### **Surf Life Saving Central Coast**

Surf Life Saving Central Coast (SLSCC) is responsible for the overall management, promotion and growth of surf life saving on the Central Coast. With fifteen (15) clubs, and over seventy five (75) years of tradition and achievements, SLSCC enjoys its position as one of Australia's most successful, dynamic and celebrated Branches.

To keep Central Coast beaches safe, surf lifesavers patrol beaches from September to April, from The Lakes in the North to Umina in the South.

It is thanks to the timeless efforts and dedication of the army of red and yellow volunteers that Central Coast beaches are amongst the safest in the world.

### **SeaFM Radio Supports Local Communities**

SeaFM aims to support our local communities through local community partnerships.

We are a proud supporter of Surf Life Saving Central Coast and their local community programs, and support a number of fundraising events and community initiatives, such as the provision of rescue equipment to help our surf lifesavers at local beaches, which has resulted in saving lives.

SeaFM is the Major Sponsor of the Surf Life Saving Central Coast Charity Golf Day, helping raise funds to support the important programs of Youth Awareness and Surf Education provided by SLSCC.

We hope you can join SeaFM and Surf Life Saving Central Coast at the superb Shelly Beach Golf Club! You will be in for a golfing treat, and personally help support Surf Life Saving Central Coast and your local communities.

Don't miss out – Look forward to seeing you there!
