

UMINA SLSC

54TH Annual Report

2014-2015

55th ANNUAL GENERAL MEETING

Notice is hereby given that the 55th Annual General Meeting of members of Umina Surf Life Saving Club Inc. will be held at Umina Surf Life Saving Club House, 509 Ocean Beach Rd, Umina Beach on **Sunday 26th July, 2015** at 2:30pm.

BUSINESS

1. To confirm the Minutes of the previous Annual General Meeting.
2. To deal with any business arising out of such Minutes.
3. To deal with any relevant correspondence.
4. To receive and adopt the Annual Report and Financial Statement.
5. To deal with any Motions of which due notice has been given.
6. To select Office Bearers of the Club for the 2015-2016 Season.
7. General Business of an Urgent Nature.

Please Note: The Chairman has the right to vary the order of the meeting.

Only current Financial Members are entitled to vote at the Annual General Meeting and Fees are now due and payable prior to the meeting. New members are not entitled to vote at the AGM but can attend meeting. Renewal of Membership will take place from 12:30pm to 2pm. General members have no voting rights unless they hold a position on the Management Committee (as per Constitution (k)-(i)).

Information and nomination forms can be downloaded from the Web site: www.uminaslsc.org.au or by contacting the Secretary at admin@uminaslsc.org.au.

Written nominations must be received by the Secretary or club office at admin@uminaslsc.org.au on or before **19th July, 2015**.

Nominations will only be taken from the floor if **NO** written nominations have been received.

FELICITY NOTT
Secretary

OFFICE BEARERS 2014-2015

GORDON DICKSON	ALAN MCDOUGALL	
TOM FAULKNER	PETER MORGAN	

PRESIDENTS REPORT

In our current society where time is our most valuable commodity and where weeks and months rapidly pass by, the preparation of our annual report affords us the opportunity to reflect back on the season that was.

The season 2014/15 was another small chapter in our long and proud history of 57 seasons of patrolling the beautiful Broken Bay and providing a service to the community in many different ways. Our surf club as it operates today is a very diverse organisation with a diverse membership carrying out a variety of functions. This report encapsulates the achievements of our members and provides a record for the present and the future of another successful season in our club's history.

Life Saving

The sight of our members dressed in their red and yellow uniforms patrolling our beach provides great comfort to the bathing public who feel safe in the knowledge there are skilled and qualified people to assist them should they get into difficulties whilst at the beach.

The club's record of 57 seasons of no lives lost whilst patrolling the beach continues to stand and is a true testament to our patrolling members who were tested to the maximum at times throughout the season when we had large crowds and difficult surf conditions. Thank you to all our patrolling members.

Our patrol numbers were strong and despite a number of our experienced Patrol Captains stepping down at the end of last season we were very grateful to members prepared to step into this pivotal role. Once again our Patrol Captains' provided great leadership skills on the beach and were also a great support to our Director of Life Saving.

Nick has spent countless hours and has done a wonderful job in his management of the patrols and all ancillary activities ensuring our patrols ran efficiently.

Sadly Nick decided not to continue in this role and we thank him for his dedication over the last four and a half seasons but I am sure he will be around to assist where required.

Rob McLeod has stepped up to the role and I take this opportunity to thank him. Director of Lifesaving is one of the most important positions in our club and I am confident with his leadership skills and knowledge of the surf that the standard of patrolling at Umina SLSC will continue till the end of the season.

Education

Without well trained lifesavers our patrols would not be equipped to carry out their essential functions. The ongoing training for the SRC, Bronze Medallion and higher awards has virtually become a twelve month activity. Jarryd Edmonds and his team of trainers have played a vital role in running training courses, attending assessments and undertaking proficiency tests to sharpen members' lifesaving skills.

Congratulations to all members who have obtained their Bronze Medallion this season; it is the first major step in your life saving career and for those who have gained other awards well done and I trust it is a step towards ongoing involvement in the club.

Surf Sports

Competition and training activities continue to be a major focus for many members and it is pleasing to see members participating in all disciplines of competition and training.

The coaching efforts in the board, ski and swim section over the last two seasons have started to produce dividends particularly in the younger age groups where competitor numbers are increasing. The club was also well represented in lifesaving events and our Ladies March Past team continues to produce good results.

At all levels of competition the club produced good results with the highlight being the Medal performances at the Australian Championships.

Kerry Armstrong-Smith	Gold Champion Lifesaver
Shelly Smith	Gold Champion Lifesaver
Jemma Smith	Gold Champion Lifesaver
Christine Bishop	Silver Champion Lifesaver
Mimosa Henderson	Silver U/15 Board
Jemma Smith	Silver U/17 Single Ski
Jemma Smith	Silver U/17 Iron woman
Julie Jowett	Bronze Masters Flags

Congratulations to all competitors that competed and that made Australian Championship Finals.

The club Director of Surf Sports Brett Harrod has once again been a driving force behind the management of the competition section. Brett is a very dedicated member of the club committee and has been actively involved in many other committee initiatives for which we are very grateful.

Junior Activities (Nippers)

The club's Junior Activities section was once again one of the largest in the Central Coast Branch. The logistical responsibility of running Sunday morning Nipper events and other Nipper activities is a huge task. We have been fortunate to have had Harold Marshall in the role of Junior Chairman for his first season and who has very capably managed this responsibility. Harold has been well supported by Andy Wing, Peter Saxby, Danny Cunningham, Warren Whitney and all junior age managers and age secretaries that have ensured our Nipper members have had a successful and enjoyable season.

The ethos that we as a club are made up of members from 5 years of age to our oldest members in their late 70's is very strong and the cohesion that we are one club has now become well entrenched as we focus on ensuring our young members have a clear pathway through the club.

Youth Development.

The progression of members from juniors and rookies into the senior ranks of the club has been a key initiative that our Directors of Youth Development Shelly Smith and Jessica Thomas have been concentrating on over the last season. The involvement of our youth in training for awards, improving their surf skills, being involved in competition and other club activities has been part of the plan that Shelly and Jessica has looked to implement. It is an ongoing task and requires involvement from all sections of the club.

Thanks to Shelly and Jessica's efforts we are fortunate progress has been made over the last season in working on youth retention through involvement.

Administration

In an age of complexity and ever increasing administration the role of Director of Administration is ever time consuming. Felicity Nott continues to set a high benchmark with the assistance of Christine Lavers and it is comforting to know as a club we have people who are well abreast of our governance needs and that member information and records are up to date and readily available. In addition they continue to answer numerous member questions. We are also very fortunate to have Larissa Dixon in the office administration role. She is a great support to members and the committee as she attends to her tasks with the minimum of fuss and goes above and beyond what she is expected to do.

Finance

Another significant task for a club of our size is the financial management which has been well looked after by Wendy Cook and Tim Leggett our Club Treasurers and we thank them for their dedication to the task. Tim has provided the club with monthly financial reporting and budgets to assist the committee in making ongoing decisions. Despite posting a loss for the year as a result of a drop in revenues the club has maintained its sound financial position which is fully detailed in the Treasurer's Report.

Sponsorship

Our club's financial position and ability to carry out our role in the community is closely linked to the support of our sponsors. We are very appreciative of the generosity of all our Sponsors.

Full details of all our sponsors are covered in the financial and sponsorship sections of the report.

The difficult task of sourcing sponsorship funds has been managed by Wendy Cook this year. I would like to thank Wendy for the professional manner that she has undertaken the role.

Club Facilities

The major works undertaken around the club over the last season included the painting of the outside of the whole building. In addition the ongoing maintenance around the club is a task in itself and we thank Bill Cook for coordinating and where required undertaking these works.

The ongoing process of the master plan has been mainly focused around meetings with the Council to provide them with an understanding of the plan as we move toward the approval stage, which will improve our club storage problems. This has been a very time consuming process.

Member Services

Club members once again assisted in the organisation and running of numerous club events and activities including the following:

The final round of the Streets Boat Carnival and The Branch Lifesaving Events were once again major events for the club and were well supported. Thanks go to Andy Wing, Robert McLeod, Steve Murphy and their work parties for the efforts in ensuring these events were a great success.

The Woy Woy Pirates Ocean Swim, this event was a major success for the local swim club. Thanks go to Danny Cunningham, Wendy Cook, Andy Wing and all water safety.

The Ladies Night was a great event with monies raised going towards Juvenile Diabetes. A cheque was presented in the way of \$1000 to this organisation; huge thanks go to Nicole McLeod, Skye Marshall, Karen Murphy, Cath Talty, Harold Marshall and all the ladies that attended that night.

The Club Golf Day was held in January at Gosford Golf Club to raise funds for the touring team uniforms for the season. Bill Cook and Robert McLeod, Tom Magurren, Brett Harrod and John Sharpe did a wonderful job in organising what was an enjoyable day for members, guests and sponsors.

Surf Camp was held in January with 100 nippers in attendance fine tuning their skills under the close eye of our club coaches and Dean Simpson from Cronulla SLSC. This camp has become an important part of the junior development as the results in all carnivals shows the benefits.

Rotary Youth Exchange was held for the fifth year with youth from around the world attending our beach; this program allows our youth to interact with different nationalities and cultures that our young people can use later in life. I would like to thank Carl Krucler and all our young people that attended and made this event so special for our visitors.

NSW State Championships was held in March this was a fantastic spectacle, seeing the best competitors the state has to offer. This was the most proud moment of the year for myself seeing the club pull together from nipper's right through to our life members working side by side to put on the best event in the state. Thanks go to the Local Organising Committee; Brett Harrod, Robert Langford, Daniel Cunningham, John Sharpe, David Thompson, Elaine Unger, Belinda Thompson, Mark Arahill. I would also extend my gratitude to the community based groups Gosford City Council, Craig Healy from Gosford City Council Lifeguards and Woy Woy Rotary, Billy Ide and The Men's Shed and The Morning Star Lodge Freemasons. The biggest thank you of all goes to all the volunteers from our club.

Concluding Comments

On concluding I would like to congratulate Stuart Harvey on the work he has done this season as President of the Surf Lifesaving Central Coast and I would also like to thank him, the Branch Executive and Chris Parker and his staff for the support they have provided to our club.

It is also important to recognise the contribution of Gosford City Council in assisting the club with events and facility maintenance. Our close relationship with the Council continues thanks to the efforts of the General Manager Paul Anderson, Mayor Laurie McKinna and his staff.

To my wife Megan thank you very much for your involvement, your understanding, patience and support over the last twelve months.

As we look forward I can assure you there are many plans and many ideas on the future direction of our club to ensure we remain relevant, that our beach environment is protected and our clubhouse benefits both members and the local community.

To all members thank you for your support over the season of 2014/15.

Yours in Surf Lifesaving

Paul Sharpe

DIRECTOR OF LIFESAVING REPORT

I would like to start this report by acknowledging the hard work and dedication of two members in particular.

Firstly, Nick Shepherd, who unfortunately had to step down from the role as Club Capitan during the season. Nick has dedicated countless hours to the role over the years and his hard work has positioned our club as one of the leading lifesaving clubs on the Central Coast. This season alone Nick patrolled for over 65 hours and spent more than double that amount of time overseeing the lifesaving department. Thank you Nick for all your efforts not only this season but throughout your time in the role.

Secondly, Jess Thomas. Jess has held the role as Vice Club Capitan for the last two years. This is an incredible achievement for somebody her age. Upon Nick's departure Jess really stepped up and took control of all the administration side of the Club Capitan role. By the time this report is published Jess will be in the USA working in a Summer Camp. I know everyone at Umina SLSC hopes you have a great time.

A big thank you goes to the clubs Executive Committee for the huge amount of time and effort you put into running a club of our size. Also thanks to our Training Department for the continued development of all our members. To our IRB Captain thank you for ensuring our equipment is on the beach and ready to go. To our Management Committee thank you for the time and commitment you put into all your roles within the club.

I would like to congratulate our Patrol Person of the Year – Stephen Reid and our Patrol of the Year – Patrol 5. Your commitment to patrolling our beach was outstanding this season and your awards were very well deserved.

We have over 200 patrolling members within our club. On top of this we have one of the largest rookie contingents on the Central Coast. Below is a list of statistics taken throughout the season. As you will read we have once again as a club put in an enormous amount of hours to ensure the safety of the public at Umina. All members should be extremely proud of your efforts throughout the season.

<u>Rescues</u> No Gear 155 Rescue Tube 14 Rescue Board 30 IRB 18 <u>First Aid</u> Fractures/Dislocation 0 Major Marine Stings 4 Major Wounds 0 Minor Cuts/Abrasions 32 Minor Marine Stings 34 Other 23 Resuscitation 0 Spinal 3	Total First Aid 96 Incidents Requiring Ambulance 1 <u>Preventative Actions</u> Lost Children 3 Preventions 12604 Searches 4 Shark Alarm 4 Total Preventative Actions 12615 Beach Closures: 9 <u>Total patrol Hours during 2014 – 2015</u> Umina 8,7500 Attendances Total 281224
--	--

I took over this role upon Nick's departure mid-season. It was an honour to hold such an important role within the club. Holding such a position you see firsthand the importance of what we do on the beach each weekend. I hope you all had a great time on patrol during the season. Enjoy the off season and I look forward to seeing you all on the beach in September.

Once again this year as it has been for the history of our club the most important statistic of the season NO LIVES LOST AT UMINA.

Regards Robert McLeod - Acting Club Capitan

DIRECTOR OF FINANCE REPORT

First and foremost, I would like to thank all those that have helped me as I transitioned into this role after taking over from Wendy Cook in November. Wendy has done all of the hard work with the valued help of Lisa Jack, her very generous employer Greg Coleman and Larissa Dixon. I would like to thank Wendy, in particular, who has admirably fulfilled this role for over ten years. Christine Lavers has been of great assistance and my fellow Executive Team members, Paul, Rob, Felicity and Nick, who have been very supportive and patient. Fiona Lloyd has done a tremendous job looking after the hiring out of our club as a venue and has some great plans for promoting and making even better use of the clubs assets. Marty Smith is the unsung hero as the Bar Manager, and I commend his efforts in this area. I know there are many others who tirelessly collect money for carnivals, clothing, Sips, etc. like Jan and Phil Harding, Nicole McLeod, Karen Murphy to name a few. Please forgive me if I have forgotten you and know that I appreciate the help.

Thank you to our sponsors (See separate report) without whom our club would not thrive.

From a financial point of view, the club is in a sound position. We have ample reserves; we currently have a backup reserve to run for 12 months. Also, we have set aside some funds for future development of the club. These funds will put us in a good position for future grant applications.

We have not had an increase in membership fees for some time. In anticipation of some increased expenses and our last year of funds from our joint venture with Ocean Beach running State Carnival, we are putting up our membership fees by \$10 in the future. This still keeps us at the bottom end of the scale of club fees on the Central Coast while keeping our programs at the same level.

In the coming year, we will be putting in some better financial controls and systems including an increased use of our internal Intranet Site setup with the help of Adam Dabin and Andrew Tolmie. As mentioned above we will have a busy year with grants, this area is becoming more and more competitive, and I am looking to set up a specialist committee just for this purpose. We will need people with good financial acumen and writing skills, anyone who is interested please get in touch with me directly.

I am keen to help the Executive Team drive a good strategic plan. This renewed focus will help us to make this club even better at providing such a great community servicing the Umina Area.

This club, like any organisation, is run by those that show up. I am proud to be part of a club that has a tremendous spirit of digging in to help when it counts. I am continually amazed at how things just seem to happen. As always though we need help. I am calling on others who are keen to help out in the financial area to step forward, whether you have been here forever or just joined please feel free to get in touch.

Tim Leggett

DIRECTOR OF ADMINISTRATION

My first season as Director of Administration at Umina SLSC has been fairly challenging but great fun too. The learning curve and commitment required has been substantial but on reflection the reward has been far greater than I ever expected!

I am enormously proud I am to be a part of this fantastic club and community.

I grew up in Johannesburg, my exposure to surf lifesaving was limited to Baywatch and more recently attending Sunday Nippers sessions with my daughter Ella. A few years later when Tommy my son was old enough to join U6's I was so inspired by the tireless efforts of the smiling Umina SLSC volunteers week in, week out that I knew it was time for me to give back.

I completed my Bronze Medallion with a group of likeminded souls, united by our determination to be able to perform CPR in an emergency and to complete our run swim run within the allotted time. Over the weeks we became friends and slowly my journey as an active club and patrol member began.

Regularly I am inspired by our members, Megan Healy has shown us that real heroes reside in our community and that by pulling together amazing things can be achieved. She is an incredible role model for our community and for our children and we are lucky to have the Healey family in our club.

I have also loved meeting our younger members, it has been fantastic to hear from them what they think makes Umina SLSC special and where we need to focus our efforts to ensure we engage our youth and make Umina SLSC an even stronger club in the future.

I would like to thank Christine Lavers, who has been by my side every step of the way. Her support is unwavering, her commitment to the club is absolutely inspirational and the level of effort she has put in to guide me through this year is hugely appreciated.

Thank you too to Larissa Dixon, Rob McLeod, Paul Sharpe, Wendy Cook, Nick Sheppard and Tim Legget for your great advice and insight and for putting up with me!

I have shared laughter and tears with many on and off the beach and I have learnt what it really means to be part of a community.

I could never have imagined how much commitment, love and sweat it takes from the Management Team and from our volunteers to ensure our entire club has an enjoyable and successful season.

If you are considering getting more involved in Umina SLSC I would strongly encourage you to do so; it could be life changing for you too!

See you on the beach.

Felicity

The Executive conducted a survey of Current and Past Members during the year. We obtained valuable feedback and most importantly can measure the positive or otherwise impact of improvements and initiatives undertaken by the club. The report can be viewed at <http://uminaslsc.org.au/surveys> .

SPONSORSHIP REPORT

The club would like to take this opportunity to thank all our Sponsors for their commitment and support for the running costs and equipment needed by Umina Surf Life Saving Club to provide Life Saving Services to the public and support its members in achieving the skills needed to become one of the Central Coast leading Surf Clubs.

The club held its annual Sponsors recognition night and was well attended allowing our Sponsors to see how their financial assistance is used within the club. There were many positive comments and we thank our sponsors for this as their continuing support allows us to plan for the future.

Our major sponsors for this year were Club Umina, Merrylands RSL, Ettalong Beach War Memorial Club, Lance Clarke Amcal Chemist, Woy Woy Rotary, East Coast Roofing, Umina Beach Café, Central Coast Surf Life Saving & New South Wales Surf Life Saving. We would also like to thank the many other loyal local businesses and individuals that have also supported us throughout the year. (As per full list below)

With the support from our sponsors this year the club has continued to subsidise memberships, and further advanced training of existing and new members. The club has also updated Life Saving Equipment and competition equipment incl., Motors, Rescue Boards, Nipper Boards, competition Mal's and Skis, and the high visibility vest required to be worn by all competitors.

Below is a table showing how some of the sponsorship monies also goes back to club members through Member Loyalty programs setup within the club.

Programs	2014 – 2015	2013 – 2014	2012 – 2013	2011 - 2012
Board Sponsorship	\$ 6,450.81	\$ 6,010.91	\$ 6,820.00	\$ 6,107.29
Emerging Athlete Scholarship	\$ 3,250.00	\$ 3,200.00	\$ 2,700.00	\$ 2,625.00
Patrol Meals	\$ 9,625.00	\$ 7,290.00	\$10,000.00	\$ 10,000.00
Touring Team	\$ 5,001.00	\$ 4,831.00	\$ 6,209.00	\$ 2,519.00
Training / Education	\$ 6,945.79	\$ 5,114.15	\$ 4,961.38	\$ 7,151.96
U6's & U7's Rashies & Caps	\$ 1,900.00	\$ 1,500.00	\$ 1,100.00	\$ 1,050.00
Yearly Totals	\$33,172.60	\$27,946.06	\$31,790.38	\$ 29,453.25

Members are reminded that all this would not be possible without ongoing support from our Sponsors and are encouraged to support our club sponsors services.

I would also like to thank the Club for supporting this role as there are many events held within the club i.e. Golf Day, Surf Camps & Ladies nights run by members giving of their time to assist the club in fundraising and sourcing sponsors.

Yours in Sport

Wendy Cook

Sponsorship Co-Ordinator

CHIEF TRAINING OFFICER REPORT

The 2014/15 season was “business as usual” for those in the Training/Assessment team, with the only significant change being a month’s postponement for the post-Christmas Bronze group whilst the State Champs were on but we handled this with minimal interruption.

We had very good numbers of people doing in house courses such as Bronze Medallion, ARTC, Surf Rescue and outside branch courses

I would like to thank in no particular order:

The following people who helped train the Bronze Medallion/Surf Rescue Courses as they gave up a lot of their own time, Bob Powell, Pam Edmonds,, Vicki and Natasha Swain, Steve and Jack Dixon, Kevin Armstrong, Lyndi Leggett , Trevor Stewart, Alan Jephtha

Larissa Dixon for assisting with the administrating duties for in house and branch courses along with the Executive for their support, and anyone whom has helped out with water safety as this is much appreciated

And finally to all our members for taking the time to re qual and obtain new qualifications and awards. The number of active patrol members is increasing every year and the amount of SLSA qualifications and awards held by all those members is extremely high when compared to other clubs and branches.

Thank you again to all our trainers and assessors. It is a pleasure to work with all of you and look forward to doing so again next season in whatever capacity. The quality of your work is reflected in the strength of our club and in particular the quality and professionalism of our lifesaving patrols.

Jarryd Edmonds

Chief Training Officer

NATIONAL PATROL SERVICE AWARD RECIPIENTS 2015

SLSA has established National Patrol Service Awards, which are available to individual members in recognition of their long service to surf lifesaving patrols.

The recipient must have completed all patrol service requirements relevant to the membership category with a minimum of 16 patrol hours being completed per season which can be accumulative. You cannot redeem water safety hours unless part of a rostered patrol.

Persons eligible for these awards are:-

- a) Bronze Medallion holders whose periods of service eligibility begin from their initial patrol duties as the holder of this qualification.
- b) Members who hold on or more qualifications in the following award streams – patrolling lifesaver, emergency care or radio. In the case of Award members, eligibility for the patrol service award shall commence from the date of obtaining the relevant certificate.

20 YEARS

Paul Byrd

10 YEARS

Rachel Funnell
Rob Paterson
Andrew Tolmie

SERVICE AWARD RECIPIENTS 2015

(Period of service begins from their initial recognition as the holder of a qualification in the areas of assessing, competition officiating or coaching)

5 YEARS OFFICIATING SERVICE AWARD

Nicole McLeod

5 YEARS ASSESSING SERVICE AWARD

Brooke & Trevor Gee with Megan Healey presenting the "Tour De Force" Award to James Johnson

MASTERS REPORT

After another winter of training the Masters headed off up to Coolangatta again to compete in the “Gold”. Mick Magurren 30yr+ individual and team “Stingray” a 30yr+ mixed team, members who made up this team were Dave and Christine Bishop, Gary Wilson and I took part in this iconic event. This year we achieved the best results ever since the Club had and congratulate Mick come away with a Silver Medal and team “Stingray” with a GOLD.

The club should be very proud of these guys and the efforts they put in - Well done to all.

After the “Coolangatta Gold” it was back into the Club training as best we could with the resources we have for Masters. It was great to see Julie Jowett transfer from North Avoca to Umina. Julie who is a Beach Champion offered to help with beach training and officiating. As a result of her expertise training this season we had some fantastic results at the local carnivals, Branch, State and Aussies.

Below Beach training with Julie

Our Kilcare Carnival Team

Branch this year saw the highest numbers of competitors for Umina since I have been the Masters coordinator. The carnival was held this year at Terrigal and we had great results from the beach to the water. At the end of competition day Umina was in 2nd place on 409 points just behind Avoca on 414.5 points but the Branch still had to add 28 points from the Champion Lifesaver event held earlier in the month. Avoca had 23 points to go on from the boat carnival. So in total this meant Umina finished on 437.5, joint first place with Avoca as Branch Champions for 2014/2015 season. As the Master’s coordinator I have been trying to get Umina the Championship for over eight years and would like to congratulate everyone for all their efforts.

State was again at Umina / Ocean Beach, the event was held over two days and we had strong numbers competing. Umina Masters finished 6th in State, 2nd in the Central Coast Branch. This is an outstanding result for a club that continues to grow in every way especially Masters competition.

Aussies was up on the Gold Coast again and we had the largest number register this season to have a go. On a personal note it was great to make the finals in Champion Lifesaver and the Board relay with Gary Wilson and Steve Murphy.

Standing on the start line with Trevor Hendy and Grant Kenny has to be a highlight for me as they have been world champions. I would also like to mention congratulations to Christine Bishop, Shelly Smith and Kerry Armstrong-Smith for medalling in the Champion Lifesaver at Aussies as Masters.

All State and Aussie results are on page 47 onwards

As ever there are always people working hard in the background. I would like to thank Phil and Jan Harding again for the countless hours that they put in to submitting the carnival entries. My son Andrew, for driving the competitors gear trailer up to the Gold Coast for the Coolangatta Gold and SLSA Aussies. Wendy Cook, Vicky Swain, Julie Jowett, Cath Braddish and Christine Lavers for the help with officiating and last but NOT in the least Christine Bishop for being the Masters Sectary again.

I would like to also add that everyone that competes for this club is a WINNER, medal or no medal.

Rick Boylan

CENTRAL COAST SPORTS FEDERATION AWARDS

John Sharpe was recognised for Outstanding Service to Central Coast Sports. Umina SLSC was also a finalist in the Club of the Year and Event of the Year as well as our U15 Female Surf Team and Bob Powell as Volunteer of the Year.

LIFE MEMBERS AND FOUNDATION MEMBERS BREAKFAST

In December 2014 the Executive hosted a breakfast for our Founding and Life Members. The day was well attended by many current Life members and for those that had passed we had a family representative attend.

The weather was perfect which enabled our young Nippers to display their Sunday morning activities. A perpetual plaque was presented to the founding members by Paul Sharpe as a permanent recognition of the work they had done back in 1959 to get this great club started this is on display in the "John Sharpe" room.

ANNUAL LADIES NIGHT

Our Annual Ladies Night was a huge success, once again raising money for Juvenile Diabetes Australia and your surf club as well as all the fun had by the Ladies a Cheque of \$1000 donated to Juvenile Diabetes. Thanks to Nicole McLeod, Skye Marshall, Karen Murphy, Harold Marshall.

GOLF DAY

The Club Golf Day was held in January at Gosford Golf Club to raise funds for the touring team uniforms for the season. Bill Cook and Robert McLeod, Tom Magurren, Brett Harrod and John Sharpe did a wonderful job in organising what was an enjoyable day for members, guests and sponsors.

SURF LIFESAVING CENTRAL COAST AWARDS OF EXCELLENCE

Administrator of the Year - Rob McLeod

Young Athlete of the Year – Jemma Smith

DUKE OF EDINBURGH

Silver Award

On the 6-8 January three of our Silver Award participants undertook their 3 day/2 night trek. They included Jack Dixon, Mollie Murphy and Savannah Paterson. They were courageously supervised by Karen Murphy. Starting from Umina SLSC they walked to Kariong via Woy Woy, up the hill and along fire trails and camping overnight. They then walked from Kariong along the Great North Walk to Patonga. After camping overnight they finally finished their journey by walking back to Umina SLSC via Pearl Beach. The temperature on the 3 days was extremely hot and humid. This made walking very difficult and strength draining. Sore shoulders and many blisters were the norm, as each person had to cart all their food and water for the 3 days.

Jack and Savannah have now completed their Silver Award with Mollie to finish up when she has completed her other disciplines. Savannah now moves onto the Gold Award.

A huge thank you to all who helped organise the walk but especially to Karen who endured her own blisters to keep the guys safe.

Bronze Award

On the 14-15 January the Bronze group undertook their practice trip. They are doing orienteering and rogaine for their trips.

Participants include; Jasmine Darwin, Sydney Healey, Michael Paterson, Harrison Whitney, James Bishop and Mimi Henderson.

On their first day they did an orienteering course all around the Peninsula, including Umina, Woy Woy, Ettalong and Booker Bay. 12 objects were hidden around and they had to find them in numbered order.

On the second day they were taken to the top of Maitland Bay. After walking down the steps they picked up the Coastal trail and followed it to Mac Masters Beach. Objects were again hidden along the trail for them to locate.

A huge thank you to Jack Dixon, Mollie Murphy and Savannah Paterson for helping me to set up the course and also to Robyn and Savannah Paterson for walking with them to ensure their safety.

STATE COMPETITORS TALK

In March all U14 – Open State Competitors (beach, water, march past, first aid, lifesaving events) were invited to attend a motivational competition night before the State carnival. This was organised by Brett Harrod and as usual a “Free Carb Loading Pasta” dinner was organised for the competitors.

In keeping with our tradition of having interesting speakers for the night Garry Mensforth managed to have Georgia Miller and Kendrick Louis for the night both are competitors in the Nutri Grain Iron person Series and SLSA Australian Representative Competitors.

The night was well attended by our competitors and their coaches as well as family members. Both Georgia and Kendrick were impressed by enthusiasm of our members and were open to question time giving our members an insight into the training and lifestyle changes that are required to be involved in high level competition. They both also explained about their pathways to where they are today and how their involvement in surf lifesaving has enhanced their lives.

ROTARY EXCHANGE VISIT

Umina Rotary Youth Exchange visited our beach on Saturday 21st February for another year. Great effort and assistance from our Youth members; Jarryd, Jess, Oliver, Aiden, Alex, Jack Waining, Jack Dixon, Savannah, Nathan, Adam, Harrison, Michael. Also much appreciated to Patrol 16 who assisted on the water and Ocean Beach SLSC who lent soft boards for one of our activities. Rotary love our involvement and appreciate it.

UMINA NIPPERS HELP THE MARINE ENVIRONMENT

Around 60 Nippers from the Under 6's and 7's kicked off the **"Take 3" SLSC Initiative** on Sunday, 15th February. Umina Surf Live Saving Club had proudly joined this initiative to reduce the amount of plastics that pollute the beach and ocean. The program was introduced into our Club by one of our members Sarah Beard and now Oliver Shepherd has become one of our representative Ambassadors for the program at the Surf Club.

Each year six million tonnes of rubbish finds its way into our oceans. This is three times the equivalent of the amount of fish caught for us to eat.

The main culprit of this is plastic, which severely impacts the seventy-seven different type's marine species in Australia.

The 'Take 3' message is simple:

Take 3 pieces of rubbish with you when you leave the beach, waterway or anywhere and you have made a difference. As the largest group using the beach in Australia, this simple message is a perfect fit for Surf Lifesaving Clubs and their members. The 60 Nippers along with their parents and officials from Umina Surf Club cleaned an area of approximately 9000 metres, whilst having fun, learning and removing approximately 200 kilograms of rubbish from the beach. As the first Surf Club on the Central Coast to partner with "Take 3", Umina hopes that every other club on the Coast will join this fantastic program acting as a catalyst for change in community behaviour. Umina SLSC will hold a major beach clean-up prior to the end of the surf season in which all members and the community will be invited to participate in.

MEGAN HEALEY “ KISS MS GOODBYE” BUCKET LIST

In January 2015 a team of more than 30 Umina Beach lifesavers and volunteers aged from 12 to over 60yrs towed and acted as personnel aids and water safety for the 3 km swim. Three swimmers at a time towed her in a relay format on a jet ski mat out from Palm Beach around the headland before landing on Whale Beach. Megan wore a wetsuit and lifejacket and had plenty of people around her as she was strapped to the ski mat – they had practised rolling the mat in case she got flipped as she was unable to roll over on to her back.

CENTRAL COAST “JUNIOR LIFESAVER OF THE YEAR”

Congratulations to Bronte Smith who was awarded the Junior Lifesaver Of the Year for the Central Coast Branch. As well as winning this award Bronte was also our Female Junior Club Captain and together with Alec Radford our Male Junior Captain they contributed their knowledge, skills and time towards being great role models and ambassadors for Umina SLSC.

YEWWWW, IT'S THE YOUTH AT UMINA!!

As a new member to Umina SLSC, it was a great pleasure to take on a role in the club that focussed on youth members. For those of you who are unaware of what the term 'youth' stands for, it relates to the members who have left the junior activities "nippers" and are now involved in the senior section of the club. Youth is a broad term, however, in this instance it relates to members aged between 15 and 25. As seen over many years and within many clubs, the youth age bracket often struggles to retain its membership due to external commitments and life priorities.

It is with this knowledge that a Youth meeting was conducted at the start of the season. Those members that attended shared what they currently do within the club, what they look forward to doing and their goals and focus areas within the club and organisation. It was identified that their main involvement within the surf club was focussed around volunteering to assist club members and support other programs and activities such as junior activities, holding age manager positions, and assisting with water safety, etc.

It was acknowledged that the youth do an amazing job at Umina and that they deserve to have opportunities focussed around their age bracket and their interests. Suggestions were thrown around and a plan was set for the season.

Umina SLSC Christmas Carols

21st December 2014

The youth members sung their hearts out in the age group Christmas Carol sing-a-long competition. They may not have won, but they sure entertained the crowd!!

Nutri-Grain Iron Man & Iron Woman Series

3rd January 2015

It was a scorching hot summer's day when a bus load of Umina members hit the sand at Newcastle Beach for Round 5 of the Series. We were decked out in our "Jack's Pack" gear to support local athlete, Jack Moyes, who was lucky enough to have the largest support crew on the beach. There was plenty of swimming, cheering, collecting of autographs, photos with athletes, selfies with each other and lots of social media shock when the athletes liked the posts they were tagged in!!

The format for the day was an M-Shape where the men would complete 3 loops and the women would do 2. Each race was roughly 40 minutes and both the swell and run transitions changed up the competition order to keep the races interesting. It was a great day out and a brilliant experience for our youth members to watch some of the best Iron Men and Iron Women in the world do what they love.

The Macquarie 41st Big Swim

25th January 2015

A large crew of Umina youth members swam and supported fellow club member Megan Healey as she ticked off one of her Bucket List items. The 2.5km course ran out from Palm Beach, parallel to the coastline, around Little Head and into the centre of Whale Beach. Megan lay securely on a Jet Ski mat while 3 swimmers who were wearing traditional belt swimming harnesses and connected to the sled towed Megan through the surf and along the course. Members either swam out in front and guided the team, towed or swam alongside Megan.

Megan was so grateful to the people that helped make The Big Swim happen. She mentioned that the youth at Umina Surf Life Saving Club are incredible in their enthusiasm and willingness to join in and support her.

Wet 'n' Wild, Sydney

1st February 2015

SLSNSW runs a nipper program at Wet 'n' Wild, Sydney on Sunday mornings before the water park opens. Clubs are invited to nominate dates to head out to the park and support the junior activities program through water safety and assisting with games and running skills sessions. All of our members got involved with the program and it was a great success. Comments from nippers, their parents, age managers and coordinators was that Umina members were the number one group they'd had out there this season.

By volunteering for a few hours, we were then welcomed to stay in the park for the duration of the day, free of charge. What a great form of recognition. It was a fantastic day that was spent sliding down the many, many slides and floating around at the beach and Boomerang Bay whilst enjoying the sunshine. This was a brilliant opportunity for the youth members to interact with each other away from the surf club and experience another surf lifesaving opportunity.

Umina Rotary Youth Exchange

21st February 2015

Carl organised another brilliant day at Umina Beach for a group of international youth visitors and was very thankful to our club members who assisted him. Rotary were also truly appreciative of our youth members efforts. The international students were shown a great day at the beach and participated in team building activities, were taught how to surf and experienced what it's like to be a lifesaver.

Carl mentioned that his plan has always been to use this event as a personal development avenue for our youth members and to this end he has gradually taken a less active role. He hopes to do this even more so by next year and hope that a few of our youth members are encouraged to 'step up' and take on a leadership role for the event. The role will certainly develop planning skills, co-ordinating and PR skills, and skills which all youth members will use as time goes by, not just in their jobs but also personally and with their involvement in the community and socially.

SLSNSW State Championships

March 2015

How did we create a club and team vibe during the State Championships when weren't all staying together in a caravan park or hotel complex? The answer was a photo wall. Many of our members, especially our youth members snapped photos of themselves and their team mates and posted them to social media. All of these pics were then printed and at the conclusion of each competition day, the younger members would spend time organising the latest photos and displaying them on the club wall. The more photos on the wall, the more of a talking point it became. Members were able to see what each other had achieved during the day or who they may have met and hung out with. Members were proud of each other and passed on their best wishes and congratulations. It became a display of pride, recognition and mateship.

SLSCC 15 - 17 Years Youth Leadership Program

The Youth Leaders Program targets 15-17 year old members who have qualities that can be developed to enhance their future and that of Surf Lifesaving. It is also geared toward creating greater awareness of opportunities for these members. Participants can come from a range of different backgrounds, interests and areas of focus within the club environment.

Umina SLSC were lucky to have multiple participants involved in this program this season. These members were: James Johnson; Angus Rands & Will Bishop. Jess Thomas was one of the facilitators for the program.

These members took part in workshops and presentations for focussed learning, in addition to some physical activities and challenges. They also completed problem solving exercises, faced personal challenges and participated in team based activities; all delivered under the guidance of active leaders from Surf Life Saving and the community.

The 2014/15 season was a great one for the youth of Umina SLSC and they should look forward to more opportunities and activities in the future. Thank you to all members who supported our youth, assisted with events, and helped retain our amazing young volunteers. The pathways in surf lifesaving are extensive and rewarding and I look forward to encouraging our members to explore new opportunities and support them in achieving their goals within the organisation.

Yours in lifesaving,

Shelley Smith Youth Development Officer

BOARD CAPTAIN 2014-15

It has been another busy year for boards at Umina SLSC this year. Thank you to all the nippers and parents who helped with the boards throughout the season.

I was able to purchase four new Kracka nipper boards for next season with the help of sponsors – Club Umina and Ettalong Diggers.

Club Board Sponsorship

With the continuing support from our sponsors we were able to offer board sponsorship to 6 athletes from our club. The sponsors are as follows -

- Amcal Pharmacy sponsored a Racing Mal and a Nipper board
- Club Umina sponsored a Racing Mal and a Nipper board
- East Coast Roofing sponsored a Racing Mal
- Club Umina sponsored a Nipper Board

Sponsored boards back to the club

Five sponsored nipper boards and two sponsored racing mals that were on a three year sponsorship have been returned to the club for future athletes to use for training and competition.

Allocation of boards

Fiberglass nipper boards are allocated to nippers based on height, weight and experience of the child. This was a relatively smooth process this year with the growing number of quality boards the club now has as a result of fundraising and return of club sponsored boards.

Foam nipper boards continued to be transported to carnivals on the club trailer and were allocated by the age managers. Thank you to all parents and club members for your assistance in transporting the boards and ensuring they were all returned to the club.

Board Damage

The notification of board damage was much better this year with nippers and age managers alerting me if and when it happened. This allowed us to get the boards repaired and back to the beach in a timely manner. Thank you to Steve Murphy for helping to get boards repaired this season.

Kind Regards,

Katherine Miller

UNIFORM

With the state titles being held at our home beach this year again and every carnival in between, I was extremely proud to see our nippers, seniors and masters wear our Umina club costumes with pride.

Thanks to Louvreland and Waratah Sports for their sponsorship with our state jacket also all our members helping with fundraising which enabled all our state competitors to receive a jacket. My upmost gratitude goes to Julie Blair who stood up to assist me with this role during the season helping keep everything run smoothly. Also to Karen Murphy and Skye Marshall. Thanks for always being willing to lend a hand at any given time.

Nicole McLeod

Uniform Officer

ROOKIE REPORT

Our Club is fortunate to have so many outstanding young adults involved in our Rookie program.

Collectively they did close to 1,200 patrol hours, an average of 30 hours each. Where else would you find a group of 13 and 14 year olds willing to give up 30 hours to volunteer for community service.

The Rookies got cracking early and arranged a pancake stall on one of our Club's registration days. Not only was it a great success with over \$400 being raised but it was a lot of fun.

The official season started with the raising of the flags at Terrigal in September. Rookies from all clubs on the Central Coast attended this ceremony. It was very pleasing to see that of all the clubs Umina had the greatest representation.

In October all the Central Coast Rookies gathered at North Avoca Surf Club for the 'Halloween' rookie disco. The group looked fantastic in their costumes.

In November 11 of our Rookies attended the Rookie Camp at the Sport and Recreation Centre on Broken Bay. Again Umina had the largest representation and everyone threw themselves into the activities with great enthusiasm.

Despite a very wet Australia Day, 6 of our Rookies helped out at the Central Coast SLS fundraiser 'Ducks for Bucks'. Breaking into 2 teams of 3 they sold their allocated books of raffle tickets in no time at all.

We sent our team of 6 to the Rookie challenge at Terrigal. They achieved an excellent result in finishing 6th and each received a waterproof Surf Rescue jacket for their efforts.

The Rookie program is a great initiative. Our kids get to know kids from other clubs at different events in a relaxed environment rather than bumping into them on the starting line at carnivals.

Finally, congratulations to Hannah Murphy being selected as Rookie of the year.

Our Rookies this season are outstanding role models for the younger members of the Club. They are a credit to their families and will continue to make a positive contribution to surf lifesaving in the future.

Peter Talty

Rookie Co-ordinator

JAC REPORT

Firstly I would like to thank the Nippers and Members for giving me the opportunity to lead our Junior Activities this season. To all of our Age Managers, Age Secretary's, Coaches, Water Safety, Officials and Parents thanks for all of your efforts to support the Surf Club. Without you we would not be able to hit the beach each and every Sunday.

This season we were fortunate to have 2 outstanding Junior Club Captains in Bronte Smith and Alec Radford. Working with these 2 young Nippers made this job of JAC so much easier. Each and every day Bronte and Alec represented Umina Surf Club with the highest regard. The culmination of their hard work and dedication to the Surf Lifesaving movement was when Bronte won Central Coast Junior Lifesaver of the Year.

With the season being so jam packed with events, we saw our Nippers compete and excel in the Newcastle Permanent Iron person Series, Gardner & Kracka Iron person, many ocean swim competitions, Freshwater / Manly Nipper Nats, Wave Warrior.

The Australia Day long weekend saw the annual Umina Surf Camp and once again the efforts of Nicole and Rob McLeod to get this awesome event ready. The 2 days of training with specialist coaches, games, fun and the sleep over at the surf club always ensures this is one of the highlights of the Nippers season.

Lastly farewell to the Under 14's lead by Steve Murphy and Dave Gaffney, thank you for everything you have done for the Surf Club over the past 9 seasons. We hope that we will see you and your young lifesavers on our beautiful Umina Beach.

Thanks

Harold.

“Milo” and “Bailey” Proudly wearing their Club Caps

UNDER 14's

Well our nipper journey is over and after 8 years there are so many people we need to thank, all the water safety and officials, club committees, coaches, various managers, JAC (both Harold and Rob), patrol captains, rookie coordinator (Pete and Rachel), parents, my long suffering wife and most of all the kids. Some of these kids have been involved in nippers since the under 6's and others have joined over the years. It has been a great pleasure to watch them develop from sandcastle building, shell collecting children into respectful young adults who are always willing to listen and can be focused when it comes time to compete.

This season we had kids try carnivals for the first time some loved it others not so much but all were willing to try and step up if needed for a team event. These kids all achieved their Surf Rescue Certificate this year and took on more responsibility whilst on patrol as rookies. All the patrol captains I spoke to had nothing but praise for this group of kids. I think this aspect of nippers can be overlooked with a big focus being on carnivals and medals and I want to congratulate them all for their efforts.

On the carnival side this year we had more kids competing at carnivals than ever before with some outstanding results and many personal bests whether making a final or getting through a round to just not coming last. Everyone gave 100% in all events. At branch we medalled in team swims for the girl's, beach relays for the boys and achieved some great individual results as well with Bradman Best getting gold in the flags and sprint to go undefeated at local carnivals in both events all year. Bradman went one step further to take the gold at state in the sprint as well. The boys relay team of Bradman, William Scott, Darcy Coleman and Cooper Jack also got gold at state to end their nipper campaign on a high. Cooper also made the sprint final which was a great effort. The tough surf conditions at state made water events very difficult but all the kids patiently waited and to their credit had a go and competed. Throughout this year the kids have tried new events like first aid comp, champion lifesaving, 5 person R&R and it will be a great thrill to see them continue to try different aspects of surf lifesaving as the year's progress.

The under 14's showed great club spirit by fundraising with raffles, a disco and movie night, that was enjoyed by all the younger age groups in our club. All this was organised by the kids.

In closing I'd like to thank Dave for all his help over the years he has made this job so easy. Also thanks to the best bunch of 13/14 year olds on the coast. I have had a great time every Sunday and always left the beach with a smile on my face. This age managing thing is easy when the group of children and their parents are so easy to get along with and I just hope their nippers experience has been as much fun as mine and that they learnt a bit along the way.

Thanks and see you at the beach

Steve Murphy

UNDER 13's

We have had another great year with an amazing bunch of children. The season brought on many new challenges for these nippers and each of them took up the challenge and succeeded!

The first challenge was to begin patrols as Rookies as well as a number of club and branch commitments that Rookies undertake. This age group did a wonderful job representing themselves and the club as Rookies and patrolling members.

We have had many nippers already completing their Surf Rescue Certificates (SRC) at the end of the 2014/15 season. This gives them more skills to use when on patrols. Each week we tried to build on our skills with Surf Education and learning how to get out in the ocean as quick as we could to be able to do rescues if the need arises.

We are an extremely successful age group when it comes to competition. These athletes train hard day in and day out. We were represented at all the local carnivals as well as many carnivals outside of the branch. They

were extremely successful bringing back many medals in many different events. It would be difficult to list all the achievements from this age group. I will, however, list the State and Australian medallists -

- Australian Medalists in Pool Rescue were Lachlan Braddish, Kirsten Miller and Lily Perry.
- State Medalists in Pool Rescue were Lachlan Braddish, Lachlan McLeod, Charlie Polson, Kai Darwin, Kirsten Miller, Leilani Healy, and Lily Perry.
- State Medalists in the Surf were Lachlan Braddish, Charlie Polson, Kirsten Miller and Leilani Healey.
- A special mention to Lachlan Braddish who continues to dominate in our age group not only in the Central Coast branch but also in the State. He was selected for the second year running in the Central Coast Inter branch Team. His hard work and dedication to this sport is amazing!

A big thank you to all the people that give up their time to help this age group as well as the club – committee members, club volunteers, water safety, officials, trainers and anyone who helped out throughout the year – thank you!

It has been a pleasure to watch these children grow and develop their surf lifesaving skills this year. We look forward to seeing you all in 2015/2016 season!

Katherine Miller and Kazuyo Polson

UNDER 12'S

What a season – we saw a few new faces this year & it was great to see the new nippers welcomed so well by those that have been around for a while.

We trained well, had good turn outs on a Sunday, competed hard at our 2 championships days & performed well at our local carnivals.

What I have seen this year is more of the children's personality coming out – they are revealing themselves as very determined, courageous young athletes.

We had a great turn out this year at State Titles and we were able to perform well at our home beach in quite testing conditions.

Next year we move onto being Umina SLSC's latest rookies, which I believe this group will take to the challenge with a lot of enthusiasm and dedication.

I would like to thank the wonderful Under 12's for their efforts this year, and for testing themselves with everything that they do.

I would like to thank the parents, coaches, water safety other team managers and everyone behind the scenes. I feel privileged to be part of this incredible volunteer organisation.

Lastly I would like to thank Mollie, our amazing age secretary for her dedication into the development of our wonderful Under 12 nippers.

See you all next season.

Skye

UNDER 11'S

Age Manager: Simon Darwin | Age Secretary: Janet Sloane
Assistants: Jack Waining, Oliver Shepherd, Savannah Peterson

The season started really well with a 99% success rate in completing the swim test. The kids understood the requirements and pushed themselves hard to the markers with some big improvements from last season.

It was great to have a good support team which again included our great young leaders Jack, Oliver and Savannah and also Janet Sloane helping out with age secretary duties. I want to thank all the parents for their help in getting through each Sunday. These guys along with great parent support teamed up with enthusiasm and delivered the “nippers” experience, which helped with the more difficult exercises which included the Cameron Relay and Board Rescue.

The surf sport and surf awareness activities really took on a whole new level this year with some big challenges for the kids. They did not shy away from these challenges and by season end were very capable swimmers and board paddlers.

The 2015 Club Championship (point score) was hotly contested and most of the kids were actively involved in doing their best to achieve a good result for themselves and their teams. In the end the results were very close for the top 4 placed boys and girls. The Carnival style format for the Club Championship was well received.

Parents played a huge part in the process of all Sunday nippers, including Point Score and Carnivals, which were made so much better with their whole hearted support. I wish to thank all the parents who helped us out on the beach, the kids really get a kick out of seeing and knowing that their parents are interested in what they do. This extended to a large number of our parents doing their Bronze course, which is great. It would be good if this could be transferred across to the Carnival Official Courses for 2016.

We had great attendances at the Carnivals around the coast, winning medals at all carnivals from both the boys and girls team events and a couple of individual medals as well. The Branch Carnival saw us pick up a gold medal in the individual swim and also the Cameron Relay, which was an outstanding result.

2015 State Titles was a far better experience than last year. We had really good numbers and competed well individually and in all team events. The conditions were fairly big on a number of days but the team spirit among the kids and the parents was fantastic. A big thanks to all who helped out over state it was a really great weekend.

The confidence and self-belief we see in the kids is fantastic. I look forward to seeing a lot of the kids return for 2015 where we get to try more new things, especially a move onto fibreglass boards!

I would like to thank and acknowledge the great support from Harold Marshall for his fantastic efforts as JAC in what has been a great first season for him. His support and enthusiasm is growing across the team of managers. Also my thanks to the executive, Carnival organisers, uniform girls (Nicole), office staff, the water safety crew who turn out each week, to Andy Wing and the IRB drivers for setting up the cans each Sunday. The training and coaches are also pivotal to getting our kids improving from week to week – well done to those guys who turn out each week for this. Also to the other age managers who make the weekends and training good fun.

This is a fantastic volunteer organisation – mum's and dads who give up their time to help these great kids each weekend throughout summer. I would encourage and welcome more people to get actively involved in what is a great community club where the benefits both in sport and in life experience are very valuable.

Simon Darwin

UNDER 10'S

40 children (19 girls & 21 boys)

Carnivals:

- Great start to the 2014-15 season with a strong contingent competing at the Forster Weekend of Surf.
- Locally, we had around 12 girls & 4 boys competing at each carnival
- 5 competitors in various iron person carnivals including Newcastle Permanent Series, Kracka, Gardner & Bennett carnivals as well as the Catherine Hill Bay Board Challenge & Wave Warriors @ Newport
- 18 competitors at State

Memorable results:

- **Individual:** Finlay- several medals in board races including Gold @ Branch & Shelly Beach, silver @Toowoong Bay & bronze @ Nth Entrance
- Madison- beach sprint medal (silver @ Branch)
- Ebony- medal in board race (silver @Nth Entrance)
- Scarlett- medal in surf race (bronze @Branch)
- Mackenzie-medals in surf races (silver@ Shelly Beach & bronze @ Wave Warriors Newport). State surf race finalist.
- **Boys Teams-** Sprint relay gold medal @ Toowoong Bay (Finlay, Jackson, William, Riley)
- **Girls Teams-** Surf teams, board relay & sprint relay medals at local carnivals & Branch (medallist surf/ board teams included Mackenzie, Scarlett, Ebony, Willow & Ruby over the season, beach relay team Brielle, Ruby, Madison, Aiesha)
- Board Relay team 7th at State (Mackenzie, Ebony & Willow), Sprint Relay team 9th at State (Brielle, Madison, Ruby & Aiesha)

Special mentions:

- For hard work & dedication at training Benjamin Ella & Hannah Rutherford.
- Brian & Sue would like to thank our wonderful U/10s of 2014-15 for all of their hard work & determination to succeed in building their skills throughout the season. Every single child has improved over the season in not only skill but confidence. You should all be very proud! Looking forward to seeing you all back for 2015-16 season for our next challenges as U/11s....fibreglass boards, longer swims & more team events!
- We would also like to thank everyone involved in volunteering their time at Umina Surf Club so that the children can get out there safely to enjoy the ocean. Many thanks to all the coaches, water safety, officials, sponsors for their support & club executive for their countless hours & tireless efforts and special thanks to the parents for bringing their children to nippers on Sundays, carnivals & training.

Brian & Sue

UNDER 9'S

The season finished with a bang. We had record numbers attend this year's State Titles. Once again the conditions were testing and all of the under 9 Nippers competed and gave it their all. For the second year in row our superstar Davara Marshall came away with a Bronze Medal in the Surf Race.

Big swims, lots of board paddling and even more fun was norm each Sunday morning at Umina SLSC. The Nippers have progressed well beyond our wildest imaginations. The effort that each Nipper put in each week to push themselves to improve on previous weeks was amazing. A big big thank you to all of the coaches and water safety that encourage these wonderful children each week. Your positive influences and encouragement really do help the kids no end.

Looking forward to seeing you all on the beach next season.

Harold, Alli and Madds,

UNDER 8'S

What a privilege it was to age manage this fantastic group of kids this year. Special mention must go to Alan Jephtha and his team of parent helpers for the ground work they did in the 6's and 7's. This age group were in the water a lot in these first two years, which really showed when asked on the first day of nippers to complete a proficiency swim.

Every child managed to complete the swim, with almost all of them confidently entering the water. This groundwork made a big difference as they started to learn more surf skills and have more time in deeper water this year.

A key part of their Sunday morning sessions was the swim. By the end of the season, all the children showed a huge improvement in their ocean swimming round a short cans course, with many actively free styling and getting their head down as they swam. There were several of the nippers who also attended the Thursday night training at the PLC and have gone on to take part in the Junior swim fit designed especially for nipper kids. Hopefully, we will gain some great results next year in our swim teams and in our Sunday sessions.

The kids also learned some new skills in flags and sprint work, with some great results on the beach this year. They also spent some time on boards, learning the basic paddling techniques. They showed some impressive board skills at the surf fun day, racing against older kids in the swim and the board as part of some composite team events.

They also learnt the basics of Surf Education – how to be safe on the beach, rips and where to swim, basic signals, environmental concerns and what to do if you need help.

In competition, this age group was very successful, with both the boys and the girls gaining medals for team events at every carnival they competed at over the season, with a few individuals picking up medals as well.

It was great to be able to field several teams, with every carnival competitor a keen team player and all of them willing to swap places in teams to share it around.

They were also happy to help out other age groups and other clubs to give kids a run in a team. They showed great team spirit, celebrated each other's successes and some really solid friendships were born from these carnival days.

Special thanks to Diona for her hard work as age secretary and to our helpers Sydney, Michael and Jasmine who were fantastic at coaching the kids and showing them some essential skills.

Thank you also to all the parents who really helped both on Sundays and at carnivals. Many parents took on some coaching roles on Sundays and helped run groups as we divided them up into activities, the aim being to keep them busy and active for the whole session.

Thank you also to the parents who became officials and helped at carnivals, which was greatly appreciated.

And finally, the mighty Under 8's. It was an absolute pleasure to work with the kids in this age group. Many show real potential in competition and all were keen to learn and enthusiastic on Sundays. I am certain that they will all enjoy the next year when they get to paddle boards and swim a full can course.

Jenni Darwin

UNDER 7's

I had the best season with some awesome kids and families.

This season we looked at water safety and always making sure we swim between the red and yellow flags. We talked about the surf conditions on the day and also if we were to get into trouble, to always put your hand up for a lifesaver to come and help.

Some fun activities we played were water flags, wade, running races, joined in other age groups and we also started to do mini 'big' nippers (this was great fun).

First I would like to say a huge thank you to all the parents who came, brought their children and helped every week. It made it so much easier with all your help. I would also like to say thank you Gary Wilson and Lisa and Stephen Funnell for coming down every weekend to help out even if I wasn't there. One more thankyou to my secretary, Tim Leggett who played a big part in making my job a lot easier.

I would like to say a big thankyou to the Club Executives for all their help throughout the season with events and for helping me come up with new ideas and games to play with the children.

The U7's have taught me so much throughout the season and I loved seeing the children grow in confidence each week! I have met some wonderful children but also some wonderful parents too! I can't wait for next season to come round and do it all over again! See you all on the beach soon!

Many Thanks

Rachel Funnell (Scott)

UNDER 6's

Another large contingent of Under 6s hit the beach at Umina each Sunday morning. Throughout the year we learnt a number of skills that will assist us when we come to the beach. This group of Under 6's is one of the most willing groups I have looked after. They were all prepared to give all the activities a try and always did it with a smile on their face. (Well almost always!!!).

A huge thank you to Viki Dickinson who was roped into the role as Age Secretary. She did a fantastic job with the kids throughout the year and we would not have been able to run Nippers every Sunday without her. Also thank you to all our Parent helpers throughout the season. You allow us to do a lot more activities and enabled the kids to get the most out of their Nipper experience.

I hope all the kids enjoyed the season as much as I did. I look forward to seeing you all on the beach again next season.

Rob McLeod

REPRESENTATIVE ACHIEVEMENTS SURF LIFESAVING

Congratulations to **Jemma Smith** on her selection into the High Performance Camp. This camp is open to Ski, Board and Swim athletes from U15 to Opens and was held in October 2014 at the elite Surfing Australia High Performance Centre at Casuarina.

CENTRAL COAST TRANS-TASMAN TEAM MEMBER
SLSNSW HIGH PERFORMANCE POOL RESCUE CLINIC ATTENDEE
SELECTED IN NSW AND AUSTRALIAN - U16 ROYAL LIFE SAVING TEAMS
SELECTED IN SPRINT KAYAKING NATIONAL TALENT SQUAD

CENTRAL COAST INTERBRANCH TEAM

In Team news we had 5 athletes selected for the 2014-15 SLSCC Inter branch Representative Team who competed at the 2014 Inter Branch Titles team held at Catherine Hill Bay on 13-14 December 2014. The Team were: Jemma Smith, Claire Gaffney, Mimi Henderson, Harry Braddish and Lachlan Braddish.

UMINA SLSC LIFESAVERS TRIUMPHANT AT COOLANGATTA GOLD

The Coolangatta Gold is one of the premier events in the sport of Ironman (surf lifesaving). The event is organised by Surf Life Saving Australia and is held on the Gold Coast every year in November.

Umina had a four person mixed relay team named "Team Stingray" made up of Rick Boylan, Gary Wilson, Christine Bishop & Dave Bishop. Each member had a section of the race to complete a total distance of 32.4 km. The team placed 1st overall in the Master's Mixed Team Relay in a time of 4 hours 58 min.

Umina's individual competitor was Mick Magurren and he had to complete each leg of the course, the 2 run legs were soft sand to the finish. Mick had set a gruelling pace and he placed Second overall in the 30-39 year age category in a time of 3 hours and 57 mins.

The five lifesavers had trained every week during the winter months either at the beach or in the pool. As time got closer to the event they trained daily.

LEG DISTANCE LOCATION

Ski 14.6km Coolangatta to Miami Rick Boylan

Run 2.1km Miami to Burleigh Dave Bishop

Swim 2.5km Burleigh to Burleigh Gary Wilson

Board 6.1km Burleigh to Currumbin (south side of Currumbin Rock) Christine Bishop

Run 7.1km Currumbin to Coolangatta Gary

KRACKA JUNIOR IRONPERSON

Seven Umina SLSC competitors competed at the annual “Kracka Junior Iron person” on Sunday 9th November held at Blacksmiths Beach. (Swansea Belmont SLSC). The conditions were perfect with small surf but the course was long and had to be completed twice for most age groups.

Lachlan Braddish (U13 boys) won the event for the 5th year in a row with another great win.
Mimi Henderson (U15 girls), first time competing at the Iron person won convincingly in her age group.

Other results;

U13 Female	LEILANI HEALEY 7TH
U15 Female	SYDNEY HEALEY 5TH
U10 Male	FINLAY HEALEY 5TH
U10 Male	JACKSON RYAN 13TH
U10 Female	MACKENZIE PERRY 6TH

Jackson Ryan won the lucky door prize of a new Kracka Nipper Board.

GARDNER IRONPERSON

The carnival was held on 3rd January at Wamberal, the conditions were ideal. Umina SLSC had 12 competitors all achieving some fantastic results. Thanks to Richard Braddish for providing the Club tent as it was a very hot day.
