UMINA SLSC – JULY/AUGUST 2018

A Word from the Board

State NSW SLS Club Conference

A few members from the Board attended the SLSNSW State Conference 2018 held July 28-29 at the Novotel Sydney Brighton Beach.

This was the first State Conference held in 6 years and it involved all 129 clubs and 11 Branches coming together for the first time, to both hear and discuss the important business that affects your club now, and importantly, the future direction of SLSNSW and the refreshed initiatives we will be introducing to make life easier and more enjoyable for our members.

The 2018 SLSNSW State Conference launched and communicated the new SLSNSW Strategic Plan and provided a forum to communicate and workshop key strategic issues, challenges and opportunities facing the organisation moving forward in the next 5-10 years.

The conference was aimed at Club Presidents, Club Captains, Member Services Officers, Volunteer Coordinators, Junior Activity Chairpersons, Member Protection Information Officers, Chief Training Officers and/or members who are emerging leaders within the Club.

Attendees- Jimmy Irwin, Stephen Scahill, Harold Marshall, Jenni Darwin, Paul Sharpe

IRB Racing

This was our 1st year racing as Umina, and what a year it was...

During the NSW IRB Premiership series, I was hoping we would make some of our semifinals, being our first year I didn't want to put too much pressure on the team. To our amazement, we were making most of our finals throughout the series...

We then moved into the NSW state titles, where we knew everyone would be stepping it up a level yet again. We were not surprised when everyone had found another gear and were racing even harder. We made finals in both Opens and Masters, where our awesome 23's won a bronze medal in Teams Rescue.

From here we went on to Aussies to see what it was like and to try our luck. Wow, somehow the racing become faster and stronger.

Our Masters made semifinals, and the Opens competition was suspended on the Saturday due to surf. The Sunday competition went ahead, with very testing conditions, plenty of spills and massive air. Our young guns did our club extremely proud, never gave up and fought as hard as they could. - Jimmy

Aussie Pool Rescue

And that's a wrap for our Aussie Pool Rescue campaign. With a small team of 1 junior, 7 open and 4 master competitors we've again achieved excellence!

To finish 5th overall behind the pool powerhouses of Australian Lifesaving was outstanding. Every team member collected a Aussie medal... EVERY TEAM MEMBER! However, this is not what I am most proud of. Our team displayed the courage to step outside of their comfort zone. Our team showed the maturity and self-awareness of knowing when to rest and when to test. Our team showed the empathy and support for their fellow teammates and competitors. Our team was gracious and humble. Our team was loud. Our team was hungry. Our team was hilarious. Our team was everything that I love about OUR surf club family. -Harold
