

ANNUAL REPORT

Season 2018 - 2019

59th Edition

59th ANNUAL GENERAL MEETING

Notice is hereby given that the 58th Annual General Meeting of members of Umina Surf Life Saving Club Inc. will be held at Umina Surf Life Saving Club House, 509 Ocean Beach Rd, Umina Beach on **Sunday 23th June 2019** at 2:30pm.

BUSINESS

1. To confirm the Minutes of the previous Annual General Meeting.
2. To deal with any business arising out of such Minutes.
3. To deal with any relevant correspondence.
4. To receive and adopt the Annual Report and Financial Statement.
5. To deal with any Motions of which due notice has been given.
6. To elect Directors of the Club for the 2019-2020 Season.
7. General Business of an Urgent Nature.

Please Note: The Chairman has the right to vary the order of the meeting.

Only current Financial Members from 2018/2019 are entitled to vote at the Annual General Meeting. New members are not entitled to vote at the AGM but can attend meeting. Renewal of Membership will take place from 12:30pm to 2pm or prior via gateway. These renewals will be ratified by the Board at the first meeting of the new executive term.

Information and nomination forms can be downloaded from the Web site: www.uminaslsc.org.au or by contacting the Director of Administration at admin@uminaslsc.org.au.

Written nominations must be received by the Secretary or club office at admin@uminaslsc.org.au on or before **9th June 2018**.

Jenni Darwin- Director of Administration

Office Bearers 2018-2019

President-Executive	Stephen Scahill
Director of Administration-Executive	Jenni Darwin
Director of Finance-Executive	Wendy Cook
Director of Surf Sports-Executive	Harold Marshall
Director of Lifesaving	Paul Sharpe
Director of Education-Executive	Bob Powell
Director of JAC	Skye Marshall
Director of Facilities	Greg Smith
Deputy Director of Lifesaving	Skye Marshall
Motorized equipment Officer IRB	Jimmy Irwin
Water Safety Co Ordinator	Simon Darwin
Bar Manager	Marty Smith/Bill Cook
Communications Officer	Kai Darwin
Boat Captain	Grant Stringer

Robert Powell		

Life Membership Award-Bob Powell

Bob Powell has been honoured and recognised for his dedication to Surf Life Saving-Bob has been Patrol Captain & Umina SLSC Director of Education & Training for many years and has had a heavy involvement within similar Branch roles –

It is with great pleasure that we get to announce he has been awarded Life membership for Umina SLSC and also unanimously voted in as a LIFE MEMBER of the Central Coast Branch too!

And if that wasn't enough Bob was awarded Community Volunteer of the Year at the Central Coast Council 2019 Australia day Awards.

Congratulations Bob, we are so proud of you!

OAM Surf Lifesaving– Bill Cook

Bill spent 10 years as a member before moving into more involved roles at the club- His Resume is very impressive with roles from coach to president at one point or another, Bill was granted Life Membership to the club in 2010 & now the top honour of OAM. –Congratulations Bill

Umina Beach Surf Life Saving Club

- President, 2017 and 2008-2013.
- Sponsorship Coordinator, since 2016.
- Building Officer, 2013-2015.
- Bar Manager, 2008-2013.
- Assistant Master Coach, since 2007.
- Life Member, since 2010.
- Member, Building Committee, 2005-2007.
- Executive Member, 2003-2013.
- Treasurer, 2003-2008.
- Member, since 1993.

Bill has also been involved with Ettalong Pelicans Masters Swimming Club
& Rotary Club of Woy Woy.

Jemma Smith named Youth Athlete of Year for third time.

Jemma Smith was honoured for her achievements & dedication to Surf Lifesaving at the Surf Life Saving Awards of Excellence Australia- Jemma was named Youth Athlete of the Year for the 3rd year running.

2018 Central Coast Sports Awards

Garry Mensforth-Volunteer of the Year

2018 NSW Junior Development Academy

Umina SLSC –Sienna Scahill was selected to represent the Central Coast for this development program that is aimed to help introduce young athletes to a high performance sport environment.

Australian records fly out the door at the Pool rescue Championships

2018 National & Interstate Pool rescue Championships held at the South Australia Aquatic Centre has seen over 20 Australian records broken on the first day of competition. Umina's Kaylah Holmes, Bronte Smith, Rachel Wood & Jemma Smith one of the teams to smash a record in Women's 15-18 4x 50 Obstacle Relay.

Board of Directors

President-Stephen Scahill

Director of Administration-Jenni Darwin

Director of Finance-Wendy Cook

Director of Surf Sports-Harold Marshall

Director of Lifesaving-Paul Sharpe

Director of Junior Activities-Skye Marshall

Director of Education- Bob Powell

Director of Facilities- Greg Smith (not pictured)

President | Stephen Scahill

The 2018/19 season was one all members of the Umina Surf Life Saving club can reflect upon fondly. For the first time in our proud history the surf club membership base exceeded the 1000 mark, landing at 1042 members by seasons end.

However it was the quality of our contribution from members that we should be most proud. Across the patrolling season our Life Savers volunteered 9710 combined hours and in doing so they successfully ensured the safety of the hundreds of thousands of visitors to our beach. Paul Sharpe did a remarkable job and can be extremely proud of the quality of leadership he has helped foster in the form of our patrol captains. Paul led from the front clocking up the equivalent of the patrol requirements of 6 members.

Congratulations on behalf of the entire club to our Patrol Person of the Year Steve Murphy. Steve's contribution to the club is wide ranging and it would be hard to imagine a more popular winner of the award as indicated by the reception afforded Steve when this was announced at our presentation evening.

The most significant piece of work we will undertake this offseason is the extensions to the club. We feel it is important to provide insight around the need for the work and the process undertaken. It is driven by a combination of the growth in membership necessitating more equipment and the council mandate for us to remove the shipping container that currently stores our skis. This container is outside the boundaries of the land permitted for use by USLSC and clearly there is no room to add the skis in the current layout downstairs.

Designs were created and a member forum held at the beginning of the season to get your feedback on the design. From this we engaged some interested members to assist with the layout downstairs to optimise utilisation of the space.

Multiple quotes were obtained to conduct the building and a sub-committee appointed to review the quotes and make a recommendation to the Board. The sub-committee provided a unanimous recommendation to appoint Homebrook Pty Ltd as our builders. The Board unanimously voted to support this recommendation. Homebrook Pty Ltd is a locally owned business operating since 1989. Directors are Dave and Christine Bishop, longstanding club members.

Partial funding for this program of works has been secured through a state grant. Whilst USLSC has a dedicated building fund which will allow us to fund the remainder of the build we are looking for alternative funding solutions to allow us to retain financial reserves. It is the view of Directors that should we continue our current growth trajectory additional storage will be required into the future.

The manner in which this tender process has been managed provides great confidence in getting an excellent result for the club. Greg Smith has carried on the great work of Steve Funnell who stepped down from the role of Director of Facilities. Steve had set many key initiatives in progress and Greg has demonstrated a great ability to execute. In addition to the extensions Greg has worked closely with council and at the time of writing Accessibility Matting to allow wheel-chair access to the beach viewing area and onto the sand has commenced.

Administratively our club has made some significant changes over the past year. Recognising the growth within the club we have attempted to add some further structure to allow the appropriate time and consideration on important matters. Over the past year we have added a number of sub-committees including: the renovation design committee; building committee; the grievance and disputes committee; the Investment committee and of great importance the Safeguarding of Children and Young Persons committee. This has allowed us to tap into some of the wonderful expertise that exists in our surf club community.

The purpose of each of the committees referenced above is to conduct deep dive reviews into their particular area and provide the Directors with recommendations on how we proceed. Your Directors take very seriously their role in the running of the club and this process is not one of deferring responsibility. Rather it allows the Directors to be armed with more information and perspectives to aid with decision making.

Sincerely, each and every Director of this club deserves more thanks than we can possibly portray in this forum. Jenni Darwin has taken on with vigour her role as Director of Administration, possibly the most wide-ranging

and complex within the club. Jenni was also the primary architect of the Senior Presentation evening which was such an appropriate crowning event to a wonderful season.

In terms of sheer effort and passion the club owes a great debt of gratitude to Harold Marshall. Harold now oversees a Sports department that is quite literally a 12 month a year operation. By the time our Senior Athletes have competed at the Aussie titles the IRB racing motors are at full throttle. Shortly there-after Harold is again leading the way heavily involved in our Pool Rescue program. The selfless contribution Harold and Skye Marshall made at Aussies will live long in the memory of those who attended.

It would be difficult to imagine anyone experiencing a more rewarding or well-deserved season than the 12 months enjoyed by Bob Powell. Over this period Bob has been awarded Life Membership of Umina SLSC; Life Membership of Central Coast SLS and awarded the Central Coast Volunteer of the Year. That recognition defies embellishment and we are so very lucky to have Bob at the controls of our Education program.

There was another very significant recognition afforded a club great this past season. Life Member Bill Cook was awarded the Medal of the Order of Australia at the Australia Day Awards.

Bill Cook OAM.

One of the most pleasing aspects of our club is the growth within the Nipper Department led so capably by Skye Marshall. Skye has fostered an atmosphere where Sunday morning is quite literally the highlight of the week for so many of the kids, parents and helpers. It is a challenging role juggling participation and competition and Skye has developed a wonderful balance of providing many training opportunities for those interested whilst ensuring Sunday is a day of fun, challenge and achievement. The enjoyment experienced by the whole family is well reflected by the number of parents who are introduced to the club through Nippers and go on to complete their Bronze Medallion and become engaged in Patrol and Water Safety activities.

Without previously being witness to the work it is hard to fathom the amount of time that Wendy Cook spends contributing to our club. Wendy has indicated that she may not seek another term as Director of Finance. Irrespective of whether Wendy has an official role as a Director her knowledge and expertise cannot be lost to the club. Simply put Wendy is far too important for us to allow that to happen.

There are so many others that deserve recognition. Contributions occur in many forms across our club. It is however appropriate that the final word is about our Club Person of the Year. Pam Edmonds has long been a mainstay supporting our Education efforts. This year Pam transformed our Bronze program for the youth who are becoming age-eligible. The participation and enjoyment from our future lifesavers says all we need to know about the success of this initiative.

Thank you to all our members for contributing to a highly successful and enjoyable 2018/19 season.

Director of Administration | Jenni Darwin

It's been a year of change and new initiatives within the Administration and Member Services Portfolio.

With our membership growing and the challenges of trying to switch to online enrolments, we have managed to streamline some of these processes and the registrar team have done a great job at managing all our member registrations and records. My thanks go to Alli Hoyland and Karen Murphy for the many hours they have put in processing memberships and ensuring our systems are up to date. Thank you too to Christine Lavers for her invaluable knowledge of surf guard and ability to run any report requested.

The focus this year has been member centred - asking the question, "How does this benefit our members?" at the heart of any decision or new initiative.

One of the key areas we have looked at is Member Protection and my heartfelt thanks goes to Julie Fayers, our Member Protection Officer, who has been leading the way in this area.

This year we created a sub-committee to handle grievances and member issues. This important step means that our members have an impartial body of people to look at concerns they raise and in turn report back to the board their recommendations. This also ensures that members have a route of appeal to the board, who haven't been directly involved in the investigative process.

Whilst, of course, we hope this committee remains underutilised, this is an important new provision for our members and vital for such a large organisation.

The Grievance Committee is made up of the Director of Administration and 2 life members – Christine Lavers (a qualified member protection officer) and Brett Harrod, who has many years of experience in this area at Branch and State. Julie Fayers is also on the committee in an advisory capacity.

Another initiative that we have been rolling out across our club is Safeguarding Children and Young people. Our board has placed this front and centre of its focus. It is a standing agenda item at every board meeting, which ensures we continuously monitor our Safeguarding program.

Our priorities go beyond the requirements laid down from SLISA and encompass a very best practice model within our club. Our focus this year has been on our youth members and Julie Fayers has delivered safeguarding sessions for our teenager age groups, giving them pathways of communication if they need to talk to someone and ensuring that they feel able to express any concerns they may have.

From this, we are working on launching a new Safeguarding Strategy and series of training sessions for coaches and age managers as well as a set of informal safeguarding sessions for all our youth and junior members. Included in this area are conversations around social media use and how our young members can protect themselves in an online world.

The recent provision of Mental Health First Aid training for 3 of our members means we can also move forward with plans to work on a member well-being program. With mental health and in particular youth mental health being an increasing issue in our community, we hope to be able to provide a supportive framework for our members, pathways for concerns to be raised and a safe place to come when the need arises.

This member centred focus also means a renewed priority has been given to accessibility and inclusion. I was fortunate enough to attend a seminar given by Ability Links this season and take information back to the board, who have also placed accessibility as a standing item at every meeting.

After many months of waiting for Crown Lands approval, we have finally been able to start laying the accessible matting down that we purchased last year, so that wheelchair users can access the beach and look out.

Our thanks go to Ability Links for the grant and Central Coast Council for partnering with us on this important project.

We took this member focus into the planning of our Annual Awards evening and Senior presentation. Feedback from previous years had been that members wanted more time to socialise and celebrate. With

this in mind, we stripped down the presentation part of the night, giving focus to the major awards but making sure people had time to chat both before and to dance after! As ever, we welcome any constructive feedback on the changes we made.

In other areas of this very varied portfolio, our youth development and participation continue to go from strength to strength.

We hosted the Rotary Youth Exchange again this year, with Jasmine Darwin and Mollie Murphy taking the lead on this.

We again had great numbers of U13's and 14's attend the Youth Development Camp with Grace Talty, Georgia Ray, Jasmine and Kai Darwin volunteering as facilitators.

Kai Darwin, Lachlan Mcleod and Grace Talty gained a place on the 15-17's SLSCC Leadership program with Matthew Calbert and Jarryd Edmonds volunteering as facilitators.

Lily Perry and Grace Talty attended the NSW YOMS leadership camp in Sydney with Maddison Mcleod and Matt Calbert facilitating this camp as well.

In terms of administration, Jane Ritson continues to do an outstanding job in her role as administrator, a position that requires her to be multi-talented and across every facet of the organisation.

Having reviewed our administrative processes, we have engaged an IT company to bring the club up to speed with an online cloud-based server.

This will not only ensure document sharing becomes a much easier task but also is an important part of our succession planning, enabling new directors to pick up a portfolio with a well-ordered system in place of tasks, calendars and documents.

The recent successes the club has experienced has much to do with the commitment to good governance over many years by some key people. My thanks go to Wendy Cook, Christine Lavers and Jan Harding for their assistance and expertise and for the legacy they have provided for future members.

Club of the Year 2018/2019

Director of Facilities | Greg Smith

The 2018/19 season saw an exciting year in the facilities management space, focused on supporting the commencement of two major pieces of work; our club renovations and the installation of accessibility planking.

Work on the accessibility planking commenced on the 14th May 2019. The accessibility planking allows wheelchair access to the beach and beach viewing area, opening the space to more members of our community to enjoy. My thanks to Wendy Cook and Steve Funnell for their work in securing planking and Brett Whyte in gaining the relevant approvals from Crown Lands to enable the widening of the beach access track. I look forward to seeing our community members making use of the new space.

The much-anticipated renovations to our club commenced on the 27th May 2019. It was encouraging to see the level of engagement from our club community on the future look and feel of our premises. An event "Pies and Plans" was held to share the preliminary renovation designs and was well attended by members who were keen to voice their vision for our changing space. The design process was very effectively run with the expertise of Steve Murphy, Mick Magurren and Danny Cunningham. The group brought a diverse experience to help shape a fit for purpose layout of the club.

A sub-committee, comprising of Dave Gaffney, Mike Jordan and Marty Smith, was formed to review the work proposals and make a recommendation to the Board of Directors on engaging a builder. Homebrook Pty Ltd was awarded the contract to carry out our works, with the renovations anticipated to be completed by September 2019.

I would like to thank all members, particularly the IRB team who are in the competitive time in their season, for your contributions, support and patience during the renovation process. I look forward to managing the ongoing works and launching our new facilities in the upcoming season.

Director of Lifesaving | Paul Sharpe

Well that's a wrap for another patrolling season at Umina SLSC. The Red & Yellow Flags came down for the last time in the 2018/19 Season on Sunday 28 April 2019, signifying the end to a challenging but successful season. The Red & Yellow Flags went up for the first time on Saturday 23 September 2019 and since then Umina members have patrolled every weekend and public holiday, through rain, hail and shine to ensure the safety of the general public who come down to enjoy the best beach in Australia.

Firstly, I want to take this opportunity to thank every Umina SLSC member who spent their time on the beach patrolling this season. We are first and foremost a Surf Life Saving Club, and our core business is patrolling. Without our patrolling members, our club couldn't exist. Each member's contribution to patrols played a part in Umina SLSC maintaining its proud record of 'No Lives Lost'.

The season started off in typical fashion with the core lifesaving team drawing a short breath between the 2017/18 season ending and the planning and preparation for the current 2018/19 season commencing.

Umina SLSC Lifesaving Committee

This season for the Umina SLSC Lifesaving Committee was one of success. At the end of last season the club winning the SLSCC Branch Patrol Efficiency Competition and Patrol 1 being successfully named SLNSW Patrol of the Year.

Lifesaving as a whole continues to grow every year and I have been extremely fortunate to be supported by such a talented and dedicated team behind me. It is often said that 'volunteers don't necessarily have the time, but they have the heart', and this group of people exemplify that. The Lifesaving Committee was composed of a small group of dedicated patrolling members who each took on an area of responsibility within Lifesaving at Umina, in addition to their regular patrol duties. The committee met regularly to discuss our current operations and shape the future direction of Lifesaving at Umina SLSC.

I wish to personally thank Skye Marshall, James Irwin, Kai Darwin, Robert Powell and all the patrol captains who all worked very hard within their roles this season and made great contributions to the club.

Patrols

Patrols were kept very busy this season with overall beach attendance up 140,000 from last season, to in excess of 301,469 people.

Combined, our members volunteered an incredible 10,200 patrol hours this season. To place that in perspective, that's in excess of 420 days of combined patrolling hours. This constant diligence saw Preventative Actions up by 5000 to 9207 and ensued that we continued our record of no lives lost between the flags at Umina.

The 2018/19 Season saw our members undertake in excess of 29 rescues, with more than half of those using a rescue tube or rescue board. We attended to more than 142 first aid incidents and reunited more than 30 lost children with their parents. The season saw us perform 142 first aids during patrol hours, a marked increase from previous seasons, and numerous outside of our rostered hours.

Thanks to Water Safety Coordinator Simon Darwin for the nipper season.

I couldn't function in my position as Director of Lifesaving, and patrols couldn't function effectively without the support, guidance and professionalism of our Patrol Captains

Thanks must go to our Patrol Captains, Robert Powell, Kerry Armstrong –Smith, Jacqui Knight, Steven Duxbury, Ashlee Dean, Warren Whitney, James Irwin, John Bowyer, Duncan Way, Steve Thomas, David Bishop, Skye

Marshall, Rick Boylan, David Gaffney, Steve Murphy who are always first on the beach and last off the beach on any given patrolling day.

Patrol Audits

Every patrol's favourite occasion. They approach in their unsuspecting blue shirts and clipboards on any random occasion. As part of Surf Life Saving Sydney Central Coast (SLSCC) Patrol Audit Program, Umina SLSC was audited 4 times throughout the season. These audits are to ensure we as a patrolling club are upholding our lifesaving agreements in regards to our personnel, our operating standards and competency in resuscitation and rescue availability. All our patrols have achieved great results.

Education

At Umina, we wouldn't have new patrolling members or sufficient patrols without the tireless work of our education team, led by our Director of Education Robert Powell. Robert and his education team have trained 39 new Bronze Medallion members, 22 new Surf Rescue Certificate members, 17 IRB crewman and 3 IRB Drivers who have enthusiastically joined our patrol teams this season.

Final Word

As the sand settles on the 2018/19 Season I want to take this final opportunity to thank our Patrolling members on another successful season. Umina SLSC maintained its proud and longstanding record of no lives lost, and I think we managed to have a bit of fun along the way.

I look forward to seeing everyone back on the best beach in Australia next season and wish everyone a safe and enjoyable off season.

Patrol Person of the Year | Steven Murphy

40.5 rostered, 10 substitute, 8 volunteer = 58.5 hours

Steven currently holds his Bronze Medallion, Advanced Resuscitation Techniques Certificate (ARTC), First Aid Certificate, IRB Crew Certificate, Silver Medallion IRB Driver Certificate, Silver Medallion Beach Management Certificate,

Steven is currently the Vice-Captain and IRB Driver of Patrol 13 and has always been more than happy to step in to fulfil the role of Patrol Captain when required. He has fulfilled all his patrol obligations above and beyond as noted in his 8 volunteer hours, 40.5 rostered hours and 10 substitute hours for a combined total of 58.5 hours.

Steven is a consummate professional, eagerly taking the boat out in good and bad weather, small and large surf, checking for potential danger to beachgoers. Steven mentors the younger patrol members and generously offers his time to train those members interested in obtaining their Lifesaving Awards. Steven always remains behind at the conclusion of any patrol he is on to ensure IRB is in perfect working condition for the next patrol driver. His dedication achieving the 100% patrol achievement award. In addition to these hours he has contributed hours to patrols as an IRB driver, not including the day shift water safety hours he volunteered at NSW State Life Saving Titles and so ensuring our club was successful in fulfilling our quota of water safety.

Youth Patrol Person of the Year | Kai Darwin

24 rostered, 20 substitute, 4 volunteer = 48 hours

Kai currently holds his Bronze Medallion, Advanced Resuscitation Techniques Certificate (ARTC), IRB Crew Certificate, Silver Medallion IRB Driver and Silver Medallion Aquatic Rescue.

When on patrol Kai is on the beach well before sign on to ensure an operational IRB and rescue equipment lined up on the beach. Kai has completed eight out of his ten rostered patrols, arranging substitutes for these patrols as well as reciprocating them, in turn has seen him involved in a number of out-of-hours rescue operations in addition to the many volunteer hours he undertakes. His time is not limited to patrol requirements but also volunteering to ensure that the club meets its minimum water safety requirements at NSW State Surf Life Saving Titles and so enables our club to compete. He has been a great asset to the club and he is a testament to everything surf lifesaving represents.

Patrol of the Year | Patrol 11

Patrol Captain Rick Boylan

Patrol of the year is awarded each year to the patrol which demonstrates the highest standard of surf skills, character and team work. Main considerations for the award are the overall conduct of members whilst on patrol, new awards, patrol attendance and uniform compliance. This award is always closely contested amongst the patrols. Patrol 11 has been led successfully by Patrol Captain Rick Boylan. The experience and wealth of knowledge he brings to his patrol is evident, ensuring all his patrol members are rotating duties when on the beach whether it be roving along the beach or monitoring members of the public between our flags.

Patrol 11 is always on the beach early ensuring that the patrol trailer, signage frames, tent and IRB are all set up and operational for the morning all before 9am sign on. They have sustained a low number of 'No Shows'. All members showed a great range of skills in the areas of communication, first aid and rescue. When their patrol was under pressure to manage the beach on some of our busiest days such as the Australia Day and Christmas Day. They also managed an array of injuries from dislocated shoulders, broken ankles, and as always severe marine stings. Patrol 11 were audited during the season by our Central Coast Branch and achieved an incredible score.

Director of Finance | Wendy Cook

Umina Surf Life Saving Club Inc. financials for the year have been audited by registered auditors Fortunity Pty Ltd.

Our club is in a strong financial situation with us continually assessing and updating procedures for the growth within our club. With the correct management and continuing development, the financial stability of the surf club should be sound for many years to come.

The Club has financial assistance programs implemented that have seen the club continue to strengthen and grow. These included an Equipment Sponsorship, Board Lease program and part of our Lease agreement with the Umina Beach Cafe is to provide our Patrolling members lunch throughout the season. This agreement value was \$11,500.00 this year. Also, to accommodate for the growth within our club ongoing Grants are continually being applied for to assist in the club expansion. We have been successful this year with several grant applications the major one being for NSW Surf Club Facility Grants Program which will allow us to proceed with our club extension. This will enable us to remove the container requested by Council and rearrange our storage. Whilst this will not allow our growing club all the space we would like, it does give us compliance with the Council and Crown Lands and is within our financial limitations. Other successful grants were for assistance with Surf Camp and Office Equipment. We currently have another grant application in for the purchase of a new tractor for the start of the season.

Umina Surf Club would like to once again thank all our loyal sponsors and supporters for their ongoing support this year, without their support the running of our Surf Club including the purchase of new equipment to support our Life Saving Department and for our members through our member support schemes would not be possible. To our members who have helped with club events / fundraiser / raffles held within the club Thank You as these also help with all the ongoing member assistance programs Umina Surf Club has and the everyday running costs of your surf club.

Our major sponsors for this year were Ettalong Diggers, Club Umina, Merrylands RSL, Lance Clarke Amcal Chemist, Woy Woy Rotary, Ocean Beach Hotel, Homebrook Pty Ltd, East Coast Roofing, Fortunity, Bendigo Bank – Ettalong, Knight Mapleton Design Partners, Umina Beach Café, Paul Trust Account, Central Coast Surf Life Saving, New South Wales Surf Life Saving and Central Coast Council. We would also like to thank the many loyal local businesses and individuals that have also supported us throughout the year.

With the support from our sponsors this year the club has continued to subsidise memberships, and further advanced training of existing and new members. The club was able to purchase a new IRB this year plus other Life Saving Equipment, Rescue Boards, competition equipment incl, nipper boards, competition mals, we assisted with financial support for our members selected in Representative Teams and our Team that represented our club at the Australian Surf Titles in Queensland and the World Titles in South Australia with a special thanks to East Coast Roofing for totally funding the transport of our competitors equipment, the club also assisted financially with our members participating in the Duke of Edinburgh Award levels Bronze, Silver & Gold and financial assistance by way of Touring Team clothing and refunds on membership fees with the refund of membership fees totalling \$9,000.00 alone.

Our Hall Hire bookings have been good this year but with the season going forward a hold due to renovations has been placed on these, whilst this will impede our income the extension is essential. Umina Surf Club also provides its Surf Club Hall to other community / sporting organisations at varying discounted rates. The income from the Hall Hire and the Kiosk continues to provide a steady income towards the increasing running costs / maintenance of the Surf Club.

I would like to congratulate all our members for their achievements throughout the season and those who were recipients of club awards young and old at our Junior & Senior Presentations congratulations and wish our nominees at Central Coast Branch Awards success.

I would also like to thank everyone for their support during the year and my time as Director of Finance as I am standing down, I wish the new Board all the best for the future & Umina Surf Clubs Office Administrator Jane Ritson who is forever understanding. Thank You

Our Sponsors

Without support from local business and other organisations and individuals, we would not be able to survive.
Please support and recognise our sponsors as they support us.

Director of Education | Bob Powell

Another busy year for our club's education team, with 39 new Bronze awards plus approx. 10 in depth Bronze proficiencies, 22 new SRC awards, 34 ARTC awards, 3 IRB Driver and 17 IRB Crew awards. There are about 15 members who have been trained in SRC and BM who are awaiting award processing when age requirements are met, there are also about 5 members who have completed IRB training and due to other commitments, are yet to present for final assessment, all these members will be reflected in next seasons figures. Additional Awards gained during the season include:

14 Silver Medallion Beach Management (SMBM) (Patrol Capt.)

7 Silver Medallion Aquatic Rescue (SMAR)

5 Spinal Management

18 First Aid (AID)

Congratulations to Pam Edmonds on winning the "Club Person of the Year" and "Education Excellence" awards at the Umina presentation night. Pam has worked in the Education Team for well over 10 years, running our junior education courses including SRC and SRC to Bronze Medallion bridging training. Pam has spent many hours at the club and on the beach providing flexible, innovative training opportunities for our 13-15yo junior members. Pam has asked me to thank Kevin Armstrong and Jarred Edmonds for their assistance running the courses and those members who assisted with water safety. Pam is already planning training strategies for next season and will be liaising with appropriate Age Managers, etc. shortly. Great job Pam and well-deserved Club Person and Education Excellence award winner!

IRB training was competently led by James Irwin again this season. Training was arranged with mandatory induction/theory sessions followed by flexible self-paced training and included work on patrol, various final assessment sessions were offered throughout the season. IRB training will commence after IRB racing finishes, so keep an eye out for advertised IRB courses commencing around July. Thank you to Jim, Simon Cusack, Greg Diamond, Matt Calbert, Matt Warren, Lily Perry and Kai Darwin for their Training efforts and Peter Saxby for his assessment work through the season.

Delivering the Adult Bronze training courses were Kevin Armstrong, Vicki Swain, Steve Dixon, Lyndi Leggett and myself. Loads of experience and quality training outcomes were achieved as identified through participant feedback.

Thanks also to Jane Ritson for assistance with ordering education supplies and administering bookings for branch courses, remember, all branch courses must be booked through the office. Thanks also to those members who helped provide water safety for all our water-based training.

To all our members who attended courses this season, thank you for taking the time to obtain new qualifications and awards. The amount of SLSA qualifications and awards held and maintained by our members remains extremely high and allows our club to easily exceed our patrolling service obligation.

Would you like to become a trainer? If you are over 15 you can! And we would love to have you as part of our education team. You can even complete the full Certificate IV in Workplace Training and Assessment at no cost through SLSNSW. If interested just give me a call.

Thank you again to all our Trainers and Assessors, it is a pleasure to work with all of you and look forward to doing so again next season in whatever capacity.

REMEMBER next Bronze course commences 2nd week of nippers, so if you know of anyone who may be interested please spread the word to start pool swimming now, so they can complete the pre-req 400m pool swim (in 9.00 min).

Welcome to our new Bronze Holders.

Director of Surf Sports | Harold Marshall

Surf Life Saving is now a sport that run 12 months of the year and what another successful season the mighty the black, blue and white of Umina had in and out of the water. Our clubs surf sports function is strong across all aspects of Surf Life Saving, something that not too many clubs in NSW nor Australia have. This is a true testament to our One Cap One Club ethos and without the dedication of the coaches and team managers supporting our surf sports we wouldn't achieve the results we had last season.

Our competition year opened 12 months ago with our return to the exciting and fast paced IRB Racing. James Irwin and his team exemplified everything that Brett Harrod (prev Director of Surf Sports) had instilled. "Friendship, teamwork, dedication and commitment to achieving our goals"

Jimmy and his team had some amazing results over their winter season and rapid development of the teams' skills. The enthusiasm and drive to achieve more, resulted in the clubs first State Medal in a very long time. Congratulations Jimmy and the IRB team.

Moving on from IRB to winter pool was our clubs very successful State and Aussie Pool campaign. We had great numbers participating in both events, State at the Peninsula Leisure Centre and Aussie's over in Adelaide which again saw the black blue and white achieve excellence. Our clubs Pool Rescue program is second to none and this season was led by Jemma Smith, Kerry Armstrong-Smith and Carl Krucler. As you will see by our results below, the pool rescue team has achieved well beyond our wildest expectations. Yew!

July/August saw our the first of our surf competitors hit the water in preparation for the Coolangatta Gold in October and World Championships in the November. Our club was well represented at one the toughest events in the surf season the Coolangatta Gold. Led by our clubs most esteemed Coolie competitor Mick Magurren, who was joined by Masters Dean Tetley and Garry Wilson and youth trailblazer Lachlan McLeod in the short course. Outstanding effort and results by these men. Jenni Darwin also completed her first ever Coolie and opted for the LONG COURSE in her first attempt. Jenni this feat was nothing short of amazing and inspiring for all our members, Congratulations!

The World Titles were held back on home soil (Adelaide) where our strong team of Masters and Open competitors achieved excellence. This first event was a tough ask getting the athletes to bne in peak fitness so early in the season. The dedication to put in the long winter hours in preparation for Worlds was amazing. We as a club excelled in the Pool, the surf and beach events across the Masters, Youth and Open Championships. An exceptional performance from all with Medals and World Titles brought home from this event that's only held every 2 years.

With surf season now in full swing our beach was a thriving hub of lifesavers striving to be stronger and faster with the eyes firmly set on the State and Aussie titles. As I've stated prior, our club is strong and building lifesavers at the rapid rate. A common sight of a weekday afternoon would be more than 100 members on our beach training. Special shout out to the coaches, water safety and members who support the many streams. It could be beach coach Julie Jowett, helping the sand crabs of all ages to improve their skills and perform at their best. Steve Murphy, Jenni Darwin and Michael Jordan training the 50 or so nippers. You would see Grant Stringer and Johnny Young getting our four boat crews out in the surf and Trevor Gee and Pete Braddish putting the open surf team through their paces. Sunday mornings too when our Masters all come out to play. Nothing is a better advertisement for the lifesaving movement than seeing active and healthy members enjoying our beautiful stretch of beach.

Our boat shed this year consisted of four teams (u23 male, Master men and women and Open ladies. The boaties worked hard and travelled far and wide to ply their trade. All crews had great results this season at Branch, State and Aussies. Watching our teams compete in the huge swells up at Aussies is something that I will remember for a long long time. The conditions were horrific and huge and each crew showed their true mettle to test themselves against the best crews in Australia. Each our the crews advanced past their preliminary heats which is absolutely amazing. Special mention to the Masters ladies crew for their Aussie Bronze medal.

Our First Aiders had another successful season with multiple medals at Branch, State and Aussies. This is always fantastic to see the club excel in this specialty event. It's not for the faint of heart and you best know your First Aid and Life Saving Manuals otherwise your patience and patient may suffer. First Aiders you embody so much what we all love about life saving. Congratulation's your successes. Our First Aid program is one of the best in the nation and we look forward to our next iteration as the outgoing Madds McLeod hand the reigns over

to Hannah Murphy and Bronte Smith. Thanks Madds for everything you have implemented and achieved in your tenure as head coach.

Champion Lifesavers also had an outstanding season. Many medals at Branch, State and Aussies. Much like our First Aid program, our Champion Lifesaving function is the measure of what other clubs aspire to achieve. We are hoping that we can continue to build on the great foundations laid for our future Champion Lifesavers coming through. Thanks to all the many hands that assisted in making this season of CL a resounding success!!

Amazing results from our Life Saving competition stream.

Our Master of the Masters Rick Boylan, congratulations on many successful carnivals this season and the important role you play in leading our smiling master's athletes. Having such a fun, healthy and active group of supportive squad masters has led to so many new faces joining the fun in and out of the water. The Masters have excelled and medalled on the Branch, NSW, Aussies and World stage. Great work guys!!!

The open surf team led by head water coach Trevor Gee and Pete Braddish had a long and gruelling season. Preparing the open athletes for Worlds early in the season then having to maintain that level for the many rounds of the Ocean 6 series then add in a few local and Sydney carnivals was nothing short of amazing. And all this before we even get to State and Aussies. The open surf team have been the gold standard for Surf Sports on the Central Coast for some time and this season was no different. We had so many milestones and achievements below that continue to UMINA SLSC on the national stage. *"Friendship, teamwork, dedication and commitment to achieving our goals"* were the pillars on which this team was bound by and the results followed. Outstanding achievements once again from our Open team and we congratulate you all for representing the club with pride.

Many thanks also go to those who fulfilled our IRB rostered water safety duties at the State and Australian Titles, allowing everyone else to compete.

Surf Sports is only one aspect of a very busy and successful club, but thanks go to the ongoing assistance of the Club Executive for their role in supporting the development and continuation of our surf sports program. This "small club, big impact" is to the point where it's no longer viable for us to refer back to this. We belong with the upper echelon of surf clubs and we will continue to strive for excellence.

Up Up Umina.

Midford Board Riding Championships | North Narrabeen

Umina had 2 competitors attend the 2018 Midford Board Riding Championships which took place at North Narrabeen between 7 – 9th September- The state's top surfers from as far north as Cudgen Headland and down to Shoalhaven made their way to one of the most iconic surf breaks in the country in an effort to claim a 2018 state title.

U19 Male short board- Kieran Braddish- 3rd

30-39 yrs Male Short Board- Dave Benson 3rd

30-39 yrs Male Long Board – Dave Benson 4th

Masters Report | Rick Boylan

Another year done and dusted and what a great year we had. We were represented well at the Coolangatta Gold, Branch, State, Aussies and Worlds. It was a good feel for me this year as the Master Co-ordinator with so much effort put into events. We had a great group of keen individuals traveling to carnival even before my push for Branch, State and Aussies as I do every year. Again we struggled to get the officials but I would like to say a massive thank you to the ones that did show up for a very important part of this awesome club. This meant we did have officials, first aiders, water safety/IRB drivers and crew and last but not least all the behind the scenes work done with the carnival entries. Thanks again for everyone putting the effort in and putting your foot on the line again.

Again we have a dedicated group competing in the Gold and we will be training all winter. This will take us full circle and ready for the 19-20 season.

See you on the beach!

First Aid Report | Maddison McLeod

The 2018/19 First Aid season was filled with dedication, passion and enthusiasm as our squad took on, successfully, all three levels of competition. So successfully, Umina homed four branch medals, three state medals, and two Australian medals upholding our four-year streak of being U/15 branch and state champions.

Many thank-you's must be granted to all those involved, including our officials, patients and supporters. My biggest thank you, however, is to be granted to our newest first aid coaches, Hannah Murphy and Bronte Smith, who I must take all credit to for an outstanding season. I am so beyond proud of you both; the future of First Aid is in great hands!

Thank you for not only another outstanding season, but for the past five years! I cannot wait to watch our First Aid family evolve into bigger and better things.

Maddison McLeod

Duke of Edinburgh | Lyndi Leggett /Ashlee Dean & Mollie Murphy

DUKE of Ed begun with a BRONZE adventure up at the Girrorakool Loop Track with a night spent at the Rest Camp for Great North Walkers. We had an awesome weekend and our first adventure together as a Duke of Ed group. We jumped off a very high bridge, hiked up a river bed and had a rope tying team competition too. Before heading back up the hill on the last day, the teams had a challenge to build a stretcher that will carry one member of the team if they had broken a limb and were unable to walk back to the cars. The team's communication skills and listening skills were put to the test especially challenging after a night with very little sleep. Ahhhh teenagers!

Those Bronze Dukes who didn't make the first adventure went on their adventure /hike with Mollie leading the group from Woy Woy bridge up to the Kariong scout hall where they camped then hiked round to Patonga and back to the surf Club. It was an epic hike and great teambuilding and bonding by those who joined in. Our thanks to those parents who helped with driving us to and from adventures and those who joined the group on their hikes, Simon Darwin, Mel Porter and Tom Magurren.

The Bronze Dukes this year are Erin Scahill, Matt Kearney, Arti Torrible, Charlie Torrible, Ciara Porter Zarli Vaughan, Maia Darwin, Jade Nemsj, Eric Backhouse Jack Sloane, Kiara Jack, Bethwyn Caller, Tom Rodham and Zach Halliday. A great group of youngsters – it was a pleasure to have joined them on their adventures.

Our Silver Dukes being such a small group have been encouraged to jump straight into GOLD and their hours are being logged and adventures will begin for those ready to complete this final and most important Duke of Ed adventure.

This year's GOLD Dukes did their practise trip using our very own Brisbane Water using the club skis to get some practise on water for 4 days. This was preparation for their 4-day Kayak adventure down the Hawkesbury that happened on the Easter Monday concluding 3 days later.

What a fun adventure and 3 nights camping away from creature comforts on the banks of the Hawkesbury River. They kayaked 14kms on the first day, 17 kms on the 2nd day, the 3rd day was a huge effort – 22kms and then 14kms back to civilization. Mollie and I shared the adventure though both of us wished we had done the whole trip as it was a superb. Everything had to be packed into the kayaks including tents, sleeping gear food and clothing. This was the first challenge and from then on it just got better.

Our last day on the water was also ANZAC day and we all did the Boatie salute as pictured below “Lest We Forget”. What great group of young adults to share this time with. Our GOLD Dukes this year include Ethan Cali, Liam Cali, Bronte Smith, Kirsten Miller, Lily Perry, Madison Scahill, Grace Talty, Sam Gafney and Euan Caller. Leilani Healy completed her Gold adventure and has just a few last details to tie up before finishing completely and Hannah Murphy & Kai Darwin are also keen to get their last adventure done to complete this

incredible journey. Most Gold dukes have their residential program to complete and then they are finished. You're all so close to completing - keep going Gold Dukes. Thank you, parents, for all your help and looking forward to a new season of fun on the Duke of Ed adventures. Lyndi, Ashlee, Mollie.

Snapshots from Duke of Edinburgh program

Umina Surfboats Report | Grant Stringer

Firstly With this report I would like to thank some people for their outstanding contributions to the boat shed. The first being Stuart Graf obtaining a \$10000-dollar sponsorship from Ocean Beach Hotel. Stuart also attended and ran the Friday night raffle 99.9% of the time. Richelle Ingram filling in with open ladies Streets series rowing 6 races on a number of occasions and winning rowers rower of season

2018-19 season saw Open/Reserve women, Masters Men & Women with under 23s men represented Umina SLSC at season carnivals.

All crews' behaviour was outstanding representing Umina SLSC at carnivals with pride in themselves and their club cap and showing respect for fellow crews, officials and club venues

Outstanding results were achieved with medals being won at State and Aussie level.

CREWS

G-STRINGERS Women crew

At Open Women level they had an outstanding season winning Gold at Branch along with winning Gold at Streets series.

They competed in Reserve women at Interbranch, Best of the Best representing Central Coast and winning their division- More success came finishing 4th at the prestigious ASRL final at Elouera up against the very best continuing their outstanding season finishing for the Bronze medal at state level with all 3 place getters finishing on same wave.

This 3rd place at state was the first medal won by a women's crew from Umina well-earned ladies.

At Aussies Kurrawa being at its ferocious best they reached quarter finals with the Aussie Hoodoo once again striking breaking a sweep oar after a winning start.

G-Wizz Masters Women

Another outstanding crew for Umina winning their division a Gold at Branch and Street series.

They were again successful at State and Aussie level winning Silver at state and Bronze at Aussies.

This mature Ladies (Masters) crew also being the first for Umina to win medals at both State and Aussie level Thank you to fellow competitors and the supporters at both State and Aussies coming to boat area to cheer us on as crews we appreciated and it meant a lot to us Sharpie, Harold ,Skye & everyone loved the ice bath A thank you goes to Lucy rowing in Branch winning crew.

Leper's Super Dry Masters Men

A great second year for the boys with a few changes within the crew success came their way winning gold at the branch and competing exceptionally well at both State and Aussies- only crew to stay upright at Aussies well done 🍷

Mad Dogs Under 23s

2nd year together and the boys all still 19 (wrong end of the calendar) competed in 23s held their own and will be better for the experience- Injury to rowers was their worst enemy.

Under the very experienced sweep John Young 2019-20 season cannot come quick enough.

In training and learning we have a under 19's girls crew who are still 15-16 years old and showing a keen interest in rowing, Adrian also for next season is hopeful to put on the water another masters women crew and possible junior crew.

In closing it has been an outstanding season for the Umina Boat Shed

Thank you all Boaties, Umina Club

H.Grant (Grunt) Stringer

Board Captain Report | Steve Murphy

As the club membership has increased for season 2018/19, we have been able to grow the board stock thanks to our club sponsors especially The Paul Trust which allowed for the purchase of 8 new foamie nipper boards. Several sponsorship boards are being returned to the club stock as well which allows for quality boards to be available for training and competition. We received and purchased several new rescue boards which allows us to retire some of the older heavier boards.

Board repairs are an ongoing issue but early notification and tagging of damaged boards has seen them not getting waterlogged and returned to rotation quicker so thanks to all members with this.

The board lease programme for racing mals was continued again this year and is looking strong for next season as well.

Thank you to the club directors, sponsors, board repairers, and my family for helping out over this season.

See you next season

Rookie Report | Deb Scahill

On behalf of Umina SLSC I would like to thank our fantastic under 13 and 14 Rookies and families for a great season.

As part of the program our Rookies have represented Umina SLSC and participated with Rookies from over the Central Coast in the following events

- * Raising of the Flags - North Avoca SLSC
- * Rookie disco
- * Newcastle Permanent 13-14's Youth development Program Camp
- * Resnic Solar Rookie Challenge at Terrigal beach
- * Ducks for Bucks at The Entrance

A high light of these events was the Resnic Solar Rookie Challenge. Our team consisted of Jack, Ebony, Izzy, Davara, Jed and Archie. Winning the event was a great reward and credit to the team for the spirit and team work they displayed.

I would like to thank Patrol Captains, Patrol Buddy's and patrolling members who have played a large role in mentoring and teaching our rookies. A special thanks to Pam Edmonds and her team for all the time and training that has been provided to our rookies obtaining their SRC (Surf Rescue Certificate). Our rookies have volunteered over 1,000 hours combined on Umina Beach Patrols.

Finally, I would like to thank parents and club members that have helped transport, official and water safety at Rookie events over the season. I am proud of all our rookies and have enjoyed observing the great role models they are to our younger Nippers. Keep enjoying and learning. It has has been my pleasure to be involved with our fantastic rookies.

IRB Captain | Jimmy Irwin

With another successful season under our cap I would firstly like to thank all of our current IRB Drivers and Crewies for their continued support in maintaining our equipment. Washing the gear down at the end of patrol really does extend the life of our gear, and having it stored away Rescue Ready ensures we are always ready to go for any Call Outs which may come about.

We've had another successful season in training new Drivers and Crews, which will be covered more in the CTO's Report. However, I'd like to Congratulate each and every one of you in gaining this award. To the new Drivers, get amongst it, have fun but be safe and remember the public are always watching everything we do in Power crafts.

If gaining your IRB Drivers or Crew awards sounds fun and interesting, please feel free to contact me at your earliest convenience. Another course is not far off from starting again.

We are in our second season of IRB Racing, which sees us competing throughout NSW in the Sharkskin Premiership Series over 4 to 5 Rounds at various locations. This is a great way to hone your skills in a fast pace, fun environment. Our Under 23's Teams won NSW state medal last season, with most of our Crews making finals in their very first season.

A big Congratulations to Ian, who took out the IRB Competitors Trophy at this year's Senior Presentation. An award which is not only about being a great competitor, but a team player who is always there at training, fund raising and all the other facets of our great Team.

What we have found over the last two seasons is that the quality of Driver, and Crewman who race become better Life Savers. They are ready for any conditions that can be thrown at them while on Patrol, Call Outs, Water Safety at Sunday Nippers, State and Australian Titles. These are also the people training the new IRB Driver and Crewies within our club.

This Race season has been a great experience, with plenty of new competitors this season. We have seen an increase from clubs across the Central Coast join us to compete as Umina, which has been amazing but also brings a wealth of knowledge not only within the IRB discipline but Surf Life Saving as a whole.

This Season's Sharkskin series has seen a few of our own Umina Competitors be presented with medals in their own Discipline. To be in contention for medals, you must be consistent across all the rounds and gain enough points to be on top at the end of the series. With 23 Clubs from across NSW and multiple Crews from each club, this is no easy feat.

We are just about to gear up for the State Titles at Cape Hawke, which everyone has been working extremely hard towards. With testing conditions surely to prevail it will make for great racing.

Thanks again to everyone who has made this a great and successful Season.

JAC Report | Skye Marshall

WHAT AN INCREDIBLE SEASON....

It has been my privilege to help support our junior nippers' program for the 2018/19 season.

Firstly, I would like to say a huge THANK YOU to our wonderful team of Age Managers, Secretaries & Youth Assistants - without your passion, enthusiasm and dedication our nippers would not have flourished the way they have throughout this season.

For the hours that you dedicate to developing plans for Sunday nippers, for attending training sessions throughout the week to help support and develop our nippers skill set and the planning in the lead up to our carnivals, ensuring that each child has everything they need individually moving into competition, feel comfortable and confident and help achieve their own goals. You often spend more time at the beach than at home during the season ... that's normal isn't it? What you do it is very much noticed and appreciated.

As I have mentioned numerous times throughout the season, we cannot function as a club without volunteers – we need them in every aspect of our organisation. This is no different in our nippers' program.

Thank you to our volunteers that come down to the beach early and late every Sunday, rain hail or shine to help set up the age group flags, prepare for the day. Including SIPS, ensuring that meals are planned and presented week in, week out.

To our incredible water safety & IRB team that ensured we had water course set and enough water safety in the water to support our nippers, and well equipped and skilled IRB drivers and crew to ensure that the nippers were well spotted and supported in the conditions of our own beach and the local beaches at carnivals – this is no mean feat and we are greatly to have such a dedicated and skilled team.

To our wonderful uniform crew that helped with more than just picking the right size of that pink rash vest and swimmers. Your friendly assistance and service with a smile welcomed many new members and nipper to the chaos that is a Sunday morning at nippers.

Thanks to our registration team that helped upload the hundreds of nippers and parent members, long after the registration days were over. We look forward to another season of the same.

To our extraordinary officials (marshals, starters, finishing judges, recorders, sectional referees, first aid) that put their hand up, generally for the best seat in town (or at least at a nipper's carnival). For the hundreds of children, you see, smile at, offer encouraging words and congratulate for trying their best. Thank you. We have managed this year to increase our certified technical officials by quite a bit this season. Thank you to those that put your hand up, even when you were unsure what you were really signing up for. We appreciate it, as do our nippers that get to compete because of you.

To our nippers coaches that help support those that come through the week to work on skill development and endurance. I hope you realise how much you are appreciated.

To our parents – thank you. Thank you for trusting us with your children, thank you for supporting them and bringing them to the beach. I promise you the decision to bring your child to nippers, if it hasn't already will change your life forever!

A massive T H A N K Y O U to our I N C R E D I B L E team of nippers - on behalf of our wonderful club I am IMMENSELY proud of each and every one of you!!!

You are strong and courageous – I am continually blown away by the teamwork, determination, encouragement and sportsmanship that our incredible nippers display.

It is heart-warming to have such an incredible team of such kind and compassionate kids that we get to proudly call our Umina Nippers. During nippers on a Sunday and when away representing our club during carnival competition I have seen arms flung around shoulders in pure delight, pats on backs of congratulations, and cuddles to ease the upset – throughout the season this was not only noticed by me, and no doubt by many parents but I had other clubs & officials make comment to me about the same.

Each and every one of our nippers gave it their absolute all whenever they put their toe on the line. Our nipper's held their heads high, walked, talked and competed with pride and did themselves and our club proud - this was both on and off the competition arena.

Lastly, to our Junior Club Captains, Ebony Rayner & Finlay Healy, thank you for your support throughout the season. Thank you for your assistance each Sunday, after carnivals and whenever called upon to assist. I am grateful to have such dedicated, kind hearted junior ambassadors helping pave the way for our younger nippers.

Not only did Ebony represent our own club as Junior Club Captain, Ebony was also successfully named as the female Central Coast Junior Lifesaver of the Year. Ebony encapsulates all that surf lifesaving has to offer and stands for. She is a dedicated patrolling member and nipper (although finished her official nipper career now) she always tries her absolute best in all that she does and will continue to be a role model moving forward.

As you can imagine, with such a strong support base we achieved some incredible results this season... both on and off the sand - this resulted in many personal bests, and for a few there was even some bling!!

We were successful in winning the Enviro bank Challenge for the second year running run throughout the State Titles - thanks to our wonderful nippers & siblings for collecting 71 bags of recycling - I believe it was a 50-bag lead!! The plan is that the \$500 prize money will be going toward a snow cone machine that will be utilised for our nippers during sips for the seasons to come.

Our competition results at the NSW State Age Championships, held at Blacksmiths Beach, Swansea Belmont include;

Two amazing INDIVIDUAL STATE MEDALLISTS;

Finlay Healy – U14's Male 2km beach run * SILVER *

Sienna Scahill – U12's Female 1km beach run * GOLD *

And two sensational TEAM STATE MEDALLISTS;

Davara Marshall & Mikayley Fisher – U13's Female Board Rescue * GOLD *

Beth Rodham, Leah Cookman, Lahni Moore, Sophia Grey – U11's Female Beach Relay * GOLD *

Next season (which isn't really that far away) – we welcome our Junior Club Captains for the 2019/20 Season in Davara Marshall & Archie Rayner.

I look forward to working with them both next season and I know that they will continue to represent our wonderful surf club with pride.

Until next season - UP, UP UMINA!!!

See you on the beach.

Under 14

Age Manager: Brian Healey | Age Secretary: Kylie Rayner

This year wrapped up the nippers journey for the FABULOUS UNDER 14's!

This season our regular faces returned, some of them for their 9th season of nippers while we also saw some new faces join us in the U/14's for their first ever season of nippers.

Sunday's saw us at nippers working hard in the water to further develop our skills, particularly with the transition onto Racing Mal's. Lots of fun and laughs were had with some great personal bests being achieved in the water. It was fantastic to see all of our 14's, new and old, gain confidence and skills in the water throughout the season and see them support each other week after week.

For those that wanted to focus on surf sports and train, these kids trained with the seniors during the week. A big thank you to Trevor and Peter for the coaching you gave them. Your skills, time and attention you gave to our U/14's is truly appreciated.

We had Finlay, Ebony, Hannah & Taylor travel to Swansea to participate in State titles. There were some testing conditions in the water but everyone got wet and a fun weekend was had by all with some great results. Finlay came away with a Silver medal in the 2km beach run & Ebony came away with a Silver medal in Champion Lifesaver.

This season some of the girls helped out each week at Seagull nippers up at Ocean Beach. Thank you for giving up your time to give the opportunity to others to participate in nippers.

Congratulations to Ebony who was named the Central Coast Junior Lifesaver of the Year and represented the Central Coast at the Surf Life Saving New South Wales Junior Lifesaver of the Year Development Program.

A thank you to Pam Edmonds for her time and dedication to the SRC program as we welcomed our newest SRC holders Jack & Kalani over the Christmas holiday period.

We want to thank all the parents and carers for bringing their kids along and for their help and support over the years.

The confidence, skills and self-belief we have seen in the kids over the years is amazing. We look forward to continue to see them on the beach whether it be competing, training, patrolling or helping out around the surf club. We are very proud of each and every one of you!!

Finally, a huge thanks to our junior club captains, Finlay & Ebony who represented the club many times over the season. You both did a great job!

Under 13

Age Manager: Harold Marshall | Age Secretary: Allison Hoyland

Our Under 13's continue to amaze us. Watching the young nippers continue to hone their skills each and every week with huge smiles made this season the most fun in our last 8 years.

This year we attended many events as "Rookies". We attended the Raising of the Flags to open the season, the Branch Rookie Halloween Disco at North Avoca and had a ball dressing up. We got to represent the Club at the annual Rookie Challenge at Terrigal that we won. We headed up to The Entrance on Australia Day for the Annual Ducks for Bucks Branch fundraiser. We also attended our last ever Umina Surf Camp. Many of our great memories were made at this amazing yearly event and this year was awesome too.

This year we also gained our first full qualification as Life Savers by gaining our Surf Rescue Certificate. A huge thanks to our Club Person of the Year Pam Edmonds who was the driving force guiding all to achieve their SRC.

Like our previous seasons, our Nipper group had a large cohort of athletes compete in all the local carnivals and the State Titles. The nippers all worked extremely hard this year at our training sessions with so many personal bests and amazing feats achieved. Congratulations everyone!!

Our Under 13's have so much pride in our black, blue and white cap which is evident in the way they've carried themselves in all of their activities. Whether it be patrolling the beach for their first season, attending the events mentioned above, competing in carnivals or even just playing games with our younger nippers. The constant positive feedback Alli and I get is pleasing but not surprising! You are all outstanding members of your community and we are so proud and glad that we get to share our Surf Life Saving journey with you all. We've only 1 season left together and we both look forward to another year of hilarity and fun!! Good luck next season in your first season as Youth athletes and most of all - paddling the big boards!!!! I know you all will have a ball and enjoy the new challenges that will arise.

A special thanks to our amazing JAC Skye for keeping the focus on fun and engagement for all our amazing nippers.

Thanks again and see you on the beach.

Under 12

Age Manager: Jenni Darwin | Age Secretary: Diona Forlee

. What a season! The success our U12's gained this year is a testimonial to their focus and commitment to Surf Life Saving and their sport.

Our Sunday focus was on fun, lifesaving skills and water skills. Jemma Smith ran a session on CPR with the manikins, something they had been begging to do for the last 2 years!

We carried out first aid scenarios, signal training, tube rescues and board rescues on a regular basis and every water session started with a discussion around the conditions and where the safest place to swim was, as well as where the best route was to get out and around the cans.

Board rescue featured high on the wish list every week, along with board swap games and team swims, working together and helping the less confident around the cans.

At local carnivals, the girls continued to dominate the water in their team events as well as some fantastic individual results. The boys also placed regularly in both the swim and board teams, with many top 6 places for individuals and some outstanding personal bests from everyone who competed this year.

At the NSW SLS Championships, our Umina U12's performed exceptionally in very challenging conditions. With 4 of our girls making state finals and our boys getting some high semi-final finishes, our competitors go from strength to strength and have an exciting future ahead of them.

Of course, we could go without mentioning our incredible young runner Sienna, 1km beach run champion for the second year in a row.

All the U12's are to be commended for their efforts this year. Their commitment to training is outstanding and they are a pleasure to coach and mentor. They are an enthusiastic bunch and the friendships and comradery they display is great to see. SLS builds friends for life and it's a privilege to be witness to that.

As they move into U13's next year, I know they are all looking forward to donning the red and yellow and finally getting on patrol and being given a chance to use their life saving skills.

My thanks go to the parents for bringing them to the beach week in and week out and for their help with water safety, officialing and bringing the boys in line!

See you on the beach.

Under 11

Age Manager: Mike Jordan | Age Secretary: Grace Talty

This was an awesome season for the Under 11's. As a first time age manager I was unsure what to expect but with the help of Gary & Grace and the enormous amount of effort, enthusiasm and can do attitude shown by the Under 11's it turned out to be a breeze and an absolute pleasure. We had a few new recruits this season with no previous surf experience; they got involved and showed enormous growth by the end of the season. From the challenging conditions at State this year compared to the calm of conditions at Toowoomba Bay Carnival I witnessed tremendous growth from these young athletes. I hope to see you all on the beach next year and I am on the campaign trail to recruit some new team members to be part of this awesome surf family!

Under 10

Age Manager: Stephen Scahill | Age Secretary: Viki Dickinson

Another fantastic year spent with an incredible group of nippers and parents. The unofficial season commenced with a large number of families heading to Forster for the October long weekend for a trip more about team bonding than the surf activity.

It was great to see so many returning nippers, and our group was enriched by some new families joining who made such a great impact on our group. The participation levels each Sunday and at carnivals was an absolute highlight.

It was great to see so many of the kids develop throughout the year. There is no greater experience for your age managers than to watch the satisfaction and sense of achievement of a nipper completing the swim when they were not sure if they could or surprising themselves with new found skills on a board.

We were pleased to be able to award Issy Smith and Cohen Hogan the very important encouragement awards. Issy has grown in confidence as the year progressed and we look forward to her realising her undoubted potential in the coming years. Cohen is simply the image of a whole-hearted performer. When called upon he has effort written all over his face and is the type of competitor you know will always give their best.

What really makes our age group tick is the incredible involvement from so many of the parents. You can see for many families nippers has transcended being a sport their kids are involved in as friendships have developed and many have embedded themselves in the various other dimensions the surf club has to offer. We are sure that just like in the households of your age managers, Sunday mornings in summer are the favourite time of the week for many families.

Thank you to Viki for her care for each and every one of the kids involved. Your commitment to all the children is greatly appreciated by all.

Under 9

Age Manager: Tim Leggett Shane Hoyland | Age Secretary: Sarah Grey

Congrats to all the kids for working hard this year, putting in the effort at training and at nippers regardless of conditions.

A lot of personal achievements from the under 9's this season like competing for the first time and reaching personal goals such as completing swims, from start of season requiring assistance to seeing them grow and build confidence to be able complete by end of the year.

Overcome fears/ worries of the board – to see the kids smiling and laughing and supporting each other.

The under 9's had a great year culminating in a very enjoyable State Titles, the first for this group. Some of the highlights were:

- We had two girls swim teams compete, Ava (Her first swim of the year no less!), Savarna, Milla and Mikayla coming 6th in their heat making the final a great effort in the conditions.
- Marli made the final of Board, sowing a tremendous amount of gumption refusing to come back in after being directed to in tough surf conditions.
- We had three girls teams in board relay, India, Marli and Ki'lulu made it through to the final.
- Leilani and India made it through to swim quarters.
- Everyone had a go at flags and sprint relays where possible. The boys need to recruit some mates to make up some teams with only Jack, Tito and Max competing.

Next year we will continue to build up to state, we would really like to encourage everyone to join in the carnivals and aim for the State final, it is a fantastic experience for kids and parents alike.

Thanks to all who helped us throughout the season-Parents, especially those who have done their Bronze, Board training coaches and Water safety to Caitlyn & Maia & to Sara Grey for being our Secretary.

See you all next year.

Under 8

Age Manager: Steve James | Age Secretary: Emma Jordan

This was a season of many firsts and many challenges for the mighty Under 8's, while the emphasis was fun, fun, fun. And it's difficult being with the kids all the time to notice the subtle gains in confidence and skill as the season progresses. But if you only came to the first and last days of the season, you will have noticed the massive difference the kids have in confidence and awareness in the surf - vital skills that will hopefully stay with them.

This was their first season competing with the big kids for their great club. Admittedly the weather wasn't kind to us for the first few weeks of the season and it was a struggle to get them carnival ready. But we had the biggest group (sometimes double the numbers) of any club at the four carnivals they competed in and they did themselves, their parents, and their club proud. They competed with a smile on their face and came home with a bag full of ribbons each time! And it didn't go unnoticed by us (and other clubs) that the kids were well behaved and had a great attitude.

There's been so many great moments throughout the season, but some stand-outs were Lilliana's great detective work at Terrigal to recover Zoe's "lost" goggles; Knoa's awesome effort in the flags at Toowoona Bay (picking off the competition one by one) to win; Charlotte just getting pipped in flags at Toowoona Bay, coming 4th; and the girls' amazing effort at Branch.

But I think the absolute highlights for the season were Surf Camp and Championship Day. Surf Camp is fast becoming (or already is) the premier event on the Nippers calendar. It's such an action packed day that is not to be missed. Championship Day brought out the best in the kids - ultra-competitive but friendly to the end, regardless of the result.

The Under 8's would not have functioned as well as it did without the commitment, knowledge, enthusiasm, and not to mention the extra loud voice of Steve James. Complemented by the incredible work done by Emma, who has set a pretty high bar for Age Manager Secretaries. It's not an easy job with such a large group to keep everyone engaged and up to date, but Emma & Steve did it. And then there's Emma Talty, who selflessly gave up valuable time away from study & work to help us out on Sunday mornings. Thanks to all those who battled some average conditions at times to do water safety, or just helped to keep our kids safe in the water during the season – we cannot be in the water without you.

Importantly, the kids and the parents are really coming together as a group - helping, encouraging and supporting each other in everything they do. Community is such an important part of surf club life and it's great to see lasting friendships forming. Congratulations to our new Bronze Medallists, we look forward to seeing you out in the water keeping our young charges safe.

Next season will have its own challenges for this group of kids as they take on boards and ocean swimming. With training already started in preparation for next season, and such a great group of coaches, the future is looking bright! See you next season.

Under 7

Age Manager: Ian Lawrence | Age Secretary: Greg Smith

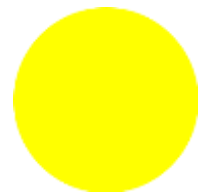

Every weekend we had heaps of kids hitting the beach, and hitting the water. Week by week, they continued to develop their skills and grow in confidence, in and out of the water. Most importantly, we had fun and made a lot of new friends (kids and parents alike). And every week there were plenty of parents, grandparents, or friends to help out - even when the conditions weren't the best. A big thanks to all those that helped or supported to make the season such a great one.

Under 6

Age Manager: Rob McLeod | Age Secretary: Lachlan McLeod

Our Under 6 "Yellow Minions" hit the beach every Sunday morning full of enthusiasm and a willingness to try new skills. The kids participated in activities including bucket races, beach games, diving under waves, body surfing, wade races, boards, flags and beach sprints. We had a lot of laughs and tears along the way and it was great seeing so many smiling faces on both the kids and parents.

Outside normal Sunday Nippers our Under 6s also took part in the Santa Parade at Deepwater Plaza and had a great time at the Junior Club Captains Disco.

With a group averaging around 45 kids most Sundays, I would like to give a massive thank you to all our helpers. Without your help we would not be able to get through as much as we do. I would like to especially thank Zali Vaughan and Meena James for all your help this season. You both did so much to help each Sunday morning and I cannot thank you enough. Also thank you to all the Parents and Grand Parents who were always willing to help. Lastly thank you to Skye and her team for all the work they do make Umina Nippers work as well as it does.

As per every year my biggest thank you and congratulations go to the kids. To be Under 6 and trying things outside your comfort zone is a big deal and I am always amazed by the way these little guys take on the challenge head on and end up becoming more confident in the water because of it.

I hope all the Under 6s enjoy the off season and hope to see you all on the beach next season.

Rotary Exchange Program

Rotary Youth Exchange provides a unique opportunity to experience first-hand the many cultures of a different country and a new way of life.

Umina SLSC hosted the Rotary international exchange students today for a few hours of surf Ed. Students from all over Europe and Japan learnt about board paddling, tube rescue and the fact that Umina really does have surf! Big thanks to Mollie and Jasmine Darwin, Erin Scahill, Bethwyn Caller, Julia, Lily Perry, Caitlin Fisher and James Irwin for running this session.

Representative Teams & Selections

18/19 SLSCC Trans-Tasman

Bronte Smith

Awards of Excellence- Mingara

The Central Coast Awards of Excellence were held on the 8th June at Mingara and Umina SLSC once again came away with some amazing results.

Umina SLSC nominated for a few categories

Our winners:

New Life Member- Branch	Bob Powell
Young Athlete of the Year	Bailey Johns
Junior Lifesaver of the Year	Ebony Rayner
Streets Patrol Competition	Umina
Young Lifesaver of the year	Kai Darwin
Volunteer of the Year	Harold Marshall
Club of the Year	Umina
