With our Senior Presentation held last weekend, it officially ends our 2021/22 season. We have a busy couple of months ahead to prepare for the new season, which I'm sure will be another fantastic one.

The winter months will see our AGM welcome New Directors for nominating positions along with our Nippers, Opens and Masters compete in Pool Rescue events and IRB events which are welcomed back after a long break due to Covid.

Updated Registration Process

Please keep an eye on emails for information coming out regarding the updated registration process in your Members Portal.

SLSA have introduced a new drop down box system where no adjustments to price can be made. We ask that anyone renewing membership to vote at the AGM please pay full family membership, any Active Kids Vouchers that can't be accessed prior will be reimbursed once sent through to Jane in the office.
