<b>Summary</b>	To provide clubs with information regarding SLSCC Age Manager Courses for the 2013-14 season.
----------------	---

Surf Life Saving Central Coast (SLSCC) is pleased to be able to provide Age Managers Courses again for the 2013-14 season. These courses are designed to educate and enlighten participants on the roles and responsibilities Age Managers have within their respective clubs.

Surf Life Saving NSW has now recommended that this course become compulsory for all Age Managers as of the 2013-14 season therefore SLSCC strongly encourages clubs to have all their Age Managers and interested members complete this very valuable, informational and educational course. SLSCC also recommends that all members who gained this award prior to 2010 now renew their qualification.

SLSCC members will have two (2) options to complete the Age Manager Course by selecting either the online option or the face to face option which will be held at SLSCCHQ on the dates listed below. To ensure a comfortable learning environment there will be a limit of 30 people for each of the face to face courses and members interesting in attending will need to register their attendance by sending their RSVP by the closing date to Mel Ives at [office@slscc.com.au](mailto:office@slscc.com.au)
