

# ANNUAL REPORT

SEASON 2016-2017

*Umina SLSC..... 57th Edition*

### 57th ANNUAL GENERAL MEETING

Notice is hereby given that the 57th Annual General Meeting of members of Umina Surf Life Saving Club Inc. will be held at Umina Surf Life Saving Club House, 509 Ocean Beach Rd, Umina Beach on **Sunday 25<sup>th</sup> June 2017** at 2:30pm.

#### BUSINESS

1. To confirm the Minutes of the previous Annual General Meeting.
2. To deal with any business arising out of such Minutes.
3. To deal with any relevant correspondence.
4. To receive and adopt the Annual Report and Financial Statement.
5. To deal with any Motions of which due notice has been given.
6. To Elect The Directors of the Club for the 2017-2018 Season.
7. General Business of an Urgent Nature.

Please Note: The Chairman has the right to vary the order of the meeting.

**Only current Financial Members are entitled to vote at the Annual General Meeting and Fees are now due and payable prior to the meeting. New members are not entitled to vote at the AGM but can attend meeting. Renewal of Membership will take place from 12:30pm to 2pm.**

Information and nomination forms can be downloaded from the Web site: [www.uminaslsc.org.au](http://www.uminaslsc.org.au) or by contacting the Secretary at [admin@uminaslsc.org.au](mailto:admin@uminaslsc.org.au).

Written nominations must be received by the Secretary or club office at [admin@uminaslsc.org.au](mailto:admin@uminaslsc.org.au) on or before **11<sup>th</sup> June, 2017**.

Jan Harding- Director of Administration.

## **Office Bearers 2016-2017**

President-Executive	Paul Sharpe
Vice President-Executive	Steve Funnell
Director of Lifesaving-Executive	Jess Thomas
Director of Finance-Executive	Wendy Cook
Director of Administration-Executive	Jan Harding
Deputy Director of Lifesaving	Steven Thomas

Coaching Co Ordinator	
Swim Coach	Wendy Cook
Beach Coach	Julie Jowett
R & R Coach-Juniors	Rachel Scott
R & R Coach- Seniors	
March Past Coach-Juniors	Harold Marshall
March Past Coach- Seniors	
Duke of Edinburgh	Tom Magurren & Ashlee Dean
Youth Development Officer	
Rookie Co Ordinator	Peter Talty
Member Protection Officer	Christine Lavers

<b>JUNIOR ACTIVITIES CO ORDINATOR UNDER 6 TO UNDER 14</b>	Harold Marshall
<b>TEAM MANAGERS</b>	
Masters	Rick Boylan
Masters Secretary	Christine Bishop
U15 To Open	Brett Harrod
U15 To Open Secretary	Kerry Armstrong- Smith
U14 Team Manager	Skye Marshall
U14 Secretary	Mollie Murphy
U13 Team Manager	Simon Darwin
U13 Secretary	Lisa Jack
U12 Team Manager	Simon Mowbray
U12 Secretary	John Rutherford
U11 Team Manager	Harold Marshall
U11 Secretary	Allison Hoyland
U10 Team Manager	Jenni Darwin
U10 Secretary	Diona Kearney
U9 Team Manager	Rachel Scott
U9 Secretary	Steve Funnell
U8 Team Manager	Steven Scahill
U8 Secretary	Viki Dickinson
U7 Team Manager	Tim Leggett
U7 Secretary	-----
U6 Team Manager	Mick Magurren
U6 Secretary	Rob Mcleod
Under 14 Club Captains	Emma Talty & Jaden Beard
Photographer	Maddison Mcleod
Honorary Legal Advisor	Tonkin Drysdale & Associates
Honorary Auditors	Harmer Cassin Services
Patron	Lance Clarke

## **Life Members**

Graham Armstrong	Gordon Ferguson	Jim Murphy (Dec.)
Kerry Armstrong Smith	Greg (Kelly) Glew	Eric Murphy
Audrey Brown	Jan Harding	Barry Nicholas (Dec.)
Dennis Coffey (Dec.)	Phillip Harding	Ken Nowland (Dec.)
Mick Coffey (Dec.)	Brett Harrod	Brian Pickering
Alan Cook	Kevin Healey	John Sharpe O.A.M
Wendy Cook	Robert Langford	John Slattery
William (Bill) Cook	Christine Lavers	Wilfred Ward (Dec.)
Daniel Cunningham	Gary Matthews	Andrew Wing
Gordon Dickson	Alan McDougall	Carl Krucler
Tom Faulkner	Peter Morgan	Garry Mensforth

## **New Life Members-**

The Annual General Meeting not only gives us an opportunity to reflect on the year that was, it gives Umina SLSC the chance to recognise some of the hard work that our volunteers have done over the years.

On Behalf of Umina SLSC Executive, Management & Members, thankyou & congratulations to our new life members Carl Krucler & Garry Mensforth.

---

## **Carl Krucler**

Carl joined our club 38 years ago in 1978 gaining his Bronze Medallion on 15/11/78, he went on patrol for a consecutive 6 years until 1984 then again from 1986-88. During this period he was also a very active member with the Boat Area including being a member of the Boat Committee at the time.

Carl returned to the club with his young family in 1999 and has served with exceptional service for the past 16 years. As well as being a vigilant community minded patrolling member for the past 16 years his participation within other areas of the club has been significant.

## **Garry Mensforth**

Garry joined Umina SLSC 41 years ago as a Cadet member receiving his Bronze Medallion in November 1975. He consistently patrolled until he left the area in 1979 to pursue a career in the financial sector and returned to the Peninsula and our club in 1996 season also bringing his wife Debbie & children Chris & Jessica as members.

From 1996 to present day Garry has contributed to our club at every possible level, he has also contributed to Surf Life Saving at all levels of the association including Central Coast Branch, Surf Life Saving NSW & Surf Life Saving Australia.

Throughout his time, his influence in the promotion of our club, our members and our ideals have been prominent and in no small way has Garry put Umina on the Surf Life Saving Stage.

## **President | Paul Sharpe**

In our current society where time is our most valuable commodity and where weeks and months rapidly pass by the preparation of our annual report affords us the opportunity to reflect back on the season that was.

The season 2016/17 was another small chapter in our long and proud history of 58 seasons of patrolling the beautiful Broken Bay and providing a service to the community in many different ways. Our surf club as it operates today is a very diverse organisation with a diverse membership carrying out a diversity of functions. This report encapsulates the achievements of our members and provides a record for the present and the future of another successful season in our club's history.

### **Life Saving**

The sight of our members dressed in their red and yellow uniforms patrolling our beach provides great comfort to the bathing public who feel safe in the knowledge there are skilled and qualified people to assist them should they get into difficulties whilst at the beach.

The club's record of 58 seasons of no lives lost whilst patrolling the beach continues to stand and is a true testament to our patrolling members who were tested to the maximum at times throughout the season when we had large crowds and difficult surf conditions. Thank you to all our patrolling members.

Our patrol numbers were strong and despite a number of our experienced Patrol Captains stepping down at the end of last season we were very grateful to members prepared to step into this pivotal role. Once again, our Patrol Captains' provided great leadership skills on the beach and were also a great support to our Director of Life Saving.

Jessica has spent countless hours and done a wonderful job in her management of the patrols and all ancillary activities ensuring our patrols ran efficiently.

Sadly, Jessica has decided not to continue in this role and we thank her for her dedication over the last two seasons but I am sure she will be around to assist where required.

---

## **Education**

Without well trained lifesavers our patrols would not be equipped to carry out their essential functions. The ongoing training for the SRC, Bronze Medallion and higher awards has virtually become a 12-month activity. In order to have strong patrols it is essential that we have well trained lifesavers. Our education team headed up by our Chief Instructor Natasha Swain under the guidance of Bob Powell has once again done outstanding job in training members for their SRC, Bronze Medallion and higher awards. Apart from the countless hours spent by our team of instructors on these awards they also run member proficiency tests, undergo their own ongoing training and carry out assessing duties. Our club is very fortunate to have such a dedicated team and their quality of training is not only highly regarded at our club but also within Surf Lifesaving Central Coast. Well done to Natasha, Bob and their team.

To all our new Bronze Medallion and other award recipients' congratulations and I hope that you continue to be actively involved in the club.

## **Surf Sports**

Competition and training activities continue to be a major focus for many members and it is pleasing to see members participating in all disciplines of competition and training.

The 2016/17 season has seen our competitor numbers spread over a broader range of activities with more members participating in all surf sports events, the U/15-Open section and Masters Section. It's also appropriate in this report that I acknowledge the great work of our Surf Sports team which is headed up by Brett Harrod and it's a credit to him, Head Coach Trevor Gee and all the other coaches and supporters who are there not only to coach, but also mentor and encourage all our competitors from Masters to Nippers. The area continues to grow from strength to strength.

### **Highlights this season:**

- Winning the Open and Youth NSW pool championship point score.
  - Having Garry Mensforth represent as Manager Open Australian team at world titles in Amsterdam.
  - Having two athletes selected in the Australian Youth Team. Jemma Smith Capt. Rachael Wood
-

- Having a small team compete at the World Championships with success.
- Watching the Umina athletes on TV in the Summer of Surf Series.
- Jemma Smith efforts in the Nutri Grain series and all the supporters that travelled down to support.
- The efforts of all competitors at the NSW State Titles at Swansea Belmont in trying conditions
- The Under 19 Women's Taplin that completed a first by winning their age then returning to the line for the Blue-ribbon event of the Championship the Open Women's Taplin and digging deep to be victorious in this event against a strong Newport team.
- The performance of Lachlan Braddish at Australian Titles winning the swim, Ironman and part of the all-conquering surf team with Lachlan Mcleod, Brock Ray and Blake Hessel.
- A first for the club all youth and senior competitors that competed at the Australian Titles made Australian finals.
- All the masters that competed at all carnivals this season at local carnivals branch, State and Australian

Congratulations to all competitors who have represented the club through what seems to have been a long competition season, starting with the NSW Pool Rescue Event in July, Coolangatta Gold October and culminating with the Australian Titles in April. At all carnivals and championships our competitors performed to the highest standard.

Special thanks must go to our dedicated Officials and our IRB team as without these members our competitive members could not compete.

### Junior Activities (Nippers)

The club's Junior Activities section was once again one of the largest in the Central Coast Branch. The logistical responsibilities of running Sunday morning Nipper events and other Nipper activities is a huge task. We have been fortunate to have had Harold Marshall in the role of Junior Chairman for the season and who has very capably managed this responsibility. Harold has been well supported by all junior age managers and age secretaries they have ensured our Nipper members have had a successful and enjoyable season.

---

The ethos that we as a club are made up of members from 5 years of age to our oldest members in their late 70's is very strong and the cohesion that we are one club has now become well entrenched as we focus on ensuring our young members have a clear pathway through the club.

### **Youth Development.**

The progression of members from juniors and rookies into the senior ranks of the club has been a key initiative that Rookie Coordinator Peter Talty has been concentrating on over the last season. The involvement of our youth in training for awards, improving their surf skills, being involved in competition and other club activities has been part of the plan that Peter has looked to implement. It is an ongoing task and requires involvement from all sections of the club.

Thanks to Peter's efforts we are fortunate progress has been made over the last season in working on youth retention through involvement.

### **Administration**

In an age of complexity and ever-increasing administration the role of Director of Administration is ever time consuming.

Jan Harding continues to set a high benchmark with the assistance of Christine Lavers and it is comforting to know as a club we have people who is well abreast of our governance needs and that member information and records are up to date and readily available. In addition, they continue to answer numerous member questions.

We are also very fortunate to have Jane Ritson in the office administration role. She is a great support to members and the committee as she attends to her tasks with the minimum of fuss and goes above and beyond what she is expected to do.

### **Finance**

Another significant task for a club of our size is the financial management which has been well looked after by Wendy Cook our Club Treasurer and we thank you for your dedication to get all of the finances back to governance standards which was a huge task. Wendy has provided the club with monthly financial reporting and budgets to assist the committee in making ongoing decisions. The club has posted a small profit for the year, the club has maintained its sound financial position which is fully detailed in the Treasurer's Report.

---

## **Sponsorship**

The ability of our club to maintain services on the beach is dependent upon the generous support from our club sponsors. We have once again been very fortunate with Ettalong Diggers, Club Umina, Merrylands RSL Club, East Coast Roofing and Fortunity Chartered Accountants, have continued as major sponsors of the club. We would also like to thank Homebrook Pty Ltd, Campbell's Home Hardware, Lance Clarke Amcal Chemist Woy Woy, Louvre land Blinds and Shutters and Bendigo Bank Ettalong for their significant sponsorships along with all other club sponsors who are detailed in the financial and sponsorship sections of this report. The responsibility of sourcing and managing our sponsors was undertaken by Bill and Wendy Cook who has done a great job in continuing to build the relationship with our sponsors and looked at many new sponsorship alternatives.

## **Member Services**

Club members once again assisted in the organisation and running of numerous club events and activities including the following:

The Junior Branch Championships were once again major event for the club and were well supported. Thanks go to John Sharpe, Robert Macleod, Steve Murphy and their work parties for the efforts in ensuring these events were a great success.

The Fundraiser Night for our Australian Representatives was a great event with monies raised going towards assisting our members on all Representative teams throughout the season. A huge thanks go to Nicole Mcleod, Skye Marshall, Karen Murphy and all the members that attended that night.

The Club Golf Day was held in January at Gosford Golf Club to raise funds for the touring team uniforms for the season. Bill Cook and Robert Mcleod, Tom Magurren, Brett Harrod and John Sharpe did a wonderful job in organising what was an enjoyable day for members, guests and sponsors.

Surf Camp was held in January with 100 nippers in attendance fine tuning their skills under the close eye of our club coaches. This camp has become an important part of the junior development as the results in all carnivals shows the benefits. Thanks Allison Hoyland for taking this great event on this season and all coaches that make this an enjoyable day.

Rotary Youth Exchange was held for the sixth year with youth from around the world attending our beach, this program allows our youth to interact with different nationalities and cultures that our young people can use later in life. I would like to

---

thank Jessica Thomas and all our young people that attended and made this event so special for our visitors.

### **Concluding Comments**

On concluding I would like to congratulate Stuart Harvey on the work he has done this season as President of the Surf Lifesaving Central Coast and I would also like to thank him, the Branch Executive and Chris Parker and his staff for the support they have provided to our club.

Thanks to Mr David Murray and the Executive Team at Surf Lifesaving NSW.

It is also important to recognise the contribution of Central Coast Council in assisting the club with events and facility maintenance.

To my wife Megan thank you very much for your involvement, your understanding, patience and support over the last twelve months.

As we look forward I can assure you there are many plans and many ideas on the future direction of our club to ensure we remain relevant, that our beach environment is protected and our clubhouse benefits both members and the local community.

To all members thank you for your support over the season of 2016/17.

Yours in Surf Lifesaving- Paul Sharpe

## **Vice President | Steve Funnell**

Firstly I would like to thank everyone on the Executive Committee for their help and ongoing support through my first season as Vice President.

As the club continues to grow and goes from strength to strength, this would not be possible without the help of our dedicated volunteers who are the backbone of our club.

The nippers, opens and masters competitors who competed at carnivals, branch, state, Aussies and worlds have represented the club with distinction and have left lasting impressions with sportsmanship and friendships.

The next 12 months will be challenging as well as exciting as we continue to grow and implement our new constitution.

A huge thank you to our sponsors as we wouldn't be able to patrol the beaches and continue our lifesaving programs without your ongoing support.

I am looking forward to another successful 2017/18.

Steve Funnell

Umina SLSC Vice President

## **Director of Administration | Jan Harding**

It is with great please that I submit my report for this year. We have again grown in strength and seen our club compete well at all levels including World Titles.

The family orientation of the Club has been evident again this year with all members in the family contributing to the running and development of the club. It is a pleasure to see this happening and over a 30 year span. Parents that were nippers are now bringing their children to the surf club.

Our success at competition has continued to flourish and more achievements being made by more competitors. We saw a great representation at our Junior and Senior Presentations of achievements for the Season.

No matter how small a part you play whether it is competition, patrols, water safety, officiating, being a team manager holding a position or just helping out. You all play an integral part in the running and success of the surf Club.

To the members of the Executive, Paul, Wendy Steve and Jess my thanks for your support this year. My thanks must also go to Chris Lavers who is always there as a friend and is always willing to lend a hand. To Jane in the office my thanks for your admin support, to my emails and phone calls when sometimes things have to be done in a hurry, it is always done with friendly and cheerful disposition.

My thanks to Phil, he is there as my back up, and his continued support allows me to continue to do what I do for the surf Club along with our continued joint role as competition officers.

We continue to look forward as a club and with that comes the new constitution, a mammoth amount of work went into this and thanks to Brett and Rob for their dedication in bringing this document together to start a new phase in the history of Umina Surf Club. I have seen a lot of changes in the last 30 years, but as a club we are growing in strength and values which will continue to reap the rewards and see Umina as a progressive, family orientated and successful Club.

This year also saw Arthur Pearce join our Club as our Chaplain and he has become an integral member for our club and has seen him do the blessing of our new boat and attendance at our Senior Presentation and our club meetings. – Jan Harding

## **Director of Lifesaving | Jess Thomas**

Wow, the 2016/17 has finally come to an end and hasn't it been fantastic!

Firstly, I would like to thank every single patrolling member of Umina for helping keep our beach safe this season. Below are some statistics that show the high standards of lifesaving at Umina. These statistics are put into surf guard every week from the patrol log book that we should be completing every patrol.

- Approx. 150,000 Visitors
- 132 Rescues
- 95 First aids
- Lost children
- 3920 Preventions

Once again, our patrol captains have done an amazing job showing professionalism and also a quick response to any incidences that have occurred. They have all welcomed new award holders onto their patrols with open arms and this is greatly appreciated.

Huge thanks must go out to our call out team this season. Their reaction time and alertness means that we have a quick response to any incidences that occur. This season we had received many positive comments from not only the duty officers but also the Director of Lifesaving for SLSCC. This again shows the professionalism of Umina Bronze and award holders.

As technology is improving Surf Lifesaving is also coming up with ways to make our lives a lot easier on the beach and ultimately preventing us from spending unnecessary time speaking to Surfcom, which has been an issue in the past. An initiative that has been introduced last season is the Patrol App. This app can now be downloaded on a phone or tablet and is used in the same way that the patrol logs have been used. They can sign you and the patrol on, can record rescues and pinpoint the exact location of flags with only a touch of a button. I know this season a couple of patrols have used this app and hopefully by next season all patrol captains will be using this app.

The high standard of bronze and award holders is thanks to our amazing trainers and assessors. Thanks to Pam and Jarryd for training the SRC's and preparing them for their

---

final exam. These young lifesavers all passed with flying colours, this was also one of the biggest groups that has come through in many years! A massive thank you should also go out to Natasha Swain, Bob Powell and his awesome group of trainers. The bronze holders they have trained this season have all been knowledgeable, enthusiastic and ready to learn even more on their patrols.

Congratulations should also go out to the 2016/17 Patrol Persons of the Year Richard and Jacqui Knight. Both Rich and Jacqui have given 110% to their patrol, acting as mentors to both the rookies and fellow patrolling members. They are both well deserving patrollers who have experience in many emergency situations that react in a calm and collected manner. Another big congratulation should go to Patrol 15, this patrol has many experienced members whom are approachable and happy to help in any situation. They have a range of skills on patrol and also have a large number of them reaching 100% attendance.

I would like to say a huge thank you to the executive. Everyone on this team has one goal and it is to keep Umina running at the highest standard. The ongoing behind the scenes work that they have done over many seasons helps up keep that goal! Lastly, I would like to say a huge thankyou to the Deputy Director of Lifesaving Steve Thomas. I have had many work and study commitments this season that had made it difficult to always be on the beach, Steve was always there to lend a hand whenever I needed it and it is greatly appreciated!

Once again thanks for a fantastic season and see you on the beach! Jess Thomas

## **National Rescue of the Month | Graeme Carroll & Jenni Darwin**

On 2<sup>nd</sup> September 2016 Jenni Darwin and Graeme Carroll went to the assistance of a young family whose child wasn't breathing and needed urgent attention. Jenni & Graeme were both in the area at the time and using their combined CPR skills learnt as lifesavers which enabled them to save this child's life.

Both Jenni and Graeme were recognised for their efforts and received National Rescue of the Month late last year and most recently at Surf Life Saving Central Coast Awards of Excellence received an Award for National Rescue of the Year.

## **Director of Finance Wendy Cook**

Umina Surf Life Saving Club Inc. financials for the year have been audited by registered auditors Fortunity Pty Ltd.

Our club is in a sound financial situation with us continually assessing and updating procedures for the growth within our club. With the correct management and continuing development, the financial stability of the surf club should be sound for many years to come.

The Club has financial assistance programs implemented that have seen the club continue to strengthen and grow. These included an Equipment Sponsorship, part of our Lease agreement with the Umina Beach Cafe is to provide our Patrolling members lunch throughout the season. This sponsorship was approx. \$9,500.00 this year. Also, to accommodate for the growth within our club ongoing Grants are continually being applied for to assist in the club expansion.

Umina Surf Club would like to once again thank all our loyal sponsors and supporters for their ongoing support this year, without their support the running of our Surf Club including the purchase of new equipment for our members would not be possible.

Our major sponsors for this year were Ettalong Diggers Club, Club Umina, Merrylands RSL, Lance Clarke Amcal Chemist, Woy Woy Rotary, Homebrook Pty Ltd, East Coast Roofing, Blue Steel Lysaght, Bendigo Bank – Ettalong, Knight Mapleton Design Partners, Umina Beach Café, Central Coast Surf Life Saving, New South Wales Surf Life Saving and Central Coast Council. We would also like to thank the many loyal local businesses and individuals that have also supported us throughout the year.

With the support from our sponsors this year the club has continued to subsidize memberships, and further advanced training of existing and new members. The club was able to purchase a new Surf Boat this year due to a generous sponsorship from Ettalong Diggers, we were also able to update Life Saving Equipment and competition equipment incl., Motors, Rescue Boards, nipper boards, competition mals and skis.

Our Hall Hire bookings have been steady. Umina Surf Club also provides its Surf Club Hall to other community / sporting organisations at varying discounted rates. The

income from the Hall Hire and the Kiosk continues to provide a steady income towards the increasing running costs / maintenance of the Surf Club.

Next year will see a change in how Umina Surf Club is run with the implementation of our new constitution and organizational chart moving from an executive of 5 including the President to a Board of Directors of 8 plus The President.

I would like to thank everyone for their support during the year in particular Umina Surf Clubs Office Administrator Jane Ritson who is forever understanding.

Wendy Cook

Treasurer

### Our Sponsors

Without support from local business and other organisations and individuals, we would not be able to survive. Please support and recognise our sponsors as they support us.

**We are a Level 3 Good Sports Club.**

## **Chief Training Officer | Natasha Swain**

Being part of a team is a wonderful thing. There are so many different teams working together and operating under the 'Umina Beach' banner, and I find that this cultivates an amazingly positive and encouraging atmosphere. I have been so privileged to be a member of the Umina Education Team for a few seasons now and Chief Training Officer for the first half of this 2016/17 season and I could not have enjoyed my time more. Every training group that I have been involved with over the years has been full of enthusiastic, inspiring, and just all-round friendly people that made all those early mornings and not-so-sunny days so much easier. This season has been no different.

To everyone that achieved their Bronze medallion, ART, or Surf Rescue Certificate this season; a huge congratulation and you should all be so proud of yourselves for this momentous achievement. It is certainly no small feat to put your hand up for the weeks of training but I'm sure you will agree that all that hard work was worth it in the end. I truly hope you all enjoy your time on patrol. Also, massive congratulations to all those who achieved further awards in all other disciplines, including IRB, First Aid, Lifesaving, and Training and Assessment.

I want to take this opportunity to thank everyone that I have worked with during my time at Umina. I could not have asked for a better team of trainers and assessors, so an enormous thank you to Kevin Armstrong, Pam Edmonds, Jarryd Edmonds, James Irwin, Lyndi Leggett, Stephen Reid, and my amazing mum Vicki-lynn Swain. It has been an absolute pleasure working with you all. Thank you to Jess Thomas and Steve Thomas for all your help and advice which made it so much easier to settle into my role. Thank you to Mo and his wonderful water safety team who made our training possible. And finally, the biggest thanks of all to Jane Ritson and Bob Powell. Jane, for having the patience of a saint to put up with all my silly questions and for all of the hard work you put in to everything you do – you are amazing! And Bob, for being a better mentor than I ever could have asked for and for having so much confidence in me. Thank you.

Unfortunately, I was unable to complete the season with Umina this year as I moved to Narrabri in early January for work, but nothing could keep me away from the beach forever and I cannot wait to get back there and be part of the team again.

Natasha Swain

## Masters Report | Rick Boylan

We had two teams make the trip up to the Gold Coast this year. After another winter season of training we were all ready, or as ready as you can be. One of the big things about the Gold is your never %100 on the conditions until race day. This year the wind was coming from the south so that benefitted the ski paddlers and made it a bit harder for the board paddlers.

Divided we stand Team Stingray (left) Umina Breakers (right)

Team Stingray: Shane Lloyd (ski) Dean Tetley (run) Fiona Lloyd (swim) and Gary Wilson (board) Andy Boylan (water safety)

Umina Breaker: Dave Bishop (ski) Christine Bishop (run) Mick Magurren (swim) Rick Boylan (board) James Bishop (water safety)

We had 3 debutants this year Dean, Shane and Fiona and they loved the experience and that's why we keep doing this year after year. Some have done the full and short course and teams before up to 4 times. I think that the thing that makes the Gold so special is that everyone is looking after each other to make this one of the best experiences in competing that I have been involved in over the years.

COOMERANGA GOLD 2018

4. Umina Breakers 34:16:47	
5. Umina Breakers 34:16:47	

We finished up 6<sup>th</sup> and 9<sup>th</sup> overhaul and were only 7 minutes of a podium finish. Team Stingray had the fastest runner of both legs and the second fastest board paddler. Umina Breakers had the second fastest swimmer. So things are looking good for next year!!!

Big thank you to all the  
Handler's

Lisa and Steve Funnell

Loretta Wilson

Mandy Boylan

Last but not least Mick and  
Andrew for driving the gear up  
and Andrew and James for  
water safety

After the Gold it was back into the summer training season with some great numbers turning up for training. Branch this year was just up the road at Ocean Beach and we had some great numbers turn up. It was also great to see that we could get straight into it this year thanks to the officials that turned up to look after us.

It was also great this year to also finally get to compete at a different beach at the State titles. So off we went up to Swansea with some challenging conditions for everyone.

Masters State touring  
team looking smart  
in their uniform

From State it was up to Aussies again on the Gold coast. The Masters managed to get there competition done before the weather turned bad and stopped all competition. We also came away with some great team and individual results.

## **Senior Registrar | Karen Murphy**

Firstly, I would like to thank Christine for all her help, being my first season as senior registrar it was great to have her at my side for guidance. I am sure I will continue to call on her wealth of knowledge again next year.

This season we had a total of 897 members, this included:

Junior Activity Members-377

Cadet Members- 30

Active 15-18years -24

Active 18years and over 191

General-216

Other Members-5

Life members-33

---

## **First Aid Report | Maddison McLeod**

This season, I was lucky enough to have three dedicated, passionate teams compete in the First Aid competition, and what a season it was!

Our First Aid squad competed at all three levels of competition this season, performing beyond expectations while upholding the sportsmanship values all competitors strive for. The results were outstanding, and are as follow:

Hannah Murphy and Bronte Smith (U17s) – Branch Gold, State Silver, Aussies Fourth;

Grace Talty and Lily Perry (U15s) – Branch Gold, State Gold, Aussies Fifth;

Emma Talty and Ayva Marshall (U15s) – Branch Silver, State Fourth, Aussies Seventh.

This year saw the continued reign of Umina being the U15s Branch and State Champions, and for the first time for Umina, a complete squad qualification for the Australian Titles.

These results could not be a more truthful reflection of the endless hours of hard work and soul these girls have devoted into the event. Their work ethic and pure love for not only First Aid, but Surf Life Saving holistically, is sincerely inspiring; it's not hard to love being a coach when you get to work with phenomenal young adults like these six! I couldn't be anymore prouder of these girls if I tried, as I hope they are of themselves. Special thank you need to be given to Paul Sharp and Jess Thomas for the coaching assistance, as well as Robert McLeod for patienting (or not really patienting??), to Nicole McLeod, Karen Murphy, Sue Perry and Vicki Swain for officiating, and finally to the Harding's for always handling all of our entries. Thank you for such a successful and enjoyable season, and I cannot wait to have you all back next year, plus a few new fresh faces, to relive our crazy event season once again!

- Maddison McLeod

---

## **Duke of Edinburgh Report | Tom Magurren & Ashlee Dean**

What a great season we have had this year. There were 13 members doing the Bronze Award & 11 members doing the Silver.

Our Bronze members were Blake Hessel, Lachlan Braddish, Kai Darwin, Ethan & Liam Cali, Leilani Healey, Aspen Henderson, Kaylah Holmes, Lachlan Mc Leod, Kirsten Miller, Lily Perry, Grace Talty & Maddison Scahill. These members did treks through Brisbane Water & Bouddi National Parks, they walked the coastal trail between Mc Masters Beach and Maitland Bay then on to Umina SLSC. They also walked from Umina SLSC to Patonga & Return. Their main overnight camp was at the Kariong Scout Campground. Peter Talty is their team leader & he was assisted by Savannah Patterson, Deb Scahill, and Lex Reilly, Richard Braddish.

Our Silver members were Mimi Henderson, Jasmine Darwin, Hannah Murphy, Cooper Jack, Sam Gaffney, Bronte Smith, Sydney Healey, James Johnson, James Bishop, Mick Patterson & Harry Whitney. These Members had an adventurous 3 days of walking & exploring the Blue Mountains while camping at Ingar Campground. This was a time of discovery for most of this group as the vastness and challenging Valleys took them way outside their comfort zones. New personnel to our groups, Lex Reilly, Luke Sullivan & Tazi, brought loads of experience to our members, they added a new dimension to our Team Building and Bush Skills. We look forward to working with them again in the near future. Their team leader, Lisa Jack was laid up following an operation however as is with this fantastic club other clubbies stood up to help out- Lex, Tazi, & Luke were assisted on our journey by Savannah Paterson, Nicole Smith & Paul Sharpe.

We thank them for giving their time to look over our members.

A lot of our members have moved onto their next awards, these along with our next new Bronze members we are sure that this season will be Bigger & Better than ever.

Ashlee Dean & Tom Magurren.

---

## **Umina Surfboats Report | Grant Stringer**

It gives me pleasure to report the 2016-17 Boat Season.

We started the season with 2 crews in training "THE BLUEY'S Open Women and the LEPER'S masters.

It was my pleasure to coach and sweep 4 Umina SLSC young women comprising of Jess Thomson, Priya Johnson, Megan Langford and Sarah Hewson. Early morning winter training with late evening sessions did not waver the girl's enthusiasm for rowing. New comers Priya & Sarah which was their first season in boat rowing showed rowing maturity beyond their six months in boat. The girls developed into a confident crew and took on all surf conditions without hesitation and with trust in each other and me sweeping them. They developed my madness for a big wave.

I need to thank Lara R for her input at start of season until personal reasons stopped her from rowing.

With the help and input of Mitch Dean strength & conditioning in his home gym gave the girls a much-boosted body strength to their rowing and our appreciation goes to Mitch for his time.

A big thankyou goes to Phil Gee for his invaluable experience and knowledge in fine tuning the girls in their rowing technique and mentoring me in training and sweeping methods. Adrian Stimson much appreciated for your help standing in for me when work got in the way.

"The Lepers Masters Crew –They started strong with John Young sweeping until a few mishaps during season with John suffering /aggravating an old shoulder injury and Stew injuring his hand. They regrouped towards end of season knuckled down with some good training and finished the season with a streets race Branch and State with a good showing and potential for next season. At present John has recouped and has boys training with enthusiasm. I would also like to thank the Leper boys for their assistance on race days helping the girls at end of races and on the beach.

Bill Cook and Brett Harrod their tireless work in obtaining a New Sponsored boat from Ettalong Diggers was greatly appreciated from the boat shed a huge thank You. The girls rowed a 12-year-old boat that was in excess of 40kg heavier and of old design

---

and took every race to their competitors with many hard one victories. With the introduction of new boat late season we showed the much fancier clubs my backside and Umina was not to be taken lightly with huge raps from other clubs. Results for the year was a close 1 point 2<sup>nd</sup> placing to Swansea in old boat in the Streets series. 3<sup>rd</sup> at branch, semi-finalist at state. At Aussies with the cancellation off all water events the ASRL decided to hold our own Training Aussie titles which we entered and won. We went up against NSW champs Bondi and QLD champs Currumbin blowing away Bondi with a neck & neck tussle with Currumbin. We take out of this season that through solid training respect for each other we will be a force next season.

The girls represented Umina proudly without any issues and I would like to thank the girl's families Donna Thomson, Lisa & Nathan Johnson, Maxine & Glen Hewson & Cheryl & Bob Langford and Ash Dean (reserve) for their encouragement and support on the beach at carnivals much appreciated by me and girls. Janelle my wife specially a big support to me during summer with training and carnivals.

Sponsors I would like to again thank Ettalong Diggers for their generous sponsor ship of the new Surf Boat. I would also like to thank Lance Clarke Pharmacy Woy Woy for his ongoing sponsor ship not only in boats but also club. Topaz Dynamics Tony Munce also for his ongoing support to the boat team. Edge cycles donation off safety rowing helmets Bill Cook thank you for wiring up boat trailers on a number of occasions

Also a big thank you to Jennifer Bootle for representing Umina at the streets carnival series.

She did all our on-beach sign ins and kept us up to date with all information.

We have at present committed for next season a junior boy (19's) Open Women, Masters Men and Ladies with these crews started training. Adrian Stimson has been putting in all year helping with preparation of boats and fine tuning his sweeping and I wish him well.

In closing, I wish to wish all other Umina competitors the best for next season and see you all on the beach training hard. Kind Regard Grant Stringer (Boat Captain)

## **Board Captain Report | Steve Murphy**

This year saw another busy year for the board department with plenty of repairs carried out and plenty of maintenance as well. Thanks to all members and age managers for the timely notification of any damage to the boards as this allows them to be repaired and returned to service much quicker.

Through the board sponsorship program, we will see several boards returned to the club for general use next season. Due to the continued support of our sponsors, athletes were able to purchase mals and nipper boards which will be returned to the club in three seasons. This program has allowed the stock of club boards to be renewed regularly and the sale of some of our older boards. Thanks to Homebrook P/L we were able to purchase 5 new nipper foamy boards which adds to our foamy stock as new u9's come through next season.

This year we also received several new rescue boards and which allowed us to donate some of our older boards to be used by community group helping young people become surf aware.

Thanks to Karen for assisting me in dropping boards off for repairs throughout the year.

Thanks.

See you next season.

Steve Murphy

## **Rookie Report | Peter Talty**

All members of Umina Surf Club should be very proud of the efforts of the 2016 – 2017 rookies. Collectively the group volunteered over 1200 patrol hours during the season and were active in fund raising for our surf club and the branch.

Our under 14s and under 13s attended all rookie events with enthusiasm. At all events Umina had the most rookies in attendance.

The first official rookie event of the season was the raising of the flags at Killcare Beach in September. Next was the rookie disco on Halloween. Most of our rookies joined with rookies from all clubs on the Central Coast for the fancy dress event. Our group really got into the theme of the night with their Halloween costumes.

Some of our under 14 rookies joined with older Surf Club kids to assist with running nippers at Wet'n' Wild in Sydney. Once the nippers are finished they get to go on unlimited rides for free for the rest of the day. A heap of fun. Special thanks to Jim Beard for driving us all down and back in the mini bus.

In November, 8 of our rookies joined 50 rookies from other clubs at the youth development camp at Broken Bay sport and rec. It is a great opportunity to work in teams and get to know other kids that they normally compete against at carnivals.

In January, 6 of our rookies represented the Club at the Rookie Challenge at Terrigal. This mini carnival is not about the best board and swimming competitors. It is about traditional lifesaving events.

The last official rookie event was 'Ducks for Bucks'. This is the largest fund raising event run by Central Coast Surf Life Saving. Again Umina had the most rookies turn up and impressed everyone with the friendly way they approached people asking to buy tickets.

Finally, thank you to all the parents that helped transport all the kids to the different events over the season.

It has been a pleasure to be the rookie coordinator this season and I look forward to watching this year's rookies continue to develop and contribute to surf lifesaving.

Peter Talty

---

Wet n Wild

## **JAC Report | Harold Marshall**

Nippers is about fun, Nippers is about leading a healthy lifestyle, Nippers is about hanging out with your friends, Nippers is about family nippers is a lifestyle.

Well what a great season we had. I would like to thank all the parents for allowing us to spend the summer with your amazing children. Each Sunday we have a ball, we have so much fun learning and increasing our skills in the ocean. It's a long season with lots of preparation that's involved in order for us to maximise how much fun we have at the beach but also give it a young Nippers every opportunity to develop their skills. I would like to thank our Age Managers and Secretaries who do so much work in order for our children to become more confident each and every week in the water. I would like to thank our Coaches who bring the best out of each and every child at the training sessions we have. I would also again like to thank Water Safety because without them we would not be able to get into the water every time at the beach. Without the efforts of these aforementioned volunteers to give up their time over and over again we would not be the large and successful club we are and for that I thank you.

To our 2 Junior Club Captains who did an outstanding job this season in being great role models and leaders for all of our Nippers. The skills you have learnt, developed and will continue to show throughout your life will put you in great stead for everything you wish to achieve. We look forward to your continued involvement in the Nippers program. Congratulations to all of the Under 13 who raised their hand to be in consideration for next season's Junior Club Captain. Erin Scahill and Jack Sloane congratulations to you both on being named Junior Club Captain for season 2018.

With the State Titles last season at Swansea Belmont we finally got to have a little holiday away. Though we did miss the comfort of our home beach we did enjoy every minute that we were up at Swansea. Unfortunately the weather was similar to what it had been for the last 4 years at Umina and the conditions were very testing. We had a large Touring team who went away and had some outstanding results across the age groups and lots of personal bests by all of our Nippers. We had success on the beach none more outstanding then Tom Rodham coming away with two silver medals Under 13 sprint and Beach flags event. What an amazing State Titles for this young man!! To the Under 12's Finlay Healey who won his first ever individual State Medal in the 2 kilometre run with a bronze medal. And our last State medal came from our youngest competitors the Under 9 Girls Beach Relay who also can away with an

---

amazing bronze medal. Congratulations to Leah Cookman, Lahni Moore, Beth Rodham and Sophia Grey.

A special thank you goes to the Under 14's for your commitment in to our Nipper program throughout the last 9 years here at Umina Beach. You have been a fun loving group who love nothing more than being on the beach with your mates. This was evident every week by the amount of fun and laughter that was always coming from your end of the beach. Thank you to the amazing Age Manager Skye Marshall and Mollie Murphy who have done the amazing job leading you all through your nippers program. Thank you for always showing us what the true essence of being a Nipper and Lifesaver truly is. Farewell and Thank you!

Next year will be bigger and better and I am looking forward to leading you all for another season. Again we always need as many volunteers and helpers as possible. Please come and see me if you would like to be involved in any capacity.

Thanks again and I will see you all next season.

Harold Marshall

## Under 14

### **Age Manager: Skye Marshall | Age Secretary: Mollie Murphy**

Remember the weekends that you had nothing on and Sunday's meant a sleep in? Me either....

From October to March for the past 9 years Sunday's did not mean sleep in. It meant so much more.

It meant making new friends, stepping outside your comfort zone, lots of laughs and fun in the sun (mostly).

Being part of a surf club meant the world to me as a child – it taught me that friendships are not governed by who you sit next to in class, nor what uniform you wear.

I brought my family back to the surf club because I wanted us to be involved in something bigger than “a club” – I wanted my family to understand what it meant to give back and be involved with your community and a volunteer organisation.

There are no words to describe the Under 14s.

Individually, they are such incredible human beings, but together, united - they are so much more.

They are the future of our club, our community – they will be the ones standing on the water's edge in red and yellow helping keep you and your family safe – they will be the people that will come to your aid when you are away from the beach. They will be the ones to help, even though no one is watching – because that is what you do – not for accolades or reward, but because it is the right thing to do.

These are the young people that you want on your team.

I endeavored to instill in my own children and our wonderful group that giving your best, helping others, being part of a team and displaying true sportsmanship was a reflection of character.

Our group has FUN – we stuck together and cheered each other on. We were the group that gave it a go. The Under 14s had a smile on their face.

---

We were the group that chatted around the swim cans, and managed to still hold a conversation whilst paddling a board or running a race. We were the group that loved to be together – one in all in.

Whether it be on a Sunday at Umina, at a local nipper carnival or even State titles – This group made their journey a memorable one – for the ones that spent time at carnivals making and meeting up with friends from other clubs whilst marshalling for events to the BBQ lunches under the tent. We had dance moves on the start line and songs to help remember their SRC.

This group has grown in confidence and ability.

Mollie

Without you, we would not have the group that we have – you have shown patience beyond your years, you have managed to find the key to each individual person and assist them in conquering their fear, or believing in themselves....

You have done everything that I have every asked of you – swim with the group, paddle a board with the group, piggy back the group... ETC

I would like to say a massive thank you to our wonderful club and under 14 parents for allowing me the privilege if age managing such an incredible group of young ladies and gentlemen. It has been a rewarding 9 years.

Thanks

Skye

## Under 13

**Age Manager: Simon Darwin | Age Secretary: Lisa Jack**

**Assistants: Oliver Shepard, Savannah Peterson, and Jack Waining**

The season started really well with a 99% success rate in completing the swim test. The kids understood the requirements and pushed themselves hard to the markers with some big improvements from last season.

It was great to have a good support team which again included our great young leaders Jack, Oliver and Savannah and also Lisa Jack for taking on the massive role as age secretary. I want to thank all the parents for their help in getting through each Sunday. These guys along with great parent support teamed up with enthusiasm and delivered the “nippers” experience, which helped with the more difficult exercises which included the Cameron Relay and Board Rescue.

The surf sport and surf awareness activities really took on a whole new level this year with some big challenges for the kids. They did not shy away from these challenges and by season end were very capable swimmers and board paddlers. This helped the kids to complete their SRC at the end of the season. I would like to say a huge thanks to Pam Edwards for providing such a great training program for the kids. This was a massive group and along with some great parent help, Pam did most of the work with the kids to achieve this important milestone.

The Club Championship (point score) was hotly contested and most of the kids were actively involved in doing their best to achieve a good result for themselves and their teams. In the end the results were very close for the top 4 placed boys and girls. The Carnival style format for the Club Championship was well received.

Parents played a huge part in the process of all Sunday nippers, including Point Score and Carnivals, which were made so much better with their whole hearted support. I wish to thank all the parents who helped us out on the beach, the kids really get a kick out of seeing and knowing that their parents are interested in what they do. This extended to a large number of our parents doing their Bronze course, which is great. It would be good if this could be transferred across to the Carnival Official Courses for 2018.

We had great attendances at the Carnivals around the coast, winning medals at all carnivals from both the boys and girls team events and a couple of individual medals

---

as well. The Branch Carnival saw us pickup medals in the individual and team events which was an outstanding result.

We travelled to Swansea Belmont for 2017 State Titles and again we had some interesting weather and large surf. We had really good numbers and competed well individually and in all team events. Tom Rodham collected medals in beach sprint and flags which was a great achievement. The conditions were fairly big on a number of days but the team spirit among the kids and the parents was fantastic. A big thanks to all who helped out over state it was a really great weekend to travel away.

The confidence and self-belief we see in the kids is fantastic. I look forward to seeing a lot of the kids return for 2018 where move onto the bigger mal boards in what will be their final year as nippers.

I would like to thank and acknowledge the great support from Harold Marshall for his fantastic efforts. His support and enthusiasm is growing across the team of managers. Also my thanks to Jane in the office, Jan and Phil Harding, the executive, Carnival organisers, uniform girls (Julie/Nicole), office staff, the water safety crew who turn out each week, to the IRB drivers for setting up the cans each Sunday. The training and coaches are also pivotal to getting our kids improving from week to week – well done to those guys who turn out each week for this. Also to the other age managers who make the weekends and training good fun.

Simon Darwin

Under 13 Age Manager.

## Under 12

**Age Manager: Simon Mowbray | Age Secretary: John Rutherford**

This season we had seven new kids join our returning (and a transfer from OB!) nippers group. All of these kids have made huge advances in their confidence in the water and surf skills, especially those kids that were able to make it to some of the weekday training sessions. Hopefully the kids are able to recognize this for themselves, and this will be a motivating factor in them continuing into our senior ranks as patrolling members.

This year we had a great tight knit group of carnival competitors that competed in our local carnivals, iron person competitions and the State titles. Throughout these competitions we were able to watch with pride as our group got stuck into some very trying conditions and banded together to form teams that competed passionately both on the sand and in the water. A big thankyou goes out to the u11 kids that helped us to form teams at times so we could enter that extra event instead of having to watch it from the sidelines. Extra recognition needs to be given to Finlay Healy for his inclusion in the Central Coast Inter-branch team and also his achievement of winning an individual State medal in the 1km run.

We would like to thank Phil, Sue, Donna, Kylie, Paul, Katrina and Lauren, parents from this age group that officiate/first aid or do water safety each week to keep our kids in the water and on the track. Not to be forgotten are the parents that monitor the race track and assist in herding the kids from one end of the beach to the other on carnival days. Special mention and thanks must be given to Brian Healy for his continued support of the kids in passing on his knowledge of reading beaches and surf conditions, as well as his mental and physical warm up preparation of our competition kids. We also appreciate the help of Mollie Murphy for her role as a chaperone and driver which enabled us to take some of the group on an overnight stay to the Swansea Surf Club and attend nippers with them the following day – thank you.

We hope to see all of this group back next year, and some of their friends, as we begin the Rookie program and start to patrol our beach.

Simon Mowbray & John Rutherford

## Under 11

**Age Manager: Harold Marshall | Age Secretary: Allison Hoyland**

We love our Sundays as much as our Under 11's!!! Alli and I would like to firstly thank the parents of our awesome Nippers for being in this journey with us. Our group is always full of fun, laughter, songs, dances, big wave catching, small wave catching, surf skill development, beach races and most importantly ENCOURAGEMENT. Our Under 11's are always well mannered, respectful and are willing to give everything a go. We have a strong foundation of trust within our group which is why we as a group have achieved everything we have over the course of our season. Some have conquered their fears in the water and gained more confidence in their abilities to get around the cans in the swim and board. We had other return to Nippers after a few years away from the beach. We had new comers blow us away with their CAN DO attitude and rapid development in at the beach. We had some who have made Nippers their 'Sport' and applied themselves more than ever to build on their Surf Skills.

Our Carnival season was again of great success. We had consistent large participation numbers at all 4 local carnivals and the State Champs at Swansea. The bigger the numbers, the more fun we have and the more memories we make as a team. We had so many personal best at carnivals ranging from first time individual medalists and placings, team event medals and placings, kids getting into their first ever Board, Sprint, Flag and Swim finals. We had Nippers attend their first carnivals and loved the competitive side of Nippers.

Congratulations to all in our Under 11's you are all Superstars and Alli and I are so proud of all of your efforts and personal bests.

Lastly thank you to those who volunteer their time helping with Water Safety or Carnival officialing, without you we would not be able to get the kids in the water each week, or compete at carnivals.

See you soon,

Harold and Alli

## Under 10

**Age Manager: Jenni Darwin | Age Secretary: Diona Kearney**

What a year it has been! Into our third year of wearing the BBW caps and our numbers may be small but our strength in this age group continues to grow. We had a few new nippers join up and most went straight into competition, achieving excellent results and showing great progress in the water.

Our age group has a range of abilities but everyone has worked hard on Sunday mornings to improve their water skills, with many confidently swimming around the cans and getting out on their boards.

This age group has a great number of competitors as well as those who are still building their skills on Sundays. We have mixed it up a bit this year, sending teams of kids around the cans, giving board rescue a go and doing some relay teams to involve everyone.

On the carnival side, we have great skills both on the beach and in the water. Our beachies are not afraid of getting wet and have worked hard to improve their water skills and have become an integral part of the team both on the beach and in water events. In this age group, we have a core group of dedicated nippers who train daily and have performed with increasing confidence. Our results this year at local level are exceptional, with the kids placing at every carnival in the team events as well as some individual medals and the boys and girls both coming away as branch champions in the water.

At state, as you would expect, competition was fierce. We had some wonderful results, with our beach girls getting to the semi's in the sprints and our girls in the water each making a state final either in the board or the surf race. Our boys performed against a strong field with some semi-final results, just knocked out of getting to the board final.

In surf education, these amazing kids show great knowledge and skill in the water - being able to read the waves and identify where is safe on the beach, the rips and currents and increasingly learning how to use these to their advantage in competition.

---

Special thanks for all the parents in the age group - their commitment to the club and this group is fantastic - regular water safety at training and on Sundays, as well as helping out a carnivals both as officials and water safety. Thanks too to all the officials, coaches and water safety this year and a special mention to the Cooks who have really helped improve the skills of the kids in coaching them this year.

Jenni and Diona

## Under 9

**Age Manager: Rachel Scott | Age Secretary: Steve Funnell**

What a season we have had! A huge thank you to Steve, Gary, Lisa, Lily and Grace for all your time and effort you have put in this season. Not only coming to nippers each week but training sessions and carnivals. THANK YOU! Thank you to all the parents for coming each and every week. The children and I really appreciate the effort and the help you put in too. Whether it's helping in the water for water safety, or being an official at carnivals, or just helping in the kitchen at sips or helping in any way during Sunday nippers it's all greatly appreciated. The children had a fantastic year. This was our first year competing on boards and doing the big swim at carnivals. They all did an amazing job and should be extremely proud of themselves. The children learnt some awesome new skills on the board such as learning to catch waves, rolling their boards in big surf and also trying to pop over the top of waves, while others gained so much confidence throughout the season with their swimming ability each week setting goals to complete a hard swim. I big thank you to Tom and the swim team for their efforts and commitment on Thursday nights at PLC. This season was also our first year at doing State. State was held at Blacksmith and it was a pretty crazy weekend. The weather kept changing and the surf conditions were definitely challenging. With the carnival being stopped and the rain coming down hard, the children did a great job of sticking around to finish off the weekend. We had some amazing results with our kids getting through the semis and onto many finals in all events, with 4 of our girls getting a silver medal in the U9 Girls Beach Relay. With the girls only just making it through to the final, they changed their positions around and were off to an amazing start! They held their position right to the end to claim 2nd place in the state! Well Done! The sportsmanship the U9's has shown throughout the season is just amazing. To watch the children, shake hands and congratulate not only each other but other competitors from other clubs at the carnivals is what makes these kids so special. U9's thank you for a great season and I hope to see you all next season!

Rachel Scott U9 Age Manager

---

## Under 8

**Age Manager: Steven Scahill | Age Secretary: Viki Dickinson**

The under 8's had a fantastic year, one in which we witnessed so much growth in all of our Nippers.

Participation rates remained high each week and it was extremely pleasing to see the number of children attending carnivals. Umina were in the top 2 in competitor numbers at every carnival,

This year saw the introduction of modified carnival conditions for under 8's, where each competitor would run a practice heat and then a "final". Ribbons were then awarded based on performance in the second race, rather than the traditional format of running multiple heats and semis to reach a final. This system worked very well and provided a great introduction to the carnival experience. The balance of running this program, then transitioning to full carnival conditions at Branch Titles was a success.

Over the course of the season it was great to observe the emergence of friendships between our Nippers. It was really noticeable how this year broke down the natural school aligned friendships of previous years and the kids developed a distinct set of "nipper mates". This was an absolute highlight.

In the water we saw significant improvement from all of the children and I'm confident they have the right attitude and determination to take on the big leap in activities they will face in the under 9's next year.

So much of the enthusiasm our group has for nippers comes from the great level of interest and involvement from our nipper parents. It makes this a highly enjoyable age group to be around. Thanks to Madison and Leilani from the under 15's who helped out during the year. The biggest thanks however is reserved for Viki Dickinson for her care and interest in every single one of our under 8 children.

Bring on next year – we can't wait!

Steve Scahill

---

## Under 7

**Age Manager: Tim Leggett | Age Secretary: N/A**

Under 7 had a great 2016/2017 season back on the beach, I saw this group grow in confidence while participating in all activities. The kids got to spend plenty of time practicing their skills in the water and on the beach with thanks to all the volunteers & parents who get involved.

Look forward to seeing you all back next season.

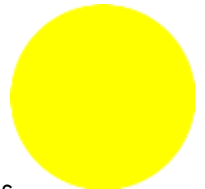

## Under 6

**Age Manager: Mick Magurren | Age Secretary: Rob Mcleod**

Season 2016/2017 saw another large group of U6 Nippers hit the beach early on Sunday mornings. They all enjoyed their first season learning & practicing new skills to stay safe on the beach.

Thank you to all our volunteers & parents who helped out during the season, with all your help it allows us to do a lot more activities and the kids get the most out of their nipper experience.

## **Surf Sports Report | Brett Harrod**

- **Coaching**

I would like to take this time to thank the coaches who put so much into our members; the work that goes on behind the scenes to get our people ready to compete is amazing, the commitment to excellence in all areas of sport in our club is unequalled on the coast.

To Trevor Gee and Peter Braddish, the results speak for themselves, Maddison in first aid, Brian and Wendy and Murph with the kids, Grant in the boats and Julie on the beach well done and thanks.

- Teams - rep team participants.

We have again been represented at every level of the association, we have had members in Australian team, state teams and central Coast branch teams, the people that have represented are listed elsewhere in this report, congratulations to you all.

- **Nutri grain.**

This year for the first time we have a had a member qualify and participate in the Nutri grain Iron Person series, congratulations Jemma an outstanding achievement, what a great day for or club when a busload of supporters went to the final to support Jemma, a great result for Jemma and a greater result for our club community.

- **Pool events.**

Again, our club was well represented in the pool lifesaving events, this is becoming an important part of the sports calendar and one that we will need to spend more time on next season, we have some really outstanding competitor now and coming through in these events. The results of the state and Australian pool championships are listed in this report.

- **Boats.**

A new boat donated by Diggers has helped build the profile of this area of the club, grant or boat captain will report in more detail the activities of this section of the club but it was great to see the boat in the water at all the major carnivals this year, bigger and better things are being promised for next year.... I am looking forward to the outcomes!

---

- **First aid.**

Branch and State medals were won in this event this year, a great result in an area of surf sports that we have traditionally done well in, to all those that competed we look forward to seeing you again next year. (Bring some friends along as well).

- **Champion lifesaver.**

Branch, State and Aussie medals were won this season, well done to all those that competed and continues the tradition.

- **IRB racing.**

For the first time in many years we have recommenced IRB racing, the boys and girls are deep into the season after training through summer. This event allows for winter participation, ensures continued excellence in driving expertise and creates better lifesavers. I am looking forward to seeing this area continue to grow.

- **Officials.**

Thank you once again to our officials that turn up to each and every carnival; we can't do this without you, your commitment is valued as much as anyone else's in the sporting area of our club.

- **Water safety.**

What can you say about these people that travel all over Australia to support our competitors, Thank you!! It doesn't seem quite enough does it!

- **Pathways.**

One of the interesting things that have been emerging in our club over the last few years is the gaps in our pathway program coming through the juniors, for our club to continue to have success on the sport stage we need to have continuance of athletes coming through system.

Thought needs to be given to building stronger competitive programs through the juniors for kids that are keen as well as allowing participation in other important areas of club life for those that want to participate but not necessarily dedicate the time to being in the top echelon of competitors.

I guess what I am saying we need to allow the crème in sport to rise and provide them the opportunities of consistency in training and competition as well as catering for those that don't want to be involved as much. Let's not make sport ability a race to the bottom.

---

- **The Aussies.**

Congratulations to our Youth competitors at the Aussies, you did the club proud not only with your displays of in the water and on the beach but with the sportsmanship that you displayed throughout the event, well done and congratulations.

Our masters were few and far between, but they had fun which is what master's competition is about, I was once asked how master competition came to being and it was sold into the membership as a way of older competitors have a swim/board /ski around the cans or a run on the beach and having a beer afterwards.

Congratulations to the masters that won medals at the Aussies, it was great to see BBW on display.

The Australian Championships were cancelled after one day of competition due to the tail end of Cyclone Debbie.

There were no winners in this decision, the athletes that trained hard for a year and gave up many things along the way in the search for the elusive "Australian Champions" reward, the coaches who spent time away from their families and jobs to allow the competitors to reach their competitive readiness, the club administrators who spent so much time ensuring that everyone was prepared to be on time every time for the carnival, the people at SLSA certainly haven't won anything based on the response by some at the decisions that were made, these people are mostly volunteers as well who spend their time and a lot of it working to allow the event to run. I feel sorry for them as well as they can only work with the information at hand, their internal and external advisors and the guidelines that have been developed by them after two coronial inquests and numerous inclusive working sessions to try and run the largest sporting event held annually in the country....as I said there are no winners in this outcome.

Having said that we certainly did well in the events that were run, a full list of results is attached, congratulations to our Australian champions and medalists and a huge rap to Harry Braddish who had the Umina crowd on their feet with his 3<sup>rd</sup> place in the beach sprint.

---

- **NSW State Champs.**

The NSW State championships were held at Swansea in difficult circumstances and with a reduced program due to the surf conditions, an outstanding result by coming 6<sup>th</sup> in the open point score with only the Sydney powerhouse clubs ahead of us, well done to the competitors and coaches.

For me the highlight was the team events which we did so well in, the never say die attitude of “the team” allowed some great results, the open Ladies Board relay and the open ladies Taplin relay were stand outs.

Congratulations to our state champions and medalists.

A full list of our results is in this report.

- **The Worlds**

The world championships were held in the Netherlands this season and the club had representatives competing in both the international teams and club championships.

As mentioned in the representative teams both Rachel and Jemma were selected to compete in the Australian team in the international event and we had Jemma, Bronte and Kerry Smith along with Julie Jowett competing in the club championships.

The next world championships are in Adelaide in 2018 and we are hoping to send a strong representative team to this event in both open and master's competition.

- **Club Support for sport.**

Our club is spoilt in the way that sport is looked after by the management team, it is not like this in other clubs, thank you to the executive and management teams, the members who always jump in to help when an event is being run and a big thank you to the parents who make my life easy by adhering to the “policy” surrounding support and behavior of our athletes.

- **Succession planning.**

Every organisation needs to have a succession plan, one that entails replacement of administrators and coaches so that continuity exists moving into the future, this needs to be looked at in our sports area.

If you have an interest in supporting sport, please let me or the Directors know.

Regards Brett Harrod

---

## **IRB Captain | Jimmy Irwin & Stephen Reid**

Firstly I'd like to congratulate all our new IRB Drivers and Crewies who passed their exams, many of them in tough and testing conditions. This season we had 10 Driver awards and 30 Crew awards gained. If gaining either of these awards interests you, please feel free to contact me at any time.

During our Patrolling season the IRB has either assisted or conducted 20 + Rescues, which is a testament to the quality of Driver and Crews we have patrolling our beach. However we maintain a 24/7 After Hour response in which we responded 6 times, luckily with no major incidents occurring. But our ability to respond and have several IRB's in the water in a very short time frame has been well noted at a Branch level, so again a massive well done to all that have responded to any of these incidents.

We have had a busy season with ongoing maintenance and the upgrading of motors so that you have the best equipment available on the beach at all times. We have been able to do this through various Grants throughout the year, and have been able to buy new equipment with limited financial cost to the club.

This season is very exciting for our club, as an IRB Race Team has been put together for the first time since the 1990's where it was a bunch of mates running amuck and generally getting DQ'd for some unfortunate antic that we got up to mid race. We race in the off season and travel to the different branches to race. The sport has become very technical and requires many hours of training under the guidance of an IRB race coach. The team currently consists of Steven Duxbury, Amber Backhouse, Tony Lagan, Sydney Healey, Lily Perry, Kai Darwin, Lachlan Thomas and James Irwin. If this sounds like fun to you please feel free to speak with me and we can get you started, as we are always looking for new people to join us.

Lastly, I'd like to thank each and every member that has helped us maintain the level of professionalism and minimal damage to equipment. We all know accidents and damage happen from time to time, all we ask is that you inform us so we can help manage the issue at hand.

Thanks again team,

James Irwin & Stephen Reid

---

## **Notable Achievements | Season 2016/2017**

### **Awards of Excellence- Mingara**

The Central Coast Awards of Excellence were held on the 10<sup>th</sup> June at Mingara and Umina SLSC once again came away with some amazing results.

Our winners:

U19 Female Taplin Team- Rachael Wood < Jemma Smith < Jazmyn Rodwell

Young Athlete of the Year & Open Athlete of the Year- Jemma Smith

Coach of the Year- Trevor Gee

Rescue of the Year- Jenni Darwin & Graeme Carroll

Our Taplin Team, Young Athlete, Open Athlete & Coach of the Year have all been nominated for Awards of Excellence NSW

## **Recognition of Finalists**

Australian Life Saving Team has named a youthful 10-athlete 'pathways squad' ahead of their Sanyo Bussan Cup title defence at Momoshi Beach in Japan. Congratulations to our very own Rachel Wood who has been named in the squad and will tour Japan in June 2017.

-----

Sport NSW announced the finalists for the 2017 NSW Community Sports Awards. Congratulations to the following finalists:

- Team - Umina SLSC U19 Female Taplin Team (Jemma Smith, Jazmyn Rodwell and Rachel Wood)

New South Wales' most deserving volunteers will be recognised at an awards ceremony hosted by the Minister for Sport at NSW Parliament House, 29 June 2017.

-----

Jemma Smith & Rachel Wood have been named in the Life Saving World Championships 2018. Garry Mensforth has been named Team Manager.

Lachlan Braddish has also been named in the Australian Youth Team train on squad for the Life Saving World Championships 2018.

These Championships will be held in Adelaide from 17 November – 2 December 2018.

### **Vale- 2016/2017 | Brenda Coffey**

We lost another member of our surf club family, this season. Brenda was the wife of Life member Denis and mother to life member Mick. She was a wonderful lady and caring person and many a time would be down the surf club over the years making lunches and afternoon teas for officials and workers for many a carnival, including local, branch and State. A special member of the Umina surf Club family. This season saw our new boat Named in honour to this family. She will be sadly missed.

### **Vale- 2016/2017 | Barry Nicholas**

Barry joined about the late 60's moving up from Blacktown with his wife Pauline. Barry had two sons who were in the Nippers named Don and Brad, their sisters Sue Ellen & Scherryl who were unable to join the surf club as back in the early days there were no female nippers at Umina. Barry became involved with the Junior Club because of the boys, in those early days the club was split into 2 groups' seniors and juniors. Because of his sons involvement in the Juniors Barry volunteered as a Team Manager and took many juniors along to junior state carnivals.

When the club was being built in the early days about the late 70's, Barry held a position as an auctioneer in the clearance houses and took it upon himself to purchase and donate much of the kitchen equipment for the upstairs function rooms, this generosity saved the club a lot of expense. Barry also donated new trophies to the surf club which he also was able to purchase thru his work in the auction trade.

Barry was awarded Life Member for the Umina Junior Surf club for the season 1975-1976 and has volunteered his assistance over the many years Umina hosted major carnivals but due to ill health of recent he was unable to.

Barry's grandchildren were members of Umina SLSC Nicole and Katie Davidson and currently his great grandchildren are members whose parents are Nicole and Greg Smith so the tradition of being involved in surf lifesaving carries on although Barry has passed.

**Vale- 2016/2017 | Bob Thompson**

Bob Thompson was a Surf Club member for many years and held the liquor license as well as the Bar Manager. Bob was a major representative for Santa Claus at Umina Surf Club and was well known in that role. Bob returned to his home town of Hay in NSW and passed away there in the loving care of his family.

**Vale- 2016/2017 | Mrs Sandra Butt**

Sandra Butt, wife of Foundation Member Jim Butt.
