

UMINA SLSC- 61ST EDITION

NOTICE OF ANNUAL GENERAL MEETING

61st ANNUAL GENERAL MEETING

Notice is hereby given that the 61st Annual General Meeting of members of Umina Surf Life Saving Club Inc. will be held at Umina Surf Life Saving Club House, 509 Ocean Beach Rd, Umina Beach on **Sunday 25 July 2021** at 2.00 pm.

BUSINESS

- 1. To confirm the Minutes of the previous Annual General Meeting.
- 2. To deal with any business arising out of such Minutes.
- 3. To deal with any relevant correspondence.
- 4. To receive and adopt the Annual Report and Financial Statement.
- 5. To deal with any Motions of which due notice has been given.
- 6. To elect Directors of the Club for the 2021-2022 Season.
- 7. General Business of an Urgent Nature.

Please Note: The Chairman has the right to vary the order of the meeting.

Only current Financial Members from 2020/2021 are entitled to vote at the Annual General Meeting. New members are not entitled to vote at the AGM but can attend meetings.

Renewal of Membership will take place from 12pm to 2pm or prior via gateway. These renewals will be ratified by the Board at the first meeting of the new executive term.

Information and nomination forms can be downloaded from the Web site: www.uminaslsc.org.au or by contacting Administration at admin@uminaslsc.org.au.

Written nominations must be received by the Director of Administration or club office

Written nominations must be received by the Director of Administration or club office at admin@uminaslsc.org.au on or before 14th July 2021

LIFE MEMBERSHIP I PAUL SHARPE

Paul's nomination for Life membership should be noted that Paul when President for the first period was tireless in his efforts in delivering the NSW Surf Lifesaving Championships held on our beach as well providing assistance to our conjoined club Ocean Beach for the duration of the titles.

His passion for lifesaving events, first aid, Patrol competition, champion lifesaver has been recognized not only through results, but by SLSNSW and SLSA by the continuance go

those organizations requesting he's presence to be a leading official in both the NDSW and Australian Surf Lifesaving championship

As an active lifesaver Paul has been a patrol captain and patrolling member for **18 years**, he has led by example with an uncompromising requirement for improvement from all in his whilst being able to mentor and motivate his colleagues to be better lifesavers themselves.

He currently is the SLSCC Branch Duty officer, he has been involved in numerous rescues, some successful, others not quite so, but even in those situations mentored his younger colleagues through the process of understanding and dealing with the fact that as lifesavers we can't be everywhere, every time.

Paul has also been active in other aspects of the club, being on the organizing committee of the club golf day, the organizing committee of the sportsman's lunch raising thousands of dollars for club use to working with others running raffles through the caravan park.

Paul's greatest achievement to date has been his ability to lead the Lifesaving side of our club, our core business, the development of outstanding patrol teams, a culture of professionalism amounts to active members and to have been able to lead this club to have the best Surf Life Saving Patrols on the Central Coast.

Congratulations Paul on being awarded Life Membership of Umina SLSC 2020.

PRESIDENT I STEPHEN SCAHILL

The 2020-21 season offered us an array of new challenges as record numbers visited our beach.

Whilst we have many things to celebrate an absolute highlight was Paul Sharpe being recognised as a Life Member of our club. Paul's involvement and contribution to the club speaks for itself and it was a fitting tribute for Paul to be acknowledged as our latest Life Member. Paul's sacrifice in terms of hours contributed to the club is unparalleled and this recognition reflects not only on Paul but also his family who have rather selflessly allowed Paul the opportunity to pursue his passion in surf lifesaving.

We began the season on the back of Umina SLSC being recognised as the Central Coast Club of the Year for the third successive year and the NSW Club of the Year for the second year in a row. In addition, a patrol from Umina was awarded the NSW Patrol of the Year for the third year in a row - a great sign that our club's primary responsibility of keeping our beach safe remained our priority.

We also began with a great deal of uncertainty about what our patrols would look like and how we would navigate the challenges of Covid. Fortunately, and with some additional precautions, we were able to patrol our beach in a fairly familiar fashion. This was very important given the influx of visitors and day-trippers to our beach as Sydney residents in particular looked for leisure options closer to home and not surprisingly the wonderful beach and environment we all get to enjoy became even more popular.

All of our patrolling members must be congratulated on the way they managed the increased numbers and the diligence displayed in patrolling our beach. We are very fortunate to be led by an exceptional group of Patrol Captains and I know they feel very supported and confident in the ability of our Life Savers.

A concern heading into the season was how we could run a Nippers program given the high numbers of nippers particularly in the younger age groups. Great credit must be given to Skye Marshall who designed a plan of staging start times for our different age groups to avoid the congestion that usually occurs at nippers which would not have been in the spirit of social distancing and keeping the community safe during this Covid period. Despite the challenges we faced, our Nipper participation actually grew this past season and this is a tremendous credit to Skye and her team of Age Managers who offer such great support and care for the nippers coming through.

It is also very pleasing to see the increased retention we are having with our Nippers transitioning into Rookies on patrol. Whilst Nippers has a strong sporting emphasis, the core purpose is to help develop future Life Savers. It is very pleasing to see the impact of our Rookies patrolling our beach, not only in number but in quality. This year alone we have had a number of Rookies involved in rescues which speaks to the confidence and training they have received through the education programs led by Jarryd and Pam Edmonds but also the skills they have developed through our Nippers program.

We must also make mention of future Rookie, 12 year old Nipper Lachlan Muldrock who was awarded the NSW Rescue of the Month in September for a rescue he conducted outside of patrol hours whilst doing some extra training on his nipper board. A talented young surf athlete, Lachie witnessed two children swept out in a rip and paddled over to rescue one of the kids, whilst his uncle who was surfing with Lachie rescued the other.

This is an extraordinarily proud moment for our club and the Muldrock family.

As always there have been some wonderful individual contributions to our club and great thanks goes to Jenni Darwin for her tireless work as our Director of Administration. Jenni's role is so broad in scope and Jenni's contribution goes well beyond this as she is deeply invested in all aspects of our club from lifesaving, operations, sport, to social aspects and member welfare.

Our Senior Presentation provided the opportunity to recognise some other great contributions to our club with some of our major awards including Kai Darwin, Young Volunteer of the Year, Jack Wiseman-Young Young Life Saver of the Year and Matt Fearnley our Life Saver of the Year.

This year was also the first time we have introduced the "Members Choice" award which offers all members of the club the opportunity to nominate a peer they feel should be recognised. It was very fitting that Rob McLeod who has had a sustained and wide-ranging impact on our club was our inaugural winner.

Our Volunteer of the Year award went to Harold Marshall. Harold's influence on the club is as broad as it is impactful. Harold has done everything from donating his time to provide musical entertainment to patrons at Friday Socials, to negotiating multiple sponsorship deals which includes a 3-year partnership with United Service Station which will begin next year. Harold regularly jumps in as an emcee at club functions and has gone on to commentate at both state and national events. But what really makes his contribution so special is that in addition to the high-profile roles he plays, Harold is also the person that sets up the tents on the beach whilst the sun is still rising. He is the person that sets up and often packs up the club after use. When we host a carnival, Harold is the first one there to ensure our club presents as well organised. It is truly rare for an individual to cover as much ground as Harold does and it was completely unsurprising that he went on to win the Central Coast Volunteer of the Year at the SLSCC Awards of Excellence.

Harold was joined by Kai Darwin, Jimmy Irwin and Paul Sharpe who represented the club proudly as reward recipients at a Branch level from the past season.

Thank you to all our members, in particular those that continue to keep our beach safe.

Huge thanks to Ettalong Diggers CEO Bill Jackson, Club Chairman John Wood (pictured) and the Board of Directors for the presentation of our cheque to Umina SLSC President Stephen Scahill.

DIRECTOR OF ADMINISTRATION I JENNI DARWIN

It has been another really busy year for Administration and Member Services. My thanks goes to Jane in the office and Christine Lavers who does an enormous amount of admin work behind the scenes.

Administration

Registrations were again fully online. We had several planning meeting beforehand to tackle it and whilst it was not perfectly smooth getting everyone to do online rego, we did improve on previous years and we continue to review our processes to make the whole thing more seamless for our members. All is dependent on surfguard changes and updates but as a team we have put in some input in areas within the system that need improving that has been passed onto SLSA.

With our Functions Manager caught overseas and unable to return to Australia for several months due to Covid travel restrictions, Jane has taken on much of the burden of functions and it is to her credit that we have been able to keep the wheels turning in the functions space.

Another challenge from Covid was the uncertainty that it brought around hiring the venue, using the space, booking members into carnivals etc. – its been a challenging year for admin in this regard.

Our push to become paperless continues, with growing usage by the board of our Microsoft 365 platform and sharepoint file storage. The goal is to eliminate paper at meetings in the future and we are making small gains in this area using these cloud based platforms.

We were once again 100% compliant in all our governance and compliance requirements, submitting all our documentation and legal paperwork correctly and on time to various governing bodies, the ACNC and SLSA / SLSNSW. We continue to strive for excellence in this area and maintain good governance at all levels.

Member Services

Member Protection and Safeguarding

Our safeguarding policy continues to be a standing agenda item at our meetings, placing it at the forefront of discussions to ensure we are adhering to child protection standards. All our age managers are now fully qualified in the system, meaning we are fully compliant in our child to age manager ratios and all our members volunteering or working in child related roles have had Working with Children Check clearance.

Our member protection team continues to work in the back ground, looking after member welfare as well as managing grievances. A special mention must go to our Club Chaplain who has been so responsive when requested to touch base with members after critical incidents, or just who may have had something happen that they need support with. Thank you to Arthur for his unfailing patience and commitment in the face of many phone calls he receives from me asking for his assistance in this member welfare space. We are truly lucky to have him in our club. My thanks also extends to SLS NSW and Stacey Dunn who has been exceptional in providing ongoing support for our members after critical incidents, of which there were unfortunately several this season.

Youth Development

A win for the member services side of the administration portfolio was that we finally got to run some Duke of Ed adventures, after a year of lock down and restrictions. The bronze group completed both adventures and the Silver / Gold group undertook and fantastic 3 day paddle on the Hawkesbury as part of their award. My thanks for the never ending energy of Lyndi in this space and the quiet but determined organization from Mollie Murphy who ran the Bronze group.

Our usual youth events didn't go ahead due to restrictions – such as the Rotary youth exchange but we still got participants onto youth development camps, with a fantastic uptake of the 13-14's Rookie camp and strong representation from our youth in the 15-17yrs SLSCC Youth Leadership program.

Izzy Fayers, Davara Marshall and Ebony Rayner all took part in this leadership program which ran for the whole season and these young leaders represented our club incredibly well.

We continue to seek to improve in this youth space and create a club that engages our young members and provides them with a safe place in which they feel welcome. We have some incredible young people in our

organization and youth development is one of the priorities for next season, seeking to become more inclusive and gain greater retention in these age groups. We unfortunately didn't get anyone apply for the Youth Development role, which still remains open and we invite all our members to consider taking on a role in this area, which is so important to both the overall health of our club and for our young people within our community.

Registrations for the season ahead are now open and the admin and member services team is looking forward to the 2021/22 season.

DIRECTOR OF FINANCE I NICOLIEN YATES

What a challenging year It has been – events cancelled – rescheduled and postponed – restrictions on numbers – COVID regulations. Luckily, the club was in a good financial position when the year started, and we have continued this track. With a bit of help from the government and the support of our regular and new sponsors the club has come through this year relatively unscathed.

I have decided to step down as Director of Finance after this year to spend some more time with my family. All the clubs' financials have been audited by registered auditors Fortunity Pty Ltd.

After a major sponsorship drive this year – **thanks to the sponsorship committee** – the list of sponsors has become too long to add in this report, however my thanks are great to the major and minor sponsors that have supported us through this year. There will be an updated sponsor's board in the club soon – stay tuned. Meanwhile there will be a sponsor's page further in this annual report.

We have achieved several good grants this year – A part grant to install defib in the café which means access to it all year long. A new ATV will be coming our way after Aussies – this is on top of all the Covid grants and Job Keeper grants received from the government.

There have also been some great fundraising events this year. The Xmas raffle was very successful with the help of the new formed social committee. We raised over \$4200 for the Nippers program. While great fundraising was done at the Ocean Beach Caravan Park for Duke of Ed program. The Santa photos were also a real success as usual. Hopefully with most restrictions lifted there will be more fundraising events scheduled next year.

The new Board room that was built last year has now been rented out for 5 days a week and this will secure some much-needed income over the winter months. If you know of any community groups that need to hire a regular space for activities, please keep the surf club in mind we have several other spaces available.

The Friday Socials have become a real good money earner for the club. Not only has it provided it some casual employment and training opportunities for our RSA holding members It has become a great marketing tool for people looking to hold events at the club to see it in action. The community response has been wonderful and bookings for functions are up. Due to its success the Friday nights on the deck will continue during winter.

Lastly, I would like to thank my team as without all these people I would have not been able to do my role! Sarah Grey (and Wendy Cook and Paul Sharpe)— for helping us do a wonderful job applying for grants that were needed for the running of the club and some vital new equipment.

Wendy for being at my beck and call whenever needed and bending backwards to make this role easier. Marty and Bill for making sure the bar is up and running for all functions, Friday nights and of course Sunday SIPS. Fiona & Jane for making sure all our events and functions were rescheduled and Lauren for reinvigorating SIPS under challenging circumstances with all restrictions due to COVID.

Kylie for again making sure the Uniform shop was run covid safe and for the design for our awesome new hoodies! Jane for being there in whatever capacity I need and whenever I need – it is much appreciated!

To all the bar staff and cleaning staff and social committee members thank you for working and adapting to all the challenges in the ever-changing environment of COVID.

Above-One of our new tent sponsors. Below-Friday Socials

DIRECTOR OF LIFESAVING I PAUL SHARPE

Well that's a wrap for another patrolling season at Umina SLSC. The Red & Yellow Flags came down for the last time in the 2020/21 Season on Sunday 25 April 2021, signifying the end to a challenging but successful season. The Red & Yellow Flags went up for the first time on Saturday 26 September 2020 and since then Umina members have patrolled every weekend and public holiday, through rain, hail ,shine and COVID 19 to ensure the safety of the general public who come down to enjoy the best beach in Australia.

Firstly, I want to take this opportunity to thank every Umina SLSC member who spent their time on the beach patrolling this season. We are first and foremost a Surf Life Saving Club, and our core business is patrolling. Without our patrolling members, our club couldn't exist. Each member's contribution to patrols played a part in Umina SLSC maintaining its proud record of 'No Lives Lost'.

The season started off in typical fashion with the core lifesaving team drawing a short breath between the 2019/20 season ending and the planning and preparation for the current 2020/21 season commencing.

Umina SLSC Lifesaving Committee

This season for the Umina SLSC Lifesaving Committee was one of success. At the end of last season, the club winning the SLSCC Branch Patrol Efficiency Competition and Patrol 12 being successfully named SLSNSW Patrol of the Year, the club winning both awards two years in a row. Another great achievement was seeing Kai Darwin being named Young Surf Lifesaver at SLSCC, SLSNSW and SLS Australia. Congratulations Kai.

Lifesaving continues to grow every year and I have been extremely fortunate to be supported by such a talented and dedicated team behind me. It is often said that 'volunteers don't necessarily have the time, but they have the heart', and this group of people exemplify that. The Lifesaving Committee was composed of a small group of dedicated patrolling members who each took on an area of responsibility within Lifesaving at Umina, in addition to their regular patrol duties. The committee met regularly to discuss our current operations and shape the future direction of Lifesaving at Umina SLSC.

I wish to personally thank Kai Darwin, James Irwin, Matt Calbert, Jack Wiseman –Young and all the patrol captains who all worked very hard within their roles this season and made great contributions to the club.

Patrols

Patrols were kept very busy this season with overall beach attendance up from last season.

Combined, our members volunteered an incredible 8,3850 patrol hours this season. To place that in perspective, that's in excess of 430 days of combined patrolling hours. This constant diligence saw Preventative Actions up by 4000 to 12632 and ensued that we continued our record of no lives lost between the flags at Umina.

The 2020/21 Season saw our members undertake more than 106 rescues, with more than half of those using a rescue tube or rescue board. We attended to more than 123 first aid incidents and reunited more than 20 lost children with their parents. The season saw us perform 120 first aids during patrol hours, a marked increase from previous seasons, and numerous outside of our rostered hours.

Thanks to Water Safety Coordinator Simon and Kai Darwin for the nipper season.

I couldn't function in my position as Director of Lifesaving, and patrols couldn't function effectively without the support, guidance and professionalism of our Patrol Captains

Thanks must go to our Patrol Captains, Viki Dickinson, Stuart Graf, Kerry Armstrong –Smith, Jacqui Knight, Ashlee Dean, James Irwin, John Bowyer, Duncan Way, Steve Thomas, Christine Bishop, Skye Marshall, Rick Boylan, Mollie Murphy who are always first on the beach and last off the beach on any given patrolling day.

Patrol Audits

Every patrol's favourite occasion. They approach in their unsuspecting blue shirts and clipboards on any random occasion. As part of Surf Life Saving Central Coast (SLSCC) Patrol Audit Program, Umina SLSC was audited 4 times throughout the season. These audits are to ensure we as a patrolling club are upholding our lifesaving agreements in regard to our personnel, our operating standards and competency in resuscitation and rescue availability. All our patrols have achieved great results, finishing 2nd in the Branch this season

Education

At Umina, we wouldn't have new patrolling members or sufficient patrols without the tireless work of our education team, led by our Director of Education Jarryd Edmonds. Jarryd and his education team have trained 30 new Bronze Medallion members and 22 new Surf Rescue Certificate members who have enthusiastically joined our patrol teams this season.

Final Word

As the sand settles on the 2020/21 Season, I want to take this final opportunity to thank our Patrolling members on another successful season. Umina SLSC maintained its proud and longstanding record of no lives lost, and I think we managed to have a bit of fun along the way.

I look forward to seeing everyone back on the best beach in Australia next season and wish everyone a safe and enjoyable off season.

DIRECTOR OF EDUCATION I JARRYD EDMONDS

Firstly, and foremostly I would like to thank Bob Powell for all he has done in his years as Director of Education, and secondly I would like to thank the rest of the education team for all they do and for the support they have provided me in the handover of roles this season and the many hours of hard work they put in behind the scenes to train courses.

Due to Covid, the first half of this season has been playing catch up to complete multiple courses both Bronze Medallion, Advanced Resuscitation and Surf Rescue Certificate of which we put through around 30 members. The rest of the season was business as normal running an IRB crew course, multiple junior courses both Surf Rescue Certificate and Bronze Medallion, and multiple adult courses for Bronze Medallion and Advanced Resuscitation, along with members completing branch courses to be qualified in First Aid, Beach Management, Aquatic Rescue, and in the off-season Rescue Watercraft,

We will also conduction IRB training from the start of August and Bronze medallion training from the start of the season, if yourself or anyone you know is interested in these contact Jarryd Edmonds.

DIRECTOR OF FACILITIES I STUART GRAF

The additional ongoing maintenance around the club is a task in itself. I have enjoyed coordinating and where needed undertaking these works.

Storage has always been a priority in this role, as we face an ever-growing membership. As a club we are always seeking more safe storage space to assist the various services provided by the club such as education, IRB's, patrols, competitor equipment plus all the hidden components that keep our club operating. Some important changes and additions include the following.

- **STEEL CAGES** These were designed and installed to accommodate our growing IRB equipment. The safety of this equipment is paramount, it is essential that a safe user-friendly area be created and maintained with easy emergency access. The club has received positive feedback from locals and members.
- **SOLAR PANEL PREPARATIONS** As we prepare to install pre-approved Solar Panels, repair work was required to the existing roof. Roof repairs and reinstatement of the established gutter system was coordinated with local council and undertaken by local council employees.
- **SAFETY PAINT** Member and public safety is always a priority. With high traffic moving through the gear areas downstairs, Safety Paint was utilised to create obvious pathways to prevent personal injury and equipment damage.
- **DOOR MAINTENANCE** We continue to have events/functions, members, and environmental factors to consider with the ongoing door maintenance and repair throughout the entire building this past season.
- **CABINETRY** Upstairs in the new extension areas, new cabinetry was designed and installed to provide important storage space for education supplies and equipment.
- **STORAGE CONVERSION** The old First Aid Room can now be utilised for personal belongings during scheduled training sessions conducted by the club. The room has undergone a slight make over with wall hooks and pigeonholes.
- **NEW SHED** Many members have commented on the camouflaged new storage shed out the front of the club. This was designed and built to help store various items such as carnival equipment.
- **DUAL METERAGE** Electrical Dual Meterage was established with the assistance and approval of both local council and the Kiosk. This will reduce the electrical expenses incurred by our club and essentially our members.
- REPLACED AND REPAIRED Our kitchen and bar area required new glass washer and fridge repairs. As
 some running appliances are approaching their last legs, some items will require replacing in the near
 future.

PENDING WORKS

- - Dismantle and removal of 20ft cargo container near the outdoor public shower. A new design and build will take its place.
- - Solar Panel installation on roof of building.
- - Bar Area upstairs, quoting is underway for the supply and install of new Bi Fold windows and doors.
- Replacement of damaged roller doors and new roller door for front shed, plus ball pump installation in new shed.
- - More safety painting within the club house.
- Patrol tower door repairs.
- Ongoing building maintenance.

Thank you to our local trades for their ongoing support with these matters.

I welcome any building concerns, repairs or building hazards to be reported to the office as they arise.

DIRECTOR OF SURF SPORTS I BRETT HARROD

The surf sports season for 20-21 has been an interesting one in its entirety, from the beginning of the season where we looked like we were over the Covid issues, and we ran a great coaching day to when the sports season ceased due again to the Covid restrictions.

This stoppage created uncertainty in programming and event management but to the credit of the sports team we persisted with training and focused on the existing opportunity rather than the end goal hoping all the time that the major carnivals would be held.

SLSCC created a two-tier program of events the first tier to get us to Christmas, the second, the championship season.

This on top of our own team rebuilding with a number of senior members leaving the sport due to university and life changes meant that we focused this year of creating a new team of younger members whilst still creating the opportunities for our 17-19's.

It reminded me very much of 8 years ago when we began the journey of building a surf sports team that would equal the best in the country, our new challenge is to rise to that level again and with the current group of young people coming through the ranks, I can see this happening again in the next few years.

Our values have not changed, friendship, team first, are the core of everything that we do, our younger members have embraced this, and these values will hold us in good stead for the future.

Thankfully after the Christmas northern beaches issue had been resolved we move onto the major events.

Our club as always played a major role in surf sports on the Central Coast, holding more events than any other club, having members volunteer for management roles in teams, holding strategic positions at Branch including selectors, team managers and high performance.

We again tried to implement additional programs with Steve Murphy running beginners ski training again and also participation training in board and swimming, this will grow next season as more people become aware of it.

Our coaching has again created an opportunity for mass participation in the junior areas, we are still working on the pathways to the seniors, and this will be a major part of our new 3-year sports plan that is being developed as will be more social and fit for life activities for all members.

More about this as the plan comes to fruition.

The NSW Interbranch carnival was postponed after the major rain event that we had early in the year, this was unfortunate as we had a few members chosen in the tea, as well as Shelley Smith Team Manager and Michael Magurren water coach.

The NSW Championships were again held at Swansea Belmont, and it was a great carnival to be a part of, excellent conditions and well attended by our surf sports team.

The results are as follows

	MASTERS		
	STATE 2021 SWANSEA BELMONT		
Where	Event	Place	Name
STATE 2021	55-59 yrs. Female Beach Flags	2	Siobhan Hallinan-Clarkson^(F)

STATE 2021	U17 Mixed Patrol competition	2	Matthew Kearney, Ebony Rayner

With the massive storms that we experienced in late February our total program for the Aussies was put into disarray I can only congratulate Trevor and the coaching team for getting the team as well prepared as they could under difficult circumstances, little to know surf training and all in the Brisbane waters was tough going.

Our results, which are noted elsewhere in the report show we are very good considering the circumstances that lead to the event.

	MASTERS AUSSIES 2021		
AUSSIES 2021	55-59 y Female Beach Flags	1	Siobhan-Hallinan-Clarkson (F)

AUSSIES 2021	U19 Champion Lifesaver	3	Kirsten Miller

	OPENS - AUSSIES TEAM EVENTS		
AUSSIES 2021	Open First Aid	1	Bronte Smith, Hannah Murphy

Overall, our club entered all the major championships, all major disciplines were entered including surf, beach, boat and lifesaving events.

My highlight was Bronte Smith and Hanna Murphy becoming Australian Champions in the open first Aid, this is amount some other outstanding efforts including the ongoing dominance by outer champion-lifesaver team, our masters beachies our boaties all reaching semi or finals in their respective events.

Our club is well positioned for the future with great participation, leading coaching, and pathway programs and outstanding will to succeed, it has been a pleasure working with you all this season.

DIRECTOR OF JUNIOR ACTIVITIES I SKYE MARSHALL

WHAT A SEASON....

From the uncertainty of what we saw toward the back end of last season, we were very uncertain as to what this season would look like – or if there even would be a season!

I am incredibly PROUD of the way in which we rallied together to ensure that our Nippers program would run. We took hold of the challenges and were able to think outside the box, coming up with creative ways to ensure our kids had every opportunity to come together, meet up with their friends, participate in their sport & most of all enjoy the beach!

It has been my privilege to help support our junior nippers program for the 2020/21 season.

That being said, I would like to say a huge THANK YOU to our wonderful team of Age Managers - without your passion, enthusiasm and dedication our nippers would not have flourished the way they have throughout the season.

For the hours that you dedicate to developing plans for Sunday morning nippers, for attending training sessions throughout the week to help support and develop our nippers skill set and the planning in the lead up to our carnivals, ensuring that each child has everything they need individually moving into competition, feel comfortable and confident and help achieve their own goals.

You often spend more time at the beach than at home during the season - but that's normal, right? What you do it is very much noticed and appreciated.

As I have mentioned numerous times throughout the season, we cannot function as a club without volunteers – we need them in EVERY facet of our organisation. This is no different in our wonderful nipper program.

To our incredible water safety & IRB team that ensured we had water course set and enough water safety in the water to support our nippers, and well equipped and skilled IRB drivers and crew to ensure that the nippers were well spotted and supported in the conditions of our own beach and the local beaches at carnivals – this is no mean feat and we are greatly to have such a dedicated and skilled team.

To our wonderful uniform crew that helped with more than just picking the right size of that pink rash vest and swimmers. Your friendly assistance and service with a smile welcomed many new members and nipper to the chaos that is a Sunday morning at nippers.

Thanks to our registration team that helped upload the hundreds of nippers and parent members, long after the registration days were over. We look forward to another season of the same.

To our extraordinary officials (marshals, starters, finishing judges, recorders, sectional referees, first aid) that put their hand up, generally for the best seat in town (or at least at a nippers carnival). For the hundreds of children you see, smile at, offer encouraging words and congratulate for trying their best. Thank you. We have managed this year to increase our certified technical officials by quite a lot this season. Thank you to those that put your hand up, even when you were unsure what you were really signing up for. We appreciate it, as do our nippers that get to compete because of you.

To our nippers coaches that help support those that come through the week to work on skill development and endurance. I hope you realise how much you are appreciated.

To our parents – thank you. Thank you for trusting us with your children, thank you for supporting them and bringing them to the beach. I promise you the decision to bring your child to nippers, if it hasn't already will change your life forever!

A massive T H A N K Y O U to our I N c R e D I B I E team of nippers - on behalf of our wonderful club I am IMMENSELY proud of each and every one of you!!!

You are strong and courageous – I am continually blown away by the teamwork, determination, encouragement and sportsmanship that our incredible nippers display.

It is heart-warming to have such an incredible team of such kind and compassionate kids that we get to proudly call our Umina Nippers. During nippers on a Sunday and when away representing our club during carnival competition I have seen arms flung around shoulders in pure delight, pats on backs of congratulations, and cuddles to ease the upset – throughout the season this was not only noticed by me, and no doubt by many parents but I had other clubs & officials make comment to me about the same.

Each and every one of our nippers gave it their absolute all whenever they put their toe on the line. Our nipper's held their heads high, walked, talked and competed with pride and did themselves and our club proud - this was both on and off the competition arena.

Lastly, to our Junior Club Captain, Sienna Scahill, thank you for being you!! - thank you for you support throughout the season and for your assistance each and every Sunday, after carnivals and whenever called upon to assist. I am grateful to have such a dedicated, kind hearted junior ambassador helping pave the way for our younger nippers.

This years NSW State Titles was like no other before. We saw children, parents, age managers and coaches rally together to ensure our nippers could participate in the championships & enjoy the touring team atmosphere.

As you can imagine, with such a strong support base we achieved some incredible results this season... both on and off the sand - this resulted in many personal bests, and for a few there was even some bling!!

Next season (which isn't really that far away) – we welcome our Junior Club Captains for the 2021/22 Season in Lucy Marshall & Kai'zen Leggett.

I look forward to working with them both next season and I know that they will continue to represent our wonderful surf club with pride.

Until next season - UP, UP UMINA!!!

SURF CAMP I MEENA JAMES

It truly takes a village, and we totally have the best on the planet at Umina SLSC. To our wonderful sponsors, your generous donations make the day possible. Thank you

To Jane, for your organising and help with bags and support - Thank you

To my prep team - it ran smoothly having lots of food ready to go. Thank you

To Harold and Skye - for all you do, because there is so much, I couldn't possibly go through the long list! We appreciate it all - thank you.

To all the amazing water safety - I questioned at times today who was having more fun would would would be success and I value your efforts, patience and involvement in our club - especially those of you who don't have kids participating. Thank you

To my beachies - Steve DeVivo, Lish, Harold, and his ladies, the sand was hot, and you were amazing- Thank you To our Station leaders and U14 group tour guides, for all your expertise, patience, encouragement and support - thank you

To Deb, Lisa and my Lily- for being my shopping buddies and pushing strollers and always being there to listen to my ideas and your helpful feedback- Thank you

The my kitchen chicks and Tom - no one should be hungry! Thank you.

To Steve James, for the 100's of photos you get to go through, all the setting up and packing away, and keeping our kids busy while I did "surf Camp" stuff all week - thank you.

To all the kids - I hope you aren't too burnt, drink lots of water, be sure to thank your parents for letting you come to surf camp!

To Amanda and Jenni for washing all the boards - thank you

To the Weather Gods - I spent a lot of time yesterday hoping that you would be kind, my back up plans weren't great - so thank you for turning on the weather and nice waves, I am very grateful!

I'm sure I've missed someone, please forgive me! It has been a long day! But thank you

What an amazing day! Today I felt it was a fresh start, a hopeful sign of great things for 2021.

U14 JENNI DARWIN I DIONA FORLEE

The U14s had a fantastic season, transitioning from their fibreglass nipper boards onto Mals! It was as usual, also a busy season with most of the group continuing to grow their surf lifesaving skills as patrolling Rookies and achieving their Surf Rescue Certificates. They represented Umina SLSC at the Rookie Challenge at Terrigal and we also had Sienna Sinclair (CC) and Cashar Darwin as the club's nominees at the Central Coast Junior Lifesaver of the Year (JLOTY) award.

On the competition front we had many from our age group competing in local branch carnivals, the Newcastle Permanent Junior Iron Person series, the Kracka Challenge, the Freshwater carnival and their last junior Branch and State champs, not to mention a road trip to Queensland for the Aussies! Cashar, Nicholas, CC and Sienna Scahill also competed in their first Champion Lifesaver events.

It was really pleasing to see all their hard work and dedication start to pay off as many of the kids achieved some of their best results. At the end of the 3 rounds of the Newcastle Perm series, we had 3 boys finish in the top 6 U14 males and 4 girls in the top 6 U14

females with Hannah Stevenson and Sienna Scahill tying for 1st place. Another highlight was Cashar winning his first individual Ironman race!

We really appreciate the encouragement and support the age group have received from Trevor Gee and Pete Braddish as they began training with the Seniors.

Looking ahead, our kids have another exciting season ahead and they are keen to move onto their Bronze medallion training and the Bronze Duke of Ed award.

Thanks to all the parents and support crew for your assistance and support over the last 7 years; this is an amazing group of talented, fun-loving kids and we look forward to seeing everyone back on the beach for season 21/22!

U13 MICHAEL JORDAN I GARY WILSON

This year has been a year of growth for the Under 13's these Young Life Savers have been committed and keep Gary and myself on our toes. We were unsure how the season would pan out but managed to retain many of our great young athletes from last year.

Unfortunately, our usual Forster warm up carnival didn't manage to proceed but it was great to still be there and have a more relaxed holiday vibe with those from the club that could make it.

It was great to see good numbers at many of our carnivals with good results in team and individual events. We had great results at Branch, and we were so proud of all that gave 100% effort even though conditions were testing once again. A special mention to Sophia and Ronnie for making the Central Coast Interbranch team even though it did not proceed.

State this year just wasn't the same it was hard not having all the age group together on the same beach to cheer each other on. The communication was awesome with the help of parents keeping us informed of results and there were some great performances in the water and on the sand. The age group managed to get not only one but two gold medals at State with the amazing speed of Anwar in the beach sprint and flags.

We also had a few make it through to the final in the water events but unfortunately no points this year.

We were so proud to see so many of our age group out on patrol, starting their Rookie adventure, congratulations to all that completed their SRC Training and many thanks to Pam for putting up with myself and this spirited group.

We look forward to stepping up to the larger club racing mals and can't wait to see you all out there training and ready to improve on those Surf Life Saving techniques and skills.

Congratulation and good luck to our new Club Captains Lucy & Kai'zen we are sure you will do our age group proud in your new positions.

U12 STEPHEN SCAHILL I VIKI DICKINSON

We were thrilled to be able to hold what felt like a very "normal" Nippers season with all the uncertainty we faced around Covid. A huge thanks goes to Skye Marshall as our JAC who provided great structure and allowed our age group along with all nippers to continue to do what we love..

This was a year where we really saw the skills and confidence of our age group on full display. The swim around the cans to start our Nippers session has become less a dreaded necessity and now we see all participants attack this with confidence and it shows in the enjoyment on full display.

The other really pleasing thing to see was how many of our age group jumped into the afternoon training sessions on offer. It's a great credit to the kids to show such commitment and also a wonderful reflection on the work of Mick Magurren who offers training that provides both skill development and enjoyment and is designed for all abilities.

As always we had wonderful participation at Carnivals and this year really showed the depth of talent we have in our age group. At multiple carnivals, this year every participant either individually or part of a team was involved in a race that resulted in points for the club. That is a fantastic accomplishment and goes to show just how many talented and hardworking young athletes we have in our age group.

Our year culminated in the State Carnival at Swansea Belmont. Whilst it was different this year with the athletes needing to choose sand or water events, it was fun as always and our kids absolutely starred with many personal bests and some state semifinals and finals. A special mention to Phoebe Graf who came out 4th in the swim team final. It is a great show of character when a competitor reserves their very best for a team event.

You might notice next year a few kids getting around in brand new State Medalist jackets.

In the water our girls Board Relay team of Lily, Bronte and Kelsey capped an amazing season with a spectacular race in which they powered home for a bronze medal which was a thrill for all who were there to witness.

Our beach sprint team of Madi, Michaela, Eliza and Ava also won a bronze medal in a true team effort. Michaela got the team off to a flyer, Eliza held third spot as did Ava and Madi absolutely refused to let anyone overtake her in the final leg.

Congratulations also goes to our club point score winners with the boys: 1st Lachie Muldrock 2nd Shay Bennett 3rd Peter Ilgo

Encouragement - Kai Armstrong who made an amazing improvement throughout the year due to his dedication to training and his attitude of just having a go.

Girls 1st Bronte Scahill 2nd Kelsey Page 3rd Madi Cameron

Encouragement - Ruby Graf - for the leadership she displays in supporting her teammates and setting a positive example.

Thanks again on behalf of Viki and Steve to such a wonderful age group. It's an absolute pleasure to spend Sunday morning's with this bunch.

${\bf U11}$ tim leggett i shane hoyland & mollie murphy

Under 11s had a great year, we have a strong group of girls who have pushed each other all year with some great results all around. We also had a great year for the boys, finally getting a team together to compete in several carnivals including state. Amber Skye and Max taking out the age championship for the club and our encouragement awards going to Savannah and Logan L.

It was good to see some strong results in the Board rescue being our first year in this discipline.

Thank you again to Molly Murphy for looking after us throughout the year, we could not have done it without you.

We look forward to catching up with you all again for another year of fun.

U10 STEVEN JAMES I AMANDA GRIFFITH

In a period that will be remembered more for the impacts of COVID-19 than anything else, we had a successful season. Apart from COVID-19, the season was dominated by challenging surf conditions which meant we weren't able to get in the water as much as we'd hoped. We had another large group of kids this season that came with a wide range of skills and abilities which continued to test us. But by the end of the season, everyone had made it around the cans, nearly everyone coming out smiling. Most importantly, they all developed some great surf skills and learned some important surf safety. This was all helped by the incredible support we had from the club, parents, and members.

This season we tried to teach the kids about the history of the club and introduced them to some of the members that have helped make it what it is today. Although the kids often asked the same questions every week (How many people have you saved? Have you ever seen a shark?) we heard some amazing stories and learned some interesting things. It was also great to see many of the parents taking an interest in our guests and learn a few things about our great club and its members. Thank you to those who gave their time on Sunday mornings to come and chat to the kids, we hope to continue it next season. This season our awesome guests were (in no particular order):

Tom Magurren - Club Person of the Year 2019-2020
Bill Cook O.A.M. - Life Member
Wendy Cook - Life Member
Kerry Armstrong-Smith - Life Member
Jimmy Irwin - Life Saver of the Year 2019-2020
Carl Krucler - Life Member
Paul Sharpe - Life Member, Director of Lifesaving
John Sharpe O.A.M. - Life Member
Sienna Scahill - Junior Club Captain
Mikayley Fisher - U10 Age Manager Assistant

Like previous years, we had a good core group that competed at the surf carnivals, and we continue to have the largest number of competitors of any club in most events. It was also great to see a few new faces competing during the season, although there's always room for more. Despite the pandemic going on around us, we managed to get in three local carnivals and State, a real credit to Central Coast Branch and SLSNSW. Again, we had mixed conditions - the first carnival of the season in December (Terrigal) was postponed because of extreme heat and some of the events at Branch Championships in February (Copacabana) were cancelled due to dangerous surf conditions. But the kids prevailed, doing extremely well, having heaps of fun and making lots of friends. There were some great individual efforts, great team performances and just as many acts of great sportsmanship. And we have said it in previous years, but it's great to see the support from the parent group for all the kids, not just their own. State Championships at Swansea-Belmont and Redhead were challenging for at least two reasons - the logistics and conditions. The surf for our two days was big and tricky and not for the faint hearted. Our kids faced up to some big waves and gave it a red-hot go. To put it into perspective, it was common for 16 competitors / teams to go into a board race and less than half finish. Alas, we didn't get any medals, but we made the final of every water event except one and made quarter finals and semifinals on the sand. That speaks volumes for our kids' efforts, up against mother nature and the most competitive clubs in the State.

Like previous years, our kids were incredibly competitive throughout the season, particularly in the surf events. Our swim competitors won or placed in just about all 3 local carnivals and our board competitors continue to dominate. We managed to get some good results on the sand as well, which should make us very competitive next season when we get a crack at Cameron relays.

Congratulations to the Age Champions - Savannah Glynn and Slater Linnert, and to Erin Kearns and Finn Heighington for receiving the encouragement awards.

We had an awesome group of parents and massive support from the club and its members throughout the season, including special help from Tom Magurren, Bill Cook, Wendy Cook, Kerry Armstrong-Smith, and John Rutherford at different times. We owe a massive amount to Mick Magurren and his crew for their work at training sessions, getting the kids race ready. In addition, there is the group of parents that (sometimes reluctantly) get in the water week in, week out, to keep the kids safe, encourage them and support them. We'd also like to acknowledge the parents that put their hand up to official at carnivals, missing out on seeing their own children compete; and those that helped in the kitchen or any other times when they were asked or just offered.

Highlights:

- Conquering fears, big surf, or big swell
- Being great team players, great mates, and supporting each other, particularly when things don't go so well
- Surf Camp
- Championship Day
- State finalists:
 - Surf race Liliana, Chloe, Slater
 - Surf teams Liliana, Chloe, Zoe, Annabel; Slater, Khai, Reef, Sam
 - Board race Annabel, Zoe, Slater
 - Board team Savannah, Zoe, Liliana
- The boys swim team (Branch Champions and runner up)
- The girls swim team (Branch Champions)
- The beachies, who continue to impress and get points for the club especially Savannah, Zoe, Annabel, Finn, Cooper, and Sam.

We are really looking forward to next season, hopefully it can be as normal as possible. The kids will be doing much the same (but on fiberglass boards) but have a few new events to contend with including board rescue and Cameron relay. All this will set them up to be our future lifesavers.

U9 IAN LAWRENCE I MICK MAGURREN & ABBEY CAMERON

Like everything recently, COVID impacted us with cancelled events, delays, new rules and ways of doing things. The kids took it all in their stride. Thankfully we were still able to spend heaps of time at the beach doing what we loved.

Their day of the season was a bit of a shock, with their first big swim around the cans, followed by our first real taste of having to paddle the foamie boards around the cans.

Big swims, lots of board paddling and even more fun was quickly the

norm each Sunday morning at Umina SLSC. The Nippers have progressed well beyond our wildest imaginations. The effort that each Nipper put in each week to push themselves to improve on previous weeks was amazing. As Age Managers, It made us so proud so see how well everyone had picked up the new skills in the surf.

It was great to see sixteen U9s represent us at State carnival. The conditions were really really tough with a large amount of the field not finishing races. The toughest conditions I have seen. However as one official said, "All the competitors were so brave, standing on the start line, watching the races before them get battered around. Then when it was their turn, racing into the water, using all the skills they had learnt and giving it all they had, until either their crossed the finish line or they kept on trying until they were tapped on the shoulder by water safety to come back in." Despite this we had some impressive results, with individuals getting into finals. The team events really showed the calibre of our kids with the following places in the State.

Male Surf Team 4th, Male Board Relay - 8th Female Surf team - 5th. Female Board Relay - 8th. A big big thank you to all water safety that encourage these wonderful children each week. Your positive influences and encouragement really do help the kids no end. Looking forward to seeing you all on the beach next season.

U8 SCOTT MICALLEF I JULIA ROLOGAS

The 2020-2021 season for the Under 8's was one full of challenges, achievements, smiles and lots of fun. Each and every week the kids showed up with energy, bright smiles and a willingness to learn and have fun. Throughout the season we practiced flags, wade, sprints, boards and relays. The age managers saw tremendous improvement over the season as the kids grew in ability and confidence in each event. They loved getting on the small foam boards and cannot wait to move to the bigger boards next season. One of their favourite activities was the big mat which we included in the program a few times. The kids showed a major improvement in flags as they took in age manager's advice on technique and made sure to apply it next time. They also eagerly took up the opportunity to improve their swimming skills with Thursday night swimming sessions at the PLC with Tom Magurren which assisted them with their ocean swimming. Thank you to Tom for opening this opportunity up with our age group and spending a few Sundays with us to help us grow and learn.

This season our age group had the opportunity to compete at their first every carnival which was held on our home beach. We had 13 kids participate, 8 girls and 5 boys, who all gave it their best making sure to involve themselves in all events. Brach carnival at Copacabana proved challenging with unfamiliar and rough surf conditions but the Under 8's did not hesitate to still jump in and give it a go. The highlight of the day was the girls wade relay with a result of 1st place! Our first ribbon as an age group. The kids were all so encouraging of each other throughout the day, supporting their teammates and cheering for them from the sideline. We are all so proud of their efforts and cannot wait for plenty more carnivals.

The under 8's also had their first ever surf camp this season. They had lots of fun at plenty of different stations including Sal's surfing, Steve De Vivo's, board, various games, and swimming. The kids enjoyed learning new skills and hanging with each other throughout the camp. Lots of new friendships were made and they cannot wait until next year.

The under 8's were extremely lucky to have plenty of terrific parents who would not hesitate each week to put their hands up to help out. They were all so encouraging throughout the season and the kids loved having them involved. The season would not have run so smoothly without them, and we are eternally grateful for their help and willingness to be involved. A few parents have, or are considering, completing their bronze medallion which reflects their dedication to enhancing their kids' nippers experience.

Another huge thank you goes to Emma Jordan and Meena James who turned up every week without fail, advising us on how to give the kids the best experience. Their knowledge and experience with nippers was highly valued and provided the kids, and age managers, with the best opportunity to learn and grow as nippers. Without their expert advice we would have been very lost so we are extremely grateful for their help throughout the season.

Last of all the biggest thank you goes to Scott (assisted by Bethwyn and Julia) who was new to age managing this season but gave it everything he had and brought so much joy to our age group. His engagement with the kids and parents allowed them to have heaps of fun throughout the season. The kids loved having Scott as an age manager seen through the countless hugs, stacks and smiles on their faces each week. Scott's willingness to expand the kids ability and dedication to them is seen through his keenness to organise extra sessions after the season as completed. His fun attitude is contagious, and we could not have asked for a better age manager.

Bethwyn and Julia did an amazing job as 2021 U8's Coaches. They helped the kids learn and expand their skills with a smile. We only want the best for the kids and having mentors like Julia and Beth will only strengthen our Young Nippers.

Thank you, girls for all your help guiding me through almost every part of the nipper process and I will be forever grateful. Thank you - Scott We look forward to the new challenges and highlights next season brings and we cannot wait to be back on the beach.

${f U7}$ steve hopley I ebony rayner & ellena grey

Every weekend we had heaps of kids hitting the beach and hitting the water. Week by week, they continued to develop their skills and grow in confidence, in and out of the water. Most importantly, we had fun and made a lot of new friends (kids and parents alike). And every week there were plenty of parents, grandparents, or friends to help - even when the conditions weren't the best. A big thanks to all those that helped or supported to make the season such a great one.

U6 ROBERT MCLEOD I MADDISON MCLEOD & DAVARA MARSHALL

The mighty Under 6s had a fantastic 2020/21 season. Every Sunday morning the kids took part in activities including wades, dolphin dives, body surfing, boards, flags, sprints and beach games. The Under 6s gave their all each week and gained confidence dealing with surf and being out of their comfort zones.

A big thank you to my two helpers this season Davara and Maddison. You both did a fantastic job and I know the kids loved having your help and guidance. Without you both being involved we could not do what we do each week.

As everyone is aware this season was like no other. A big thank you to Skye and the Club Board for firstly getting Nippers up and running for the season and secondly running it so smoothly. There is a massive amount of work that goes on behind the scenes to run nippers each week and it is very much appreciated.

To all the parents, grandparents and carers thank you for fronting up each Sunday morning to bring your kids to nippers. Your commitment to giving your children the opportunity to take part in this great activity is appreciated. Thank you also for help throughout the season with water safety and on the beach. I hope you guys enjoyed it as much as the kids.

Finally, a big thank you to all the Under 6 Nippers. We had lots of laughs mixed with a few tears but through it all your commitment to try new activities each week was awesome. Maddison, Davara and I are super proud with how far you all progressed throughout the season. To be taking on surf at the age of five is sometime daunting but you all excelled.

Enjoy the off season and your winter sports and I cannot wait to hear all your stories again next season.

See you on the beach Captain Rob.

JUNIOR CLUB CAPTAINS

Thank you to our Junior Club Captain Sienna Scahill for a great Season 2020-2021- We would like to congratulate Lucy Marshall and Kai'zen Leggett who will represent Umina SLSC for the upcoming season 2021-22.

BRANCH-AWARDS OF EXCELLENCE

Surf Lifesaving Central Coast held their awards night on the 12^{th of} June at Mingara Recreation Hall.

We are so grateful to have your leadership and drive for excellence, which is why our branch is the best. Awards of Excellence was again another showcase of everything fantastic in this life saving movement. We are so elated that our club was recognised for our efforts to keep our beaches safe, members engaged and healthy and supporting the wider community.

CONGRATULATIONS to our award winners.

Paul Sharpe - Life Saver of the Year

Kai Darwin - Youth Volunteer of the Year

The Club was also awarded: 2nd Patrol Competition 2nd Club of the Year 2020

Harold Marshall - Volunteer of the Year

James Irwin - Support Operator of the Year

Lastly big Congratulations to Ocean Beach Surf Life Saving Club for being crowned Club of the Year!

Branch Awards of Excellence also saw huge recognition for Garry

Mensforth on his Central Coast SLS Life Membership- Congratulations!

DUKE OF EDINBURGH

Congratulations to these young leaders completing their Gold Duke of Ed and finally receiving their awards from Her Excellency Governor Margaret Beazley at Olympic Park today. Liam Cali, Ethan Cali and Leilani Healey- Well done.

MASTERS REPORT I RICK BOYLAN

A quiet season for the Masters this year, and I think this was combination of Covid restrictions and for me injuries.

Our water medals were down this year and put this down to small numbers in the water but I'm looking at a big drive for next season. The beach competitors had a great season with medals a Branch, State and Aussie, well done guys.

I would also like to mention the Champions as we again managed to come away with medals also at Branch, State and Aussie again.

Next year I'm hoping we have a more integrated group, and I will be trying to build all areas, that's if I run again as Masters Manager. Please let me know if you are interested in this position that I've had for over sixteen years.

I don't normally talk about our boaties as this is covered by the Boat Manager report, but just wanted to give a shout out to our master's Boat crew. These guys had an outstanding year and came so close to medaling at Aussies, well done boys.

The off season, if there is one will see a few of use preparing for another Coolie Gold. Good luck guys

Here's to a bigger, better season next year for all and a big thankyou to Christine Bishop and of course Phil and Jan Harding for looking after the Masters again.

FIRST AID REPORT I HANNAH MURPHY-BRONTE SMITH

This season was challenging. Unlike past years, a lot of changes were made to the first aid event this year due to covid restrictions which placed a lot of our first aid competitors out of their comfort zone. This includes the replacement of live patients with manikins and each competitor having their own area and first aid kit instead of sharing one with their partner.

Due to COVID, school, University and TAFE commitments it was rare to have all competitors attend training each week, however, everyone really stepped up their game in studying and home practice this year as the results show.

This season we achieved amazing results across all age groups with Erin and Maia placing first at Branch, second at State and an amazing fourth at the Aussie titles in the U17s. Our U19s team consisted of

Bethwyn and Liam who placed first at Branch, third at State and an impressive eighth at Aussies. Hannah and I also competed in the Opens and managed to achieve a first at Branch, second at State and first at Aussies which was definitely a great way for Hannah to finish off her last season of competing.

The 20/21 season was extremely successful and would not have been possible if it wasn't for the officials, assessors, patients, and parents who kindly volunteered their time to allow us to compete.

Thank you to all the first aiders for making this challenging season so incredible, we hope to see everyone back and can't wait to see what next season holds!

CHAMPION LIFESAVER I MOLLIE MURPHY

Umina place 1st in the unofficial lifesaving point score.

The lifesaving competition team once again had a very successful season. The team ranged from U14s trying the event for the first time to our veteran Masters. Our U17 champion patrol team saw 2 members age out and new members join as the team evolved from the Cockies to the Fineapples with of course matching swimmers. The champion lifesaver and champion patrol events test the overall lifesaving skills of competitors with a theory test paper, a live patient assessment, resuscitation, and physical events.

The branch championships didn't quite go to plan with the water events being cancelled but it was a great wake up call to pick up our books and get ready for state. All competitors came home with a medal which was a fantastic result. The state championships saw the team on show once again with medals and Aussie's qualifications for many. The results across champion lifesaver, champion patrol and first aid competition saw

Aussie's saw our team of 7 champion lifesavers qualifiers and Team Fineapples compete against the top 9 in the country in their age groups. The team came home with 5 medals and in the unofficial combined lifesaving competition point score 2nd overall.

These results couldn't have been achieved without the assessors, officials and patients who volunteered at these events. So, a massive thank you to Pam Edmonds, Karen Murphy, Shelley Smith, Christine Bishop, Cashar Darwin and Lucy Caller.

A huge thank you to Shelley for all her massive efforts in training this team and build a fun culture and Bronte and Hannah for their support in the First Aid competition.

Thanks for a great season and we are looking forward to growing the team in 2021/22

DUKE OF EDINBURGH I LYNDI LEGGETT-MOLLIE MURPHY

Well, what a crazy year we had last year – putting a dampener on our plans for last year's Duke adventures. Once restrictions were lifted our new bronze group lead by Mollie got off with a great start.

This year's bronze Duke of Ed group had 15 keen 14- and 15-year-old kids excited to develop new skills, take on new opportunities and experience an adventure. They undertook a range of activities between them in and outside the club, from patrolling our beach, helping at nippers, running raffles, getting their bronze medallion, getting their first aid certificate, learning how to train dogs, coaching water polo, learning to water-ski, improving their fitness and swim training.

Alongside these activities they also undertook two adventurous journeys- The first one was through Brisbane Water National Park and saw them challenged and pushed beyond expectations. Starting with leaving their phones at home, they went abseiling, hiked at night, cooked their own food, jumped off the swing bridge and went on a bush bashing waterfall adventure.

The second trip saw them take on another waterfall adventure as they explored Kariong Brook Falls and the "Bathtub" Falls. They have embraced the challenges of the Duke of Ed program, continued to be good club people and we are looking forward to seeing it continue throughout their silver and gold awards. Big thanks to Steve Murphy and Stu Graf for accompanying Mollie and our Bronze kids on their adventures.

Our 20/21 Silver Group started their adventures in January last year with their practice trip taking our club skis out and paddling over to Lobster Beach and Ladders then returning to camp to get lunch in and change into hiking gear to hike over to Pearly Ponds and beyond. This continued over 3 of the hottest days of the year – so well-done team for pushing through the heat and dehydration to get this done.

These intrepid adventurers were not sure if their actual adventure would be a hike or a paddle, so they combined both for their practice trip. Thanks to Mel Porter, Deb Scahill, Simon Darwin, Lucy Caller, Greg Smith, Jarryd Edmonds, Kerry Armstrong, and Tom Magurren for your help in making this happen. Then Covid locked us down and we regrouped in January of this year to complete their silver adventure with a 3-day paddle down the Hawkesbury River guided by Glenworth Valley guide "Sol". This was again on the hottest days of the year; we were grateful to be on and in the water.

The kayak trip was incredible – learning how to be patient whilst persevere with lighting a fire using a flint was the greatest challenge for us all. We had a downpour of rain which added to our first night challenge of building a fire with wet twigs. And we did it!!

The fun continued over the whole 3-day adventure – with great navigating skills from Jaden and Matt and many entertaining stories shared by Sol if you happened to paddle close to him. We found a rope in a tree and several of the team had great fun swinging out and diving into the water.

On our second night we camped over the river from a rock band who (I am told as Sarah Beard replaced me for this part) that the rock band practiced their music well into the small hours of the next morning – and they really did need the practice too. Sleep deprivation - an awesome challenge to complete a Silver Adventure.

Huge thanks to Simon Darwin and Sarah who helped accompany our Dukes. So many incredible memories made on these trips.

The Silver Dukes this year are Erin Scahill, Julia Rologas, Matt Kearney, Ebony Rayner, Ciara Porter, Maia Darwin, Bethwyn Caller and Jaden Beard. We have received confirmation of Erin Scahill completing her silver award and urge all the rest of our Duke kids with last items to complete – to get it done.

The experience is incredible so get your award for it – get the work done. Let us start your Gold Adventures now. In June last year - Grace Talty, Leilani Healey and our first 2 gents in the club to complete their gold awards, Liam and Ethan Cali all had their Gold Awards officially confirmed complete. Grace received her certificate by post due to Covid restrictions there was no Official Ceremony last year.

This year however Leilani, Liam and Ethan got to meet Her Excellency Governor Margaret Beazley at Olympic Park with all the other Gold Dukes in celebration of their huge efforts. Congratulations to you all and we asked DOE if Grace could attend too – sadly not having already received her certificate. Thank you, parents, for all your help and looking forward to a new season of fun on the Duke of Ed adventures.

Lyndi & Mollie and Jenni.

UMINA SURF BOATS I GRANT STRINGER

Umina Surfboats were represented by 3 crews for the 20/21 season

Fielded 2 masters crews with a junior under 19 girl's crew

Masters' women (itsthirstywork) crew swept by Adrian attended limited carnivals but shows promise for next season

With a few changes to crew and Adrian concentrating on his sweeping in off season he will bring them to competitive racing next season

The Masters Men(180's) swept by John Young (Lepers) had an outstanding second season together as an established crew

They had had great results finishing in top six at ASRL monster carnival at Mollymook a lead up to state

Unfortunately, their State was cancelled due to big and messy seas

They then set their attention to Australian Masters at Alexandria Headlands Sunshine coast

Here they were fronted with Lake like conditions with races a hard slog from start to finish with blanket finishes in all races round robin and finals

They qualified for the Final up against the best master's 180's in their division Australia wide

Again, in final it was a blanket finish until last 25 meters, and they were in the mix for a medal until a small ankle size runner gave the advantage to crews above them very much a cruel finish

These crews that medalled (Masters) are crews that have been together for years coming through juniors then seniors (A crews) There is no master rankings, but Umina SLSC and Lepers can be proud and say they are in the Top 6 of Australia

As a crew they have started winter training and have set their sights to Scarborough Western Australia 21/22 for a top 3 or better finish

We come now to the junior under 19 women(G-Zingers) their first season with 4 established rowers

The girls all turning 16 during season, also had an outstanding season up against girls older, stronger and experienced and in their last season of 19" s

They led the Streets series up until last carnival finishing equal 1st with Avoca and loosing on a count back

The girls looking for more experience and competition travelled to the Northern beaches competing against the best and obtaining good results

They entered The Young Guns of Surf Boat rowing bringing 18 of the best under19's crews together (covid limiting numbers) State and Aussie wide going through the round robin semis and making the final in their first year

They then set their sights on the ASRL Mollymook carnival due to big seas the venue was changed to a shore dumping venue with testing conditions here the girls missed the final by a whisker

Like the master's they looked forward to the Aussies on the Sunshine coast, here they were up against 19 other crews low on numbers due to Covid,

Round robin racing with a cutthroat result 20 crews to 12 you could not finish worse than 3rd girls finishing 11th making semis by 1 point

Major semi-final in lake like conditions not even a ripple they were knocked out by the top 2 place getters of the Aussie final a outstanding result for a first year crew.

After a small winter hibernation, they will start training and look towards coming season

Rowers Rower award each rower must pick a rower from each crew the recipient of this award was unanimously voted by every rower with John and myself agreeing Brook Beaver to receive award

Brook on the beach was always full of encouragement to all crews and appreciation from the girls and myself the text messages he sent wishing the girls well when racing Sydney, Aussies, and State Congratulations Brook first unanimous vote

A big thankyou goes to Melissa Porter being our Umina representative at Streets and State races working the finishing line in some dreadful Artic windy freezing conditions thankyou

Also, a big thankyou also to Jan Harding and Jane in office for entries and all those behind unthankful jobs well done

Also, the support from Umina SLSC non boat rowers at State and especially Aussies who came watched and wished our Umina crews all the Best

BOARD CAPTAIN REPORT I STEVE MURPHY

This year was once again busy for the board area with several new rescue boards and nipper boards filling our stock. Thanks to our generous club sponsors we are able to continue with the board sponsorship program that has allowed us to update both nipper boards and racing mals. Our stock of foamie boards are healthy but I am looking to update a few this year as our younger nipper numbers continue to grow.

Repairs are an ongoing issue and thanks must go to Rob at Palm Beach Board Repairs for his timely and quality repairs. Thanks also to members who notify me when craft are in need of repair.

Thank you for the year and hope to see you on the beach or in the water in the upcoming season.

ROOKIE REPORT I DEB SCAHILL

Finally, thanks to our parents and families for all that they have contributed to the season with carpooling, water safety, officiating and support.

I have loved being involved with this seasons fantastic Rookies! Congratulations to you All! Our 2020/ 2021 Rookies have had a great season, and we as members of Umina SLSC should be very proud.

The Rookie Program plays a large role in the development of our Youth Members in relation to lifesaving skills, leadership, hands-on experience and development.

Rookie events are always a huge highlight for our Rookies and we had Matilda, Catherine, Nicholas Cashar, Charli, Victoria, Ronnie and Kai'zen participate at the Rookie Challenge, Terrigal Beach. A special thank you goes to Ronnie and Kai'zen who stepped up and participated with the Toowoon Bay team!

The Annual Rookie Camp was replaced with a 13-14 Development Day held at the Lakes Beach SLSC with rookies from all over the Central Coast Branch. We had Hannah, Matilda, Kai'zen, Lucy, Catherine and Ronnie participate.

As well as Patrolling our Rookies have been valuable members contributing and volunteering around our surf club throughout the season with fundraising, water safety, surf camp, registration day etc

A big thank you to our Patrol Captains, Patrolling Members, Patrol Buddies, Club Executives, JAC Skye Marshall, Director of Lifesaving Paul Sharpe, Kai Darwin, Age Managers and members of our club who help guide and mentor our Rookies and continually support them in developing their lifesaving and leadership skills. Also a special thanks to Pam Edmonds for her SRC education and training.

COACHING JUNIORS I MICK MAGURREN

What an amazing year we have had!!!

I wanted this year to be as inclusive as possible, but our number have once again grown, we had to categorise athletes into cap colours or selected groups. This was very difficult and once again showed that competitive spirit in these kids to achieve a higher group.

If you were there to train, I wanted to see you put in 100% each and every week and race against your mates and your peers. I think as a club we grew from this and formed greater bonds and competitive goals in our junior squad.

We tailored the sessions to enable the kids to develop their skills in bigger waves but also to enjoy and not fear the solid wave sessions. The mighty under 9s charged every big swell at every nipper day this year and progressed massively. The confidence all the kids got from this set us up for a great back end of the year with solid swell at State titles.

We had some great individual results this season at local and Newcastle permanent series events, with Sav Glynn, Amber Stevenson and Ronnie Jordan once again dominating with impressive racing and some athletes that just didn't have luck on their side. We saw huge development from all athletes that attended to NP series. At State titles we picked up medals in the following events:

Under 13 ladies beach Relay

Under 11 ladies board Rescue

Under 12 ladies board Relay

We also watched a lot of our amazing athletes make State quarters, semis, and finals. All athletes raced so well in what can only be described as treacherous conditions.

I am one super proud coach!!!

Overall, I feel we have grown again as a club, and it was notable that Umina had arrived at each carnival with a happy and competitive vibe built around supporting your teammates and representing our club with pride. I loved that we all warmed up together at every carnival and were the envy of all other clubs with our size and passion.

I was once again blessed with such an awesome bunch of kids and along with that a rock-solid core group of water safety legends that were my eyes and ears each and every week, to all these unsung heroes I can't thankyou enough for your support. Thankyou also to the kid wrangling parents for having your kids arrive to every session on time, this assisted us a lot.

To the talented Under 13's, Goodluck in the transition to Mals and thank you for your dedication to the junior program. You have all been the greatest peers and role models for our younger athletes to strive to become.

Finally, I thank all the Junior athletes for your dedication this season and giving me the opportunity to be your coach and friend. I hope to continue to strengthen the values and development of this amazing group of athletes for manty more years to come as this is just the beginning of something awesome.

UP UP UMINA
BRING ON THE BLACK WHITE AND BLUE

VALE

John Desmond Slattery

"Slatto" was a member of Umina Surf Club for 43 years and was awarded Life Membership in 1996. We would like to share with you a brief history of John "Slatto" and how he became involved with the surf club. John originally lived in Sydney and used to come to Umina with his father John Snr on holidays and weekends as a young person. John Snr would entertain a lot of young men who came up to the coast for weekends and that is where John Sharpe had met Slatto as a young adult man. Slatto had worked for many years at the drink factory in Sydney named "Shelley's" and continued to work with them until Amatil took them over. Whilst he was working in Sydney, he would often catch the train up and stay with his sister Pat who had moved up here permanently with her husband and young family. John had also worked for "Speedo" on the north shore until the company moved further up the north coast.

After being laid off by Amatil, Slatto had lots of free time on his hands and John Sharpe encouraged him to come along and volunteer at the surf club mainly doing cleaning or odd little maintenance jobs. Slatto's young nephew Johnny Blair joined the club and so then Slatto had a more vested interest in coming along to help at all the carnivals, nippers' days or whatever needed to be done. Slatto was also involved in the "Umina Blue Swimmers Club" and had been presented many special awards for his voluntary services to them.

In 1996 Slatto was awarded Life membership at Umina SLSC for the many years of unpaid services he had given to the club. He was also awarded more than once the "Stirrers" Paddle and he accepted that with pride. Slatto was always downstairs with a broom or a hose in his hand and made himself known to those that did not respect our club house. In the old white surf club downstairs under the staircase there was a dark cupboard full of cleaning equipment and many a time if any nippers had been misbehaving, they were threatened to be locked into Slatto's Broom closet.

Towards the later part of his life his eyesight and hearing started to fail him and unfortunately one of his eyes was permanently closed and that is when the many nippers started to refer to him a "Pirate" as he wore a patch over that one eye and in his gravely voice say "How ya going" and "if things don't change around here "I'm going up the road to OB" but we all knew that would never happen as he was a proud member of Umina. He would always wear his club T shirts out and about and we would often see him walking down OB Road from Australia Ave towards the club in club apparel or a Wide Brimmed Lifesaving hat.

At sips, the ladies would always offer him a meal and can of coke for which he was grateful. In today's world we need more people to be like him "Give more than they take and be happy with the little things in life". Slatto had lived his life with his nephew Johnny Blair (his sister's son) as Johnny had promised to look after Slatto after Pat's passing. Due to Johnny having to move up to Tuncurry and Slatto's health declining he moved into care at Aurum Erina. The staff there said he was a very friendly person and got on well with the other residents.

We will miss him, but his memories will remain part of our history. RIP – John "Slatto" Slattery
