Scrutineering in NSW – Discussion Paper

The Director of Surf Sports advised that feedback was sought from each Branch as to their thoughts on several recommendations within the scrutineering in NSW discussion paper. Comprehensive discussion was held on the discussion paper and the Director of Surf Sports noted that having regard to the discussions to date with all Branch Directors of Surf Sports, consultation with Mr. Paul Schott SLSA head Scrutineer for SLSA, the following recommendation was tabled.

Resolved

- 1) That all new craft that previously required scrutineering in NSW will from 1 January 2014, not be required to be scrutineered provided that the craft, including, all racing boards, skis, boats, reels and tubes provided that they carry the SLSA specified manufactures sticker and that the sticker is clearly defined to include month and year of manufacture.
- 2) All SLSA competition craft that are older than 12 months from manufacture, is required to be scrutineered and MUST carry a scrutineering sticker. The purpose for this procedure is to ensure that all craft are safe and are fit for competition.
- 3) Prior to 31 October 2014, craft can carry either the current red or black scrutineering sticker. **From 1 November 2014, all competition craft 12 months old must carry a current black scrutineering sticker.**
- 4) ALL craft regardless of the date of manufacture that make a NSW state final MUST be Scrutineered. There are no exceptions.
- 5) ANY craft that are found to carry any defect, or do not meet the manufacturer's specifications, should be reported to the NSW Surf Sports adviser, Mr Richie Lytham who will log and report such defects to SLSA.
