Drafting Arrangements

SLSNSW will facilitate a competitor draft to ensure:

- Each Branch has a full team roster for the Youth and Open Teams (where possible).
- That non-selected (from primary Branch) athletic talent is spread around teams requiring draft competitors.
- It is desirable; over time Branch teams become less reliant on drafting to fill Youth and Open Teams.
- To be clear, there is no competitor drafting for Age competitors (U12 – U15).

The draft process shall be as follows:

1. NC, MNC, LNC, ILL, SC & FSC (the competitor is liable to pay any branch fee) have the option to be able to draft competitors into their teams from any Branch. (These listed Branches were unable to fulfil a full team roster in 2016).
2. NC, MNC, LNC, ILL, SC & FSC shall advise SLSNSW of any drafting requirements by 29 October 2017. The details to be provided will include the age of the competitor (U17, U19 or Open), gender and discipline(s) required.
3. Branches who will not be drafting (any of the above listed) and/or FNC, HUN, CC, SNB & SYD, must announce their teams by 19 November. This will allow competitors not selected for their Primary Branch Team to opt into the NSW Interbranch Draft and it shall be at the individual's financial responsibility (i.e. Drafted individuals will need to discuss with draft Branch as to which, if any costs are to be reimbursed). Branch shall supply a Team Competition cap as a minimum for use at the Interbranch. SLSNSW will invoice the draft Branch for the entry fee for any drafted competitors.
4. SLSNSW will create a pool of draft Interbranch competitors and this will close on Sunday 26 November at 11pm.
5. SLSNSW to make contact with all nominated draft competitors to confirm availability for the draft on Monday 27 November.
6. SLSNSW will release a list of the available draft competitors to each eligible Branch on Monday 27 November.
7. There will be a teleconference facilitated by SLSNSW Chair of Selectors (or their nominee) on Wednesday 29 November with eligible Branch Head Coach and/or Manager to complete their draft picks.
8. The lowest placed Branch at the previous Interbranch Championship will have first pick, followed by the next lowest and so on until the first rotation is complete. The rotation will continue until all teams have a complete roster (see last page for overall Branch Pointscore from previous event).
9. Should a drafted competitor subsequently not be available the drafting rotation will not be recommenced but the position filled from the next available eligible competitor.
10. All Branches will need to have completed their online entries by 11pm on Sunday 3 December. SLSNSW will publish the list of all Team Lists on Monday 4 December.
11. The initial drafting process is to be completed by SLSNSW and competitors advised of their selection by their selected Branch team manager a minimum of one week prior to the Championship.
12. Once a competitor has been advised of their draft they will not be able to be selected for their own Branch unless injury or illness occurs to a selected team member. In such circumstances the Branch is to advise SLSNSW in writing of the need to reclaim a competitor. A replacement competitor shall then be identified and allocated to the drafting Branch.
13. It is permitted for the drafting process to continue up until 5pm Thursday 7 December. After this time, any further drafts will be at the discretion of SLSNSW.
14. Any drafted competitors are eligible to earn 100% of their placing points in both individual and team events towards their drafted Branch point score.

Drafting Process Flow Chart Summary

Branch of Origin

The purpose of this is to allow Branch to select competitors who may have been developed in and since moved from the Branch (i.e.; interstate). Branch of Origin competitors can only be selected for the Open Team.

Branches are permitted to select “Branch of Origin” competitors based on where the member first gained their Bronze medallion award. In this regard members wanting to be considered for their Branch of Origin must register their intent with SLNSW by 29 October 2017. Branches intending to select via this method must also advise SLNSW by 29 October 2017.

There is a restriction of only 1 Branch of Origin Competitor per gender per Branch.

POINTSORE:

Placing in Finals

Placings in finals will be allocated points on an 11, 10, 9, 8, 7, 6, 5, 4, 3, 2, 1, basis for the positions 1st – 11th, for each event contested.

Individual Events

In individual events, only the first competitor from each Branch to correctly complete the course shall earn points for their Branch team as described in the first paragraph.

Team Events

In Surf Teams, Board Teams, Ski Teams and Ironperson Team Races, placing's shall be determined by allocating 22 points for 1st place across the finish line down to 1 point for the 22nd competitor to correctly finish. Any Branch who competes with less than two competitors in these team events or who has one of their competitors disqualified shall receive 0 points towards the point score for that competitor to determine their team's event placing. The effect of this is all Branch teams are eligible to earn points in team races provided that they have at least one competitor complete the course. Once the team member placing points from each Branch are added together, the team with the highest points shall be declared the winner of the event. The points will then be allocated to the Branch teams as detailed in the first paragraph (i.e. 11 for 1st, 10 for 2nd and so on).

Relay Events

In the Beach Relay, Board Rescue Relay, Cameron and Taplin Relay races the results shall be determined as per the finish order of correct completion of the race and points awarded as per the first paragraph. If it is not possible to conduct the Beach Sprint, Beach Relay, Board Rescue Relay as finals, two heats shall be conducted. The first three place getters in each heat shall qualify for an "A" final and the remainder of the place getters in the heat shall contest a "B" final. Points shall be allocated in the "A" final on an 11, 10, 9, 8, 7, 6 basis and 5, 4, 3, 2, 1 for the "B" final (note that the highest points that can be earned in the "B" final is 5 points). If any team/individual in either the "A" or "B" finals is disqualified they will earn 0 points for their Branch.

Dead Heats

Dead heats in finals in both team and individual events shall be declared as per 35th Edition of the SSM. Placings shall be awarded as follows: Equal first will result in no second place being awarded with the next placed competitor or team being awarded third place etc. In the event of a three way dead heat for first the next placed competitor or team shall be awarded fourth place and so on.

Overall Branch Pointscore

The Branch with the highest aggregate of points at the conclusion of the competition shall be declared the winner. Further to this when the event has concluded and if there is a tied pointscore, the Club or team with the most 1st placings shall be declared the winner. Failing this, the Branch with the most 2nd placings to the last placing points awarded respectively will be taken into account to determine a winner. If, after this procedure there is no single winner, then the pointscore will be declared a tie and dual trophies will be presented.
