person there today should know it is very important to keep moving forward to remain successful. This I feel is where, as a Surf Club, we have to trust members that have committed their time and effort to the position into which they have been elected, and leave them to add their individual touch and work together with other elected officials to continue our growth and success.

I look forward to representing Umina Surf Lifesaving Club again in the future and remain a committed and loyal member of this wonderful Club.

Rick Boylan, Vice President, resigned 18/10/11

Director of Lifesaving

“ Oh What A Season”

The 2011-12 season is now a chapter in our Club’s history and one of which as “Club of the Year” our patrol standards reached new levels of excellence and our active patrol members reached record numbers. All patrol members: Rookies, Cadets and Bronze holders should be justifiably proud of the season just finished and of their individual and collective contributions.

Congratulations to all on a job extremely well done which is the result of unfailing commitment and dedication to our lifesaving duties. This ensured the safest possible environment for all visitors at all times to our beach.

The 2011-12 season stretched from the 3rd week of September to the last week of April and was made up of 146 patrols spread over 70 days and the wettest Surf season in recent times. Based on the feedback of patrol members via the 2010-11 end of the season survey, we reduced the number of patrols from 15 to 14 increasing numbers on each patrol to an average of 18 members inclusive of 15 Bronze. The increased numbers on patrols has worked well, resulting in an increasing number of patrols taking the opportunity to maintain and improve their Surf life saving skills without compromising our core function, the safety of general public. It has also allowed our Rookies to spend more quality time with their Buddies providing the optimum learning environment for our future lifesavers.

The popularity of our beach continues to rise with locals and visitors and from further afield. In spite of the overall poor weather the number of visitors during the season increased by 100,00 to 286,000.

Our training department has helped us as a Club be prepared to meet the increasing popularity of our beach, their expertise trained in excess of 50 new Bronze members during the season all of whom have taken to their patrols with commitment and dedication of seasoned veterans. Of significance was that 50% of our new Bronze holders came from our cadet ranks which is a tribute to the great work being done in the youth development area by people like Carl, Mick and Rick. The future of our Club is our youth, 62 of our 210 Bronze members are in the 15-21age bracket and we are reliant on their enthusiasm and zest for change and improvement to lead the next stage of our Club’s development.

During the 2011-12 season we had 258 patrolling members made up of 210 bronze holders, 3 cadets and 45 rookies across 14 patrols. All significantly contributed to our beach’s safety and to the statistics that were diligently recorded in both our logbooks and on Surf Guard which were.

- 7,137 patrolled Hours
- 286,015 visitors to our beach
- 8,440 Preventative Actions
- 138 Rescues
- 128 First Aids
- 9 Lost Children
- 2 Shark Alarms
- 3 Beach closures

Whilst there were some interesting moments at our beach that tested the skills and expertise of our patrolling members we had no major disasters and critically no loss of life. This is the result of the proactive commitment by all Patrol Captains and all patrol members to constantly improve their skills and to practice rescue and training scenarios as an integral part of their rostered patrols.

The commitment to personal improvement is also reflected in the very high numbers of Umina patrol members who attend formal Surf training courses to keep up with the ever changing world of Surf Life Saving and the demands by SLA for members to be abreast and skilled in all required proficiencies. Our Club has perhaps the most highly qualified Lifesavers on the Central Coast leading almost all of the awards categories. The quality of our training department and their dedication to training is something that we do not take for granted and we sincerely thank Kevin and the team for their wonderful contribution to our members and the Life Saving movement.

At times the juggle to fit family, professional and Surf commitments into members' schedules stretches us all to our limit and it is something that we should be aware of, keeping a balance in our lives so that we may perform at our best in each vital area. For the next 2 seasons our beach will host the State Surf Life Saving Championships which will further stretch the commitments of our Lifesavers, I have no doubt that with good planning, preparation and communication we will all be able to meet these extra challenges and provide memorable championships for all who visit our beach.

In every organisation there are always a few people behind the scenes that go the extra mile to make sure things happen. Our Club is indeed fortunate to have many of these wonderful people and is appropriate that they achieve the public kudos they deserve.

Our patrols would not have been as successful without the behind the scenes work of Andy Wing, Julia Rooke and Larissa Dixon. They provide the essential backup that keeps everything working in an efficient and professional manner.

Paul Sharpe and Kerry Armstrong-Smith have continued to maintain the focus on the traditional lifesaving events that has given many of our younger members an avenue of competition in Surf Life Saving that they may not have thought possible. These outstanding Champion Life Savers and First Aiders have also taken on leadership roles on their patrols passing on their skills for the benefit of all.

John Sharpe for his ongoing guidance, experience and knowledge that has helped make the carnivals held at our beach a tremendous success for all who took part and attended.

Peter Saxby and Danny Cunningham for their commitment and dedication to Water Safety supported by many of our patrol members. Danny, for organising the support weekend at Old Bar SLSC, it was a wonderful opportunity for our young lifesavers to make a difference at another beach. We look forward to future opportunities for such trips in the seasons ahead.

Mick and Carl for their work with the youth of our patrols, your efforts have been instrumental in maintaining the enthusiasm, commitment and focus of our wonderful young lifesavers and the tremendous growth in this critical section of our Club.

Alec and Aiden Arnold for the heroics that they performed for a train passenger on the way to patrol. The swift and professional manner in which they acted learnt as part of their life saving training undoubtedly saved the passenger's life, you are credit to yourselves, your parents and our Club.

Wills, Brock and Lachlan for the out of hours rescue, your assistance and expertise was the best Christmas present for a swimmer in difficulty at our beach.

Our CCSLA Rookies of the Month: Mollie, William and Lachlan.

Congratulations to all the members of Patrol 9 on winning Patrol of the Year. Mick and the team have set a very high standard over many years and were worthy winners of what was a very close competition.

Congratulations to all 77 of our 100% patrol attendance holders for managing to complete all of their rostered hours, which is no mean feat in lieu of the business of today's lifestyles. 24 of this group also managed to provide more than 60 patrol hours with 8 providing in excess of 100 hours of patrols.

Finally, congratulations to Richard Knight, our 2011-12 Patrol Person of the Year. Richard epitomises everything that Surf lifesaving is about, prepared to go the extra mile to help others without any thought of recognition or personal self-interest. We hope Richard that you are around to lead your patrol and contribute to the Club for many years to come.

The above is a brief overview of the achievements of our life saving activities over the past season, congratulations again to one and all. We hope our collective efforts will be enough to retain our Club of the year status. We look forward to seeing you all again in September when we get to do it all over again.

Treasurers Report

I would like to take this opportunity to say how much I enjoy being involved in Umina Surf Club and watching the Club grow. There have been many achievements our Club and its members have gained throughout the season, for example winning Central Coast Branch Club of the Year and then winning Central Coast Sports Federation Association of the Year. Bill and I were then nominated for Life Members of Umina Surf Club and felt very privileged and humble to have been awarded this honour.

The Club's Federal Government Community Infrastructure Grants Program of \$200,000.00 has seen the start of our Surf Club Deck extension and by the start of the new season 2012 – 2013 it should be complete.

As our Club continues to grow, so does the financial commitment towards the betterment of our members and their Club. The Club this year implemented a number of financial assistance programs for competitive members which we hope will help lessen the financial burden on families.

Once again our Patrolling members continue to benefit from our Kiosk owners (Sea Lion Café) who provide lunch for all Patrols throughout the season. This sponsorship equals approximately \$10,000.00.

The Club would like to once again thank our sponsors and supporters for their continued support this year, without their ongoing sponsorship the running of our Surf Club and the purchase of new equipment for our members would not be possible.

Our major sponsors for this year were Club Umina, Merrylands RSL, Ettalong Beach War Memorial Club, Lance Clarke Amcal Chemist, David and Christine Bishop, Homebrook Enterprises, Woy Woy Rotary, Gosford City Council and Surf Life Saving New South Wales. We would also like to thank the many loyal local businesses and individuals that have also supported us throughout the year. (Refer full list below)

With the support from our sponsors this year the Club has continued to subsidise memberships and further advance training of existing and new members. The Club has also updated lifesaving equipment and competition equipment including IRB motors, rescue boards, Nipper boards, competition mals and skis and drink bottles for all full members.

Our Function Centre bookings have been steady throughout the year and with the Kiosk they continue to provide a steady income towards the increasing running costs of the Surf Club.

Umina Surf Life Saving Club Inc. financials for the year are being audited by registered auditors Cassin Services Pty Ltd.

Director of Administration

I would like to thank all the members of the Surf Club for their continued support throughout the season. I enjoyed meeting and talking to all the Nippers and their families some familiar faces and lots of new ones. Many members and people outside the Surf Club think that once the patrol flags are down then our work has ended, this is far from the fact as there is a lot of administrative work to be done during the winter months. The Committees are preparing for various Presentations, monthly meetings and getting ready for the start of the next season.

Credit must go to Wendy Cook whose skills with financing have enabled us to offer financial support and sponsorships to many of our aspiring competitors. The time and dedication that goes into training and developing these young athletes has shown in our results during the season. We had great results particularly in our Life Saving Competition across all age groups and I congratulate them and their trainers.

Umina SLSC stands in good stead for the future because of the work of many members who dedicate their time generously behind the scenes and do not expect public acknowledgment

Our membership again has increased and this means the workload has to, but Umina SLSC has a very dedicated and experienced team of members in control and that is why we had been acknowledged by the Branch and also the Central Coast Community as one of the Best Clubs on the Coast.

Thanks to my fellow Executive and Management team for their help with the day to day business of the Surf Club. I would like to thank Julia Rooke for her help in the office whilst she was there part of the season and now to Larissa Dixon who has replaced her and is doing a terrific job.

Other Pat's on the Backs go to and in no particular order:

The Uniforms Ladies

The Many Parents who helped at Sips and on the Bar

The Team Managers and their Secretaries

The Water Safety Teams at Training, Carnivals and Sunday Mornings

The Training and Education Team

The Patrolling Members

The Officials

The Gardeners – who keep our plants alive?

“Slatto” Our longest serving sweeper!

Our Club Photographer – Jeff Pratt

And all others who helped along the way – Too many to individually mention !

Yours in Surf Life Saving

Christine Lavers

CHIEF TRAINING OFFICER REPORT

From a training perspective the 2011/2012 season was extremely successful with significant numbers of Club members gaining new qualifications or requalifying in existing awards. This season saw a continued rise in members undertaking Bronze Medallion training. It is very pleasing to see an increasing number of parents becoming patrolling members and the younger SRC members upgrading to the Bronze award.

The delivery of the Radio Operators and Advanced Resuscitation Techniques Certificates in conjunction with the Bronze course has seen the number of members gaining these awards continue to increase. The numbers of new SRC increased this year as did the numbers of members gaining the IRB Crew award.

An important focus this year was to increase the pool of Patrol Captains and we had 15 members achieve the Basic Beach Management award this season.

I would like to acknowledge the great attitude and commitment made by members undertaking training, especially the Bronze groups. A positive and cooperative attitude makes for a successful and enjoyable learning experience. Both the adults and SCR upgrades in the two Bronze groups were great. All worked hard in their theory and practical training and the Club can be confident that these new Bronze holders will be able to undertake their duties as capable patrolling members.

There are a number of people within the Club that need to be thanked for their ongoing support that make the training of members possible. Thanks to the Club executive, especially Christine Lavers and Larissa Dixon for the coordination of courses, ordering gear and administration of courses. I would like to thank Nick Shepherd for his support as Director of Life Saving and the Water Safety crew for their assistance during training on the beach every Sunday morning.

The successful training of new and existing members requires a motivated and committed training team. I would like to thank our Training and Assessment team for their effort this season. Jarryd and Pam Edmonds did a great job training the SRC groups. Bob Powell, Jarryd and Pam trained the Bronze groups. Andy Wing, Bob and Peter Saxby trained the IRB drivers and crew groups. We have been lucky to have Sally Stuart, Catherine Gully and Peter Saxby join our training team as probationary trainers/Assessors and they have been mentored by Bob Powell. Our Assessors this year were Bob Powell, Jarryd and Pam Edmonds and Andy Wing. A special thanks to Bob for the advice and support he has provided me in undertaking the CTO role this season.

All members would be aware that Alan Roberts has moved to the mountains and has left the Club as an active member. I would like to recognise the contribution made by Al to both the Training and Assessing team and as a patrol member. Al is a great bloke and Bob and I were lucky enough to work closely with him in training over the last 10 years or so. Al has a strong sense of community and his efforts as a volunteer member of Surf Life Saving and the Umina Club have been significant. From myself, Bob and all the members that you have trained over the years, Thanks!

I would also like to congratulate Pam Edmonds who won the "Central Coast Assessor of the Year", Pam has dedicated a lot of her time to helping not only Umina SLSC but other Surf Clubs here on the Central Coast.

All the best for next year

Kevin Armstrong

Masters Report

Another great season for the Master's department and another great season as co-ordinator for a great bunch of people.

Our first hit out was Forster and Umina way represented very well in some testing conditions and we came up with a win again. Then it was the State Endurance Championships at Ocean Beach Surf Club. We had fourteen Masters sign up for this and it was great to see so early in the season. We came away with 7 state medals, full results on page 48. Our next hit out was Killcare where because of a very dangerous shore dump the water events were limited. Even the most competent competitor's from the coast were pushed to their limits.

Deb and Pete Braddish went to the Freshwater carnival and represented the Club very well. Some great results for both especially Deb giving the Aussie champ a run for her money and I knew this was going to be a special season for her.

The training side of the Masters section had some excellent training sessions put on by the coaches. I would like to say a big thank you to Mick Magurren from all the Masters for his dedication this season with coaching.

Branch was next, up the Beach at Ocean Beach Surf Club. I worked hard on my recruitment this year and had all the Masters asking other potential competitors to have ago. We had thirty six compete this year and some great results where had by all. This year I had that many teams on the day I had to take a whiteboard to the beach just so everyone knew what they were competing in. This was by far the best Branch titles since I've been Masters Coordinator and looking closer and closer to taking out the title like the old days. Umina finished 3rd overall, beating Terrigal and finishing only 38 point behind first place getters Avoca Beach.

The State titles were next at Kingscliff and what a great time we had by all. This is where the old saying work hard play hard defiantly payed off. Again we had some great personal best achieved in both the Female and Male departments. Umina finished sixth overall and I think that is our best ever result at State, also finishing best of all the Surf Clubs on the Central Coast

Our final carnival for this season was Aussies and we had some great numbers again this year. We also had Bill Cook and Deb Braddish win their first Aussie medal.

Above some of the State Team

Some highlights for me this season were:

Kerry Armstrong-Smith and Christine Bishop winning gold in the Champion Lifesaver at Branch, State and Aussie's, I don't think that this has ever been done before.

Deb Braddish winning her first Aussie medal.

Also handling for Bill Cook in the individual Ironman and seeing him get his first Australian medal for which I know he has been working on for years.

Congrats to Jenni Darwin who was selected to win the Encouragement Award this season, Jenni will be on her way to a State Medal next Season for sure.

Thanks again to Cath Braddish, Mandy Boylan, Christine Lavers, John Sharpe, and Brian Lougher for officiating. Also to Phil and Jan Harding for putting in our entries at numerous times.

Last but not least, Christine Bishop for stepping up and becoming the Masters Secretary.

Rick Boylan, Master Co-ordinator

Senior Report - Under 15 to Open's

More growth has occurred this year in the numbers and involvement of our Seniors.

We started with a very large contingent competing at State Pool Rescue Championships with outstanding performances placing the Club 4th overall with 27 medal-winning results. Standouts being Teigan Miller 10 medals and Indigo Verhoeven 9 medals.

Next was National Pool Rescue Championships in Canberra where Umina fielded a team for the first time. Many results were impressive and again Teigan and Indigo were top achievers with 5 top 6 results each, especially noteworthy was that Indigo and Lara Reineker were competing against athletes up to 3 years older. Umina placed 18th overall

Interbranch Selection carnival saw a large number of the black, blue and white caps all over the arena with numerous top 6 placings by all of the 9 competitors.

We had a truly wonderful result by our select team of 6, being Mick Magurren, James Johnson, Claire Gaffney, Indigo Verhoeven, Teigan Miller and Helen Krucler at the Central Coast Pool Challenge, placing our Club 1st in the Branch, for the first time ever.

State Endurance Championships again saw Umina field their largest team ever. Noteworthy there was Hayley Braddish placing 3rd in the 5km Beach Run – her first ever individual State Medal.

We had members compete at the East Coast Surf Festival over 3 rounds as well as Terrigal Twilight and the big Manly Carnival.

There was a huge representation at Open Branch Championships with resultant 30 medal-winning performances and further numerous top 6 placings with the effect of cementing the Club as clear 3rd place in Branch behind long term powerhouses Terrigal and Avoca.

At State a reduced number of competitors travelled north compared to last year but nevertheless came away with multiple medals, particularly in the Lifesaving competitions where we actually fielded more competitors and teams than ever before. Medallists were:

Jack Waining: 3rd Champion Lifesaver, Teigan Miller: 3rd Champion Lifesaver, Jemma Smith: 3rd 2km Beach Run (another case of a great result competing against athletes up to 3 years older than herself), U19 First Aid Competition : 3rd, Open Patrol competition: 3rd, U17 Patrol Competition: 1st.

During the season Seniors assisted with the Vision Australia attendees at the Surf Camp, the 26 foreign exchange students at the Rotary Exchange Program Surf Ed. Day, and patrol assistance to Old Bar SLSC with a road trip as well as regular activities within our Club. Several seniors: Jess Thomas, Teigan Miller, Helen Krucler and Maddie Philpot were selected by Branch for the Central Coast 15-17 Youth Leadership program, a great outcome since Clubs were only guaranteed to have 2 attendees but our nominations were considered of sufficient quality to warrant 4 acceptances. The Club also had a member, Helen Krucler, selected for the State Youth Opportunity Makers Workshop.

Besides the usual appreciation for the assistance the Senior members get from the Club members as a whole, on behalf of all the seniors we would like to thank the extra support from Club coaches: Mick Magurren, Kerry Armstrong-Smith and Paul Sharpe as well as Danny Cunningham and the Club Exec.

Congrats to James Johnson for receiving the Encouragement Award and to Teigan Miller for being presented as the Senior Competitor of the Season.

Carl Krucler & Mick Magurren.

JUNIOR ACTIVITIES CO ORDINATOR

Season 2011/2012 was another jammed packed season for Umina Nippers. Our numbers continue to increase each year and we now have one of the largest numbers of Nippers on the Coast. Our continued success is due to the wonderful volunteers who put so many hours in each season to ensure that Nippers run as smoothly as it does. I would like to take this opportunity to recognise the efforts of all our helpers.

Firstly I would like to thank the Age Managers and Age Secretaries. These guys don't only front up to Nippers each Sunday. They also help out with training during the week, attend pre season and post season meetings, organise kids to attend out of branch carnivals and also spend time educating the Nippers through the Surf education programs. All these people give up huge amount of time for your kids and I personally can't thank them enough.

Our Water Safety volunteers are second to none. Through the guidance of Paul Sharpe and Danny Cunningham they have all put in a huge amount of time looking after the safety of all the Nippers. Further more to this they provide encouragement to all the kids especially during those first few attempts to get around the cans. I know all the Nippers appreciate your help throughout the season. Also big thanks to Andy Wing and Pete Saxby for setting the Cans and driving the IRBs each Sunday morning. Top job boys.

The coaches who help out with additional training through the year deserve a special mention. Brett Whyte on the beach, John Sharpe coaching March Past, Paul Sharpe First Aid, Kerry Armstrong Smith with Iron person, Board and R & R, Bill and Wendy Cook with Swim, Board and Ironman, Peter Braddish , Rick Boylan , Steve Murphy, Christine Bishop, Dave Gaffney, Debbie Braddish and Donna Waining all helping with Board training. Your hard work is displayed in our fantastic results throughout the year. They would not be achieved without the commitment you guys put in each week.

To our officials who helped out at the carnivals this season. As you all know without you guys we cannot compete. Thanks again for all your effort and I am sure we will have some more people to help out next season.

Thanks to all the effort Nicole Mcleod and Lisa Marsh put into both uniform and SIPS. Well done ladies.

Our registrars Larissa Dixon and Christine Lavers & Jan Harding who do an absolute mountain of work behind the scenes. Without you we wouldn't have Nippers each week. Thank you so much for your support.

Our two Junior Club Captains Will Bishop and Claire Gaffney where both great representatives for all the Nippers. Claire and Will performed a number of duties throughout the year and proved to be great ambassadors for our Club. I wish them both the very best in their move into the senior ranks.

I would also like to thank the Executive of the Club. You all put in enormous time and effort into the Club and its strong position is due to your dedication. Thank you for your support with Nippers

I think the best way to sum up how much effort everyone puts into Nippers was the unbelievable turn out to help set up and run the Branch Carnival held at Umina. Having over 30 people at the beach at 5am to help set up the beach was fantastic.

I would like to pay special mention to two members of the Club who have put countless number of hours into Nippers and training this year. Both Richard Braddish and Peter Talty help with water safety with the kids at both Nippers and Training through the week. Your efforts are greatly appreciated by all.

A big thank you to all the parents and grandparents who bring the kids to Nippers each week. I know it is hard to sacrifice your Sunday Morning sleep in but I hope you see what the kids gain from doing Nippers and hope you get something out of it as well.

Finally thanks to all the Nippers. Your behaviour throughout the season was fantastic. You are all the future of Umina SLSC and we hope you will be long serving members for years to come.

I am sure the Age Managers will mention the excellent results achieved by all the Nippers over the year. We finished no lower than 4th at all the local carnivals this year, Finishing 3rd overall at Branch held at Umina. Our Nippers also excelled in the Pool earlier in the season as well as at various Iron person events. Special mention to our Nippers who achieved higher honours being Rachel Wood Keisha Bovril, Claire Gaffney and Harry Braddish who all represented Central Coast in the Interbranch Team and Rachel who also made the Surf Life Saving NSW High Performance Squad. Congratulations also to Maddison McLeod who was named Central Coast Junior Lifesaver of the Year. Congratulations to the Branch and State medallists, the Club is proud of you all.

I have had another enjoyable year as JAC for Umina SLSC. For the reasons listed above my job is made very easy. I hope the kids get as much out of each Nippers experience as I do. We have two big years coming up with the State Tittles being held at Umina but I am sure that it will be a great success. I hope to see all the Nippers back next year for an even bigger and better season.

See you on the beach

Robert McLeod

JAC – Umina SLSC

Under 14

As JAC of Umina SLSC, I would like to personally thank all our Under 14's for the 2011/2012 season. The Under 14s for this season not only competed strongly at all the carnivals they attended they also gave up a lot of their personal time to help out with such events as the Rotary Student Exchange, Surf Camp and Selling Raffle tickets at the Caravan Park . Further to this they all put in a huge amount of hours patrolling Umina Beach.

Also this year we had a large number of our Under 14's give up a weekend to help out Taree Old Bar Surf Club by patrolling their beach in March this year. Taree Old Bar are struggling for members and put out an SOS to all Surf Clubs for help.

A big thank you to Donna Waining who has been Age Manager of this group for almost their whole Nipper experience. Donna's dedication to the role was outstanding and we wish her all the best for her Sunday morning sleep ins.

Our Club Captains for the season Claire and Will did a fantastic job. They were always willing to help and contribute to the Club. They did a fantastic job representing the Club at our Sponsors Night doing a speech about how Nippers operate which was very well received by all our sponsors. Also congratulations to Claire for once again being selected for the Central Coast Interbranch team. A fantastic achievement.

Congratulations also go to Maddison McLeod for being named the Central Coast Junior Lifesaver of the Year. Maddison represented our Branch and Club at a leadership camp and from this camp is now on the NSW Surf Lifesaving Junior Committee. Well done to Maddison on this outstanding achievement.

Our Under 14's have grown and matured into young adults and I have been extremely proud in the way they have represented our Club over not only the past season but all their seasons with Umina SLSC. I look forward to seeing them compete in the opens next year and continue their involvement in our Surf Club.

Robert McLeod - JAC

Under 14

Under 13

This season was the first taste that our Under 13 members had of doing patrols through the Rookie program. The season started with the Branch Raising of the Flag ceremony. There were patrols to attend, the Branch rookie disco, Rookie Challenge, Club fundraisers to help at, and many other activities they could get involved with. I was very pleased to see all of them in their uniforms patrolling the beach, performing this wonderful community service. What great skills they are learning: how to do first aid, perform rescues, read the Surf, learn to use the rescue and lifesaving equipment, meet many different people, to complete tasks the patrol captain asks, to cooperate as part of a team, and I think most importantly, give up their time voluntarily to help other members of the community.

Our Sunday nipper days were well attended even with the poor weather conditions we experienced for the most of this summer. It was great to get to have a couple of goes on the WAC throughout the season and the Surf Camp was once again heaps of fun.

It was wonderful to see the improvements that many of our Under 13's made throughout the season. This was the first season for Sarina, Alex, Miranda, Caulie and Matthew and it was great to see them get involved in each of the activities. Samantha also had her first season and it was great to see her amazing progress at nippers each week and have her first competition experience at State. Good to see Sam and James both attend their first Surf camp. It is also great to see some of our more experienced nipper members still enjoying some new experiences and it was awesome to see how well they interacted with the younger U6 nippers on the last day, with the likes of Alec and Annabelle who aren't the most enthusiastic when it comes to board paddling themselves, but they were fantastic helping our little Under 6's having their first go on a foamie. Angus is gaining more and more confidence each season in the big Surf and to see him compete at the Copa, Manly and State carnivals, showed just how far he has progressed. Great to have Hannah, Bryn and Lachlan back again after a few years away. Lachlan really improved this season on the board and he did really well in the board events at the Branch Titles. An unfortunate flags accident at our third Pointscore day saw Kieran with a broken arm for most of the season, but it was great to see him still attend and support his friends each week.

We had some competitors who attended a variety of different carnivals and competitions throughout the season. There were local carnivals, Newcastle Permanent Iron person events, Kracka, Gardiner and Bennett Iron person races, Manly and Forster Carnivals, as well as the Branch and State titles. It was very pleasing to see them always give their best efforts, display excellent sportsmanship and represent the Club in a very proud manner.

We had some extraordinary results this season with many medals won at various local and other carnivals. Rachel was selected for the NSW Talented Athletes camp, Rachel and Kiesha were both selected in the Central Coast Interbranch Team and Kiesha was the overall winner of the Newcastle Permanent Ironman series. Kiesha, Rachel, Jemma and Mollie won a Silver medal at State in the Surf Team. There were also many other finals made by the girls which was an outstanding effort and just reward for the effort they put in at training each week. At the Branch Titles Umina U13's cleaned up, winning all of the girls water team events as well as placing first and second in all of the individual races.

This season also saw 6 of our age group attain their SRC which meant they could also compete in the Senior carnivals as U15's. We had participants and medal winners in many of the Senior Branch Carnival events as well as the Branch First Aid and Branch Champion Lifesaver. This year Kieran, Rachel, Mollie and Jemma also competed in the State Pool Rescue Championships where they all competed up age levels and all won State SLS Pool medals. At the State Open Titles at Kingscliff Jarrod, Mollie, Jemma and Rachel also competed in various Under 15 events and did really well, with highlights being Jemma placing 3rd in the U15 2 km Beach

Run and Rachel 4th in the U15 Surf Race. Jemma then went to the Australian Titles and came 6th in the 2km Beach Run.

I would like to thank the many people that made a lot of those experiences possible: Rob McLeod for his wonderful work as our JAC, Karen Murphy who is our Age Secretary, the Club committee who give such great support to our Nippers, those Club members who put their hand up to officiate for us at carnivals, all of those who helped with Surf camp, board training, ironman training, first aid training, R&R training, Champion Lifesaver training, beach training and March Past training, the water safety who do a magnificent job, and also to all of the parents for supporting their children and getting them to Nippers, various events, carnivals, training and patrols on time each week. A **huge thank you** to you all.

Congratulations to all on an enjoyable and successful season.

Kerry Armstrong-Smith

Under 12

Coming in as the new age manager this season, I would like to give a huge thanks to all the Nippers who made every Nippers session a great day. Their enthusiasm to learn and improve their skills while having fun never slowed throughout the season.

There was the usual challenge faced by each age group with children that are new and needed to learn the basic skills to those who compete at carnivals and wanted to improve on their previous results. This requires a lot of help and I am grateful to the parents that helped out each week. Special thanks to “Jo Parsons” my age secretary for keeping all the paperwork on track. I would also like to thank everyone that keeps things running smoothly every week, water safety, the officials, Rob McLeod and all the trainers mid week that give up their time every week to help us out. Without them Umina Nippers would not have the strength that we do.

At every carnival we had boys and girls competing, with the usual clashes of beach and water events. They are all to be commended on their results but especially on their maturity when doing team events and having to decide on water or beach. They learnt to compromise to enable everyone to be able to participate in the team events and make the decisions amongst themselves as to what events to do. This shows a far greater skill they have learnt and a sense of ‘Umina’ team spirit that is not just about winning medals. Mimi, Jasmine, Sydney, Harry & Shannon had great results throughout the season carnivals. The boys sprint team medalled at every carnival. We had a small number head up to State this year, Harrison, Harry, James, Jasmine, Mimi & Sydney.

A great effort was put in by all. To Mimi and Jasmine making the final in the Iron woman race, was an awesome effort in challenging conditions. Well done everyone.

At the start of the season we had children unable to confidently get around the course in the swim or board. The improvement in these children has been outstanding and they are to be congratulated for their ability to overcome their fears and feel proud of themselves and the way they can confidently now do the course. I’m sure there are some who thought they would never be able to do the Ironman.

To the place winners they are to be congratulated for the hard work they put in each week in wanting to continuously improve and push themselves to a higher level.

Hope to see you all next season.

Dave Bishop

Under 11

Another season has come to an end and it was a season that saw some changes with Greg having to stand down as Age Manager due to work commitments. The under 11's had the chance to further develop their Surf skills and really start their journey towards being lifesavers. This year they competed and trained on fibre glass boards, continued with the Surf education modules, slept over at Surf Camp and at carnivals were able to participate in iron person and board rescue events. Board rescue training was by far the most popular activity undertaken by the kids with plenty of overtime put in. A number of our kids were first timers at nippers and some took longer to be comfortable in the Surf environment than others but they all gave it a go and Greg and I couldn't ask for any more than that.

At carnivals we had a small but solid crew of kids competing several for the first time and when they went in an event they gave 100% every time. The girls made some finals in the board races and got points at several carnivals in board relay and came a very close 4th in the beach relay at Ocean Beach. We had three girls compete at state in tough conditions but they all had fun and had a go at something. Having said that if eating junk and sitting around on camping chairs was an event we had the 1st three place getters.

The boys performed well at carnivals picking up bronze in Surf teams and several sprint relay bronze as well. Special mention to Bradman Best who this year won gold in the beach sprint at every local carnival and also branch, he also got several medals in flags. Our boy's state team was also small but the experience gained can only help them in the future. Hopefully with Umina hosting state next year we will see a lot more kids giving it a go.

I have to start my thanks with a big man hug to Greg who help me heaps and gave me advice when required. We were all glad to see him come back towards the end of season. Of course I need to thank Rob for all the help and work he puts in. He makes the age manager job a lot easier. He must be on good money to do all the work that he does. Thanks also to Danny and the water safety crew for their patience and effort spending hours in the water helping the kids get around. A big thanks to the parents for bringing the kids down early on Sundays and helping at point score.

A huge thank-you to the coaches, officials and sponsors all of whom give up their time so our kids can participate and have fun. A final thank-you to Maddie and Sava for helping on Sundays and at carnivals.

To the under 11's Greg and I would like to say thanks for making the year fun and hope to see you all back next season (with some friends). Till then stay safe and keep training.

Cheers

Steve Murphy & Greg Marsh

Under 10

What a fantastic year it has been for this age group! At the beginning of the season we had a few children struggling to complete the swim but by the end of the year we had all children that turned up for nippers confidently completing the swim.

One of the highlights of the year was the 'Surf Camp'. We had many from our age group take up the amazing opportunity that Umina Surf Club offers. Many of the children reported that their favourite things were the obstacle course, the board relay and just spending the day with a committed bunch of volunteers helping develop their skills.

The opportunity to further train and develop Surf lifesaving skills during swim training, board training and sprint training was an integral part of the success this age group achieved throughout the year. Success is not only measured in the amount of medals this age group won, but also the confidence and skills that were developed throughout the season by ALL of the U10's. Thank you to all the trainers throughout the year.

We had many nippers that competed at carnivals successfully and following is a summary of carnival results for any top 6 finishes –

Terrigal carnival - Lachlan B – 1st in swim, 4th in board, Lachlan Mc 5th in swim, Swim team (Lachlan Mc, Charlie, Kai & Lachlan B) – 2nd. Kirsten – 1st in swim, 6th in flags, Leilani – 6th in Board. Swim team (Grace, Leilani, Aspen & Kirsten) – 2nd, (Tiani, Lola, Lily & Amy) 4th, Board relay (Leilani, Aspen & Kirsten) – 3rd.

Copa carnival - Lachlan B – 1st in swim, 5th in board, Lachlan Mc 4th in swim, Swim team (Lachlan Mc, Charlie, Kai & Lachlan B) – 2nd, Board relay (Lachlan Mc, Charlie & Lachlan B) – 4th. Kirsten – 2nd in swim, 3rd in Board. Swim teams (Grace, Leilani, Aspen & Kirsten) – 2nd (Lola, Lily, Amy & Piper (9s)) – 6th, Board relay (Leilani, Aspen & Kirsten) – 4th.

Toowoomba Bay - Lachlan B – 1st in swim, 4th in board, Lachlan Mc 6th in swim, Swim team (Lachlan Mc, Charlie, Kai & Lachlan B) – 2nd, board relay (Lachlan Mc, Charlie & Lachlan B) – 5th. Kirsten – 1st in swim, 1st in Board, Swim team (Grace, Leilani, Lily & Kirsten) – 2nd, Board relay (Leilani, Grace & Kirsten) – 4th.

Branch - Lachlan B – 1st in swim, 3rd in board, Lachlan Mc 5th in swim, Swim team (Lachlan Mc, Charlie, Kai & Lachlan B) – 2nd, board relay (Lachlan Mc, Charlie & Lachlan B) – 4th. Kirsten – 1st in swim, 1st in Board, 1st in flags, Leilani 5th in swim, Swim team (Grace, Leilani, Aspen & Kirsten) – 2nd, (Lola, Lily, Sophie & Tiani) – 6th, Board relay (Leilani, Aspen & Kirsten) – 3rd.

State – Lachlan B – 1st in swim, Swim team (Lachlan Mc, Charlie, Kai & Lachlan B) – 3rd, Board relay (Leilani, Aspen & Kirsten) – 6th.

All age board representative - Lachlan B.

All age sprint relay representatives – Leilani and Wylie.

Others – Forster, Lachlan B 1st in endurance ironman & 1st in carnival. Kracka, Lachlan B 2nd, Kirsten 3rd. Gardner, Lachlan B 1st, Kirsten 3rd. Freshie, Lachlan B 5th in board. Newcastle Permanent, Lachlan B 1st, Kirsten 3rd. Cronulla Ironman, Lachlan B 1st.

All the 10's competitors from Umina SLSC showed great sportsmanship while competing. The highlight of the many carnivals was the fact that all children from this age group competed and finished the swim at each of the carnivals regardless of the Surf conditions and water temperature.

It goes without saying that we would like to thank all the volunteers that make this Club a great Club to be part of. There are many people that allow nippers to happen, the water safety, every time the children enter the water, the working party that set up the beach, the officials at carnivals as well as many people behind the scenes.

It has been a pleasure to be part of the journey with U10's during the 2011/2012 season and we hope that all the children return and continue to develop and mature during 2012/2013.

Kim, Katherine, Bill & Wendy

Under 9

What a season...What a social bunch!!!

Whoever said that the "cans" were not a rendezvous point for a conversation has not met our Under 9's.

Our first year on the Nipper boards and also venturing into the deep blue at carnivals & water team events. Whether we were paddling the apex, swimming the cans, slogging it out on the sand or diving for flags all the kids gave their all and had a cracking good time - for the most part!

"Do you see those 2 white cans out there? " we asked the kids in week one. They all nodded. Then seeing their faces after telling them that's where we were going to swim was priceless...

At the start of the season it was a challenge for some to make it around the cans without assistance, half way through we swam with the kids simply for encouragement, but by the end they were racing us in. It was an incredible achievement and it made us so proud that all their hard work, extra training, endurance levels & boost in confidence all came together for them.

We had more children this year than the last which was very pleasing and many new friendships were made.

This season we had our greatest attendance at the Carnivals. The under 9's loved the new events that they were eligible to compete in, including the ocean Surf event, Surf teams, board & board teams. Due to our increased numbers we were able to enter team events that we have been unable to do in the past due to lacking numbers. We had kids give everything a go, joining teams to make up numbers and stepping outside their own personal comfort zones. The extra numbers & the hard work that the kids put in worked in our favour, culminating with medals in our Surf Team Races at 2 separate carnivals. We also made an impression on the sand with quite a few kids making it through to high levels in sprint & flags. We also had kids putting their hands up to assist with the under 10's to make up teams, which had them literally racing from finish line back to the start line all in one breath .

We also had one brave soul, Riley, that represented the Under 9's very proudly at the Newcastle Permanent Ironman Carnival at Wamberal, with very rough & tough conditions she smiled her way through and with determination she placed really well & we were so very proud - looking for more brave kids to give it a go with her next season. Any takers??

The season ended with 4 brave young girls, Ayva, Ella, Emma & Riley, who ventured up to Kingscliff State Titles. The conditions up there were unlike anything we had ever experienced. All the girls gave their all in each & every event but their greatest achievement was the bond the girls developed whilst away. They laughed, screamed, giggled, cried, laughed some more, and of course never stopped talking but always, always supported each other.

Outside of our normal Sunday routine we had a wonderful turn out at the Surf Camp, with horrid weather the kids had so much fun (even though they were turning blue and shivering beyond belief). Fishy Friday was also a wonderful family fun day, which was a great way to end the season.

We would like to extend our heartfelt gratitude to each and every water safety team member, without you our kids would not have made such a dramatic improvement and would not be coming out of the Surf with a smile on their faces. To Bill & Wendy, our wonderful coaches that helped our kids to improve their skills and build their own personal confidence and battle some mind games that we could not figure out we could not say thank you enough. To all the other Age Managers, parents and those that give their own personal time to assist our kids from all aspects of training including swim squad, board training & assisting us each Sunday, without you we not be able to support our kids to be the best they could be. And finally to our JAC Captain Rob - the amount of time, patience, and commitment that you give is a credit to how wonderful our Club truly is.

To each and every one of our Under 9's we are so very proud of you - you have exceeded our expectations beyond belief - you are incredible individuals that we are honoured to watch grow each season.

Looking forward to a big & bright season to come - bring it on, we are ready!!

Mick Jones & Skye Marshall

Under 8

AgeManager: Simon Darwin

Age Secretary: Jacqui Knight

Assistants: Jack Waining, Oliver Shepherd, Emily Wardle, Savannah Peterson

Registered Boys: 22 Girls: 25 Total: 47

What a great season we all had with this very enthusiastic bunch of 8 year olds. The season started really well with a 99% success rate in completing the swim test. The kids understood the requirements and pushed themselves hard to the markers.

With such a big group of kids it was great to have a good support team, Jacqui brought the organisational skills required while Jack, Oliver, Emily and Savannah teamed up with enthusiasm and delivered the “nippers” experience, which helped relating certain outcomes to the kids.

The challenge was to move the kids from fun beach games (u7) and to engage them in Surf sport and Surf awareness activities such as Wade, Flags, Sprints and Relays, but also Surf safety and life saving procedures.

Point score activities were a little confusing to start, but by the end of the season most of the kids were actively involved in doing their best to achieve a good result for themselves. In the end the results were very close for the top 4 placed boys and girls, so much to play for in 2013.

Parents played a huge part in the process of all Sunday nippers, including Point Score and Carnivals, which were made so much better with their whole hearted support. I wish to thank all the parents who helped us out on the beach, the kids really get a kick out of seeing and knowing that their parents are interested in what they do.

We had great attendances at the Carnivals around the coast, winning medals at all carnivals from both the boys and girls team events and a couple of individual medals from a couple of the girls. The Branch Carnival saw our highest attendance where we had 4 girls teams and 3 boys teams compete in Sprints and Wade relays – a great day at our home beach.

For me it was great to see the kids who were nervous and tentative at the beginning of the season gain more confidence and belief in themselves and their own abilities. I look forward to seeing a lot of the kids return for 2013 where we get to try more new things in SLS.

I would like to thank and acknowledge the great support from Rob McLeod and the executive, the water safety crew who turn out each week, to Andy Wing and the IRB drivers for setting up the cans each Sunday and the uniform girls Nicole and Lisa for ensuring we look good.

See you next season.

Simon Darwin

Under 11's

Under 12's

Under 13's

Under 7

For 5 months during Spring and Summer on most Sunday mornings parts of Umina Beach is turned into an excited sea of yellow caps yelling, running, wading and having fun, under the watchful eye of their Age Manager, Brian Healey, and parents you are witnessing the future safety of our beach and SLSC.

The mighty Under 7's force of 39 girls and 24 boys had Brian, Stephen and the parents going in all directions at the start of the season as the nippers learned to stick together and follow directions. As the season progressed they became more familiar with each other and friendships were formed. The nippers would start their mornings with a warm up, running halfway down to kiddies' corner chasing Jess, Jack, Siobhan and a group of keen parents with the kids returning in front of the adults with plenty of energy and eager to get started.

This season the kids learned some very valuable lessons while having fun. A call of "Where do we swim?" was chorused back with, "Between the flags!" "What do we bring to the beach?" was answered with "Hat, shirt, sunscreen and water!" The young nippers were also taken to the patrol area and had actual practice on what to do if the shark bell rang, which it did on our last day of nippers. They were given front row seats to watch the other age groups go through their paces at point score. This prompted us to have our own point score days where they got to do Flags, Sprints and Wade races like they would if they were at a carnival, which they can compete next season if they want.

Our neighbours, Ocean Beach SLSC, visited our beach where we got to play tug-o-war, bull rush, bucket races, wading and sandcastle building. With the parents joining in the tug-o-war we still couldn't beat the kids no matter how hard we tried/cheated. They then returned the favour and invited us up to their beach which was a sight to see, a sea of yellow caps chanting, "Here comes Umina!" marching up from the south. Although, after a morning of fun and games some tired nippers had to be carried back by their parents.

Christmas came and the party was great with a run down to Kiddies corner to follow Santa throwing lollies from the back of the tractor all the way to the Club house where he gave out presents, followed by live music thanks to DJ Harold, the under 6 age manager.

Towards the last weeks the young nippers continued practicing techniques in flags, sprinting, relay and how to get ready and set for a race. Wading was turned into a splashing contest between the parents and kids. We even did some flags starting off in the water. Kylie and some of the parents assisted in the water by taking small groups and teaching them to dolphin dive under waves and body Surf, this helped build confidence in the water while having fun which was evident towards the end of the season when we couldn't get the kids out. Because of their growing love of the Surf we began to introduce them to the nipper boards, which were met with delight, mainly by myself who would find any excuse to get a board out.

Finally a big thank you to all the parent helpers who without them we could not have run such a big group of nippers so successfully. Thanks also to Rob McLeod for taking the U7's on occasion. The kids respond very well to his fun nature and enjoyed his games. On behalf of Brian, Jess, Jack, Siobhan and myself we look forward to seeing you all again next season with the added excitement of our Club holding the State Titles.

Stephen Dixon Age Secretary.

Under 6

The season started with 2 new Age Managers, Tim Williamson and I who had no idea for what journey we had just begun. The first week was a noisy sea of Red Caps complete with Names written on the top, the second week was an increasing sea of red, and the numbers kept growing well into the season and our registration numbers eventually peaked at 74 children. The children had a ball each week from bucket races, beached whales, flags, wades, relays, rockets and even the occasional trip to kiddie's corner. With all the children being so young it was always a jam packed 90mins on a Sunday morning with nonstop games and exercises. There were a few tears but more so smiles, laughter and a lot of squealing!!

"RED and YELLOW"

These are the 2 colours that our little Red Caps became so familiar with. This also was the starting point for educating our buddy Lifesavers in beach Safety and Awareness. During the season the children were able to tell me where it was safe to swim, what colour the flags are, what lifesavers look like and who do we get when we need help. We also touched on basic signals and with the raise of my right hand the children were always responsive and would come running, sit quietly in front of me and await for the next exciting game.

Tim and I would like to thank the parents for bringing their children to this great Surf Club each Sunday. A special thank you to the parents that helped out each week, as the mornings activities ran smoother with the extra bodies in the water and on the beach. The children also love seeing their parents getting actively involved!!! Unlike any other sport Nippers allows you to participate alongside your children? This has so many great benefits from strengthening bonds between children and parents, increasing confidence levels in both child and parent, keeps you fit and IT'S FUN!!!! I strongly encourage the parents to consider completing your Bronze Medallion through Umina Surf Club and get involved. This volunteer organisation is filled with great people and children and many new friendships are always being formed.

Our highlight of the season was the last day of nippers when the Under 6's got to spend the morning with variety age groups. The children had Wade races against the Under 9's, had bucket races with the under 12's and rocket races with the Under 13's. The children benefited greatly as they able to meet the older Nippers and see how awesome they are in the water!!! This is something that we will look to do more frequently next season.

Our final thanks go to Capt Rob McLeod. Without your tireless hard work, these fun Sunday mornings would not happen. The children also loved your special visits for your quest to help find "Chocolate Island".

See you all in October,

Harold

Fun with the Under 7's and Under 6's

Annual Rookie Report

I'd like to start this report by welcoming Andrew from Sheather & Merrigan and to thank them for coming on board in sponsoring this unique program.

The aim of this Rookie program is to provide the U/13's & 14's with hands-on patrol experience, to learn rescue & lifesaving skills, to understand the Surf lifesaving philosophy, to bridge the 'gap' between Juniors & Seniors and to learn how rewarding it is to serve the community.

During the program the Rookies are required to complete minimum of 20 patrol hours, to gain their SRC when they are 13 years old, to attend Rookie events, to wear their Rookie uniform while on patrols and to regularly fill in their rookie passports. I think keeping the Rookie books in the patrol room has been successful this season and I hope this continues.

The Rookies are rostered onto a patrol where they select a Bronze holder to be their Patrol Buddy. This Buddy then mentors the Rookie and generally looks after these young Patrol members.

During these 2 years Sheather & Merrigan asks our rookies to participate in 6 events, they are Flag Raising Ceremony, Rookie Launch, Ducks 4 Bucks, Rookie Challenge & the Lowering of the Flags Ceremony and a very enjoyable Disco.

Our Executives ask the Rookies to help during the season with a couple of activities; this season they have helped at Registration days, Sponsors night, fundraising, water safety, Surf camp just to name a few.

The Rookies & I would like to thank their Patrol captains, their Buddies, Sheather & Merrigan & Our Branch for running and/or being involved in such an important learning program for our youth and future patrolling lifesavers.

A big thank you to our Club Executives for seeing the value of these kids, they are responsible youth and they are great ambassadors for our Club, community and the Surf lifesaving movement, keep up the good work.

Thank you

Michelle Krucler
