

UMINA SLSC

ANNUAL REPORT 2022-23

63rd edition

NOTICE OF ANNUAL GENERAL MEETING

63rd ANNUAL GENERAL MEETING - Umina SLSC

Notice is hereby given that the 63rd Annual General Meeting of members of Umina Surf Life Saving Club Inc. will be held at Umina Surf Life Saving Club House, 509 Ocean Beach Rd, Umina Beach on Sunday 18th June 2023 at 2.00pm

BUSINESS

1. To confirm the Minutes of the previous Annual General Meeting.
2. To deal with any business arising out of such Minutes.
3. To deal with any relevant correspondence.
4. To receive and adopt the Annual Report and Financial Statement.
5. The appointment and fixing of the remuneration of the auditors.
6. To deal with any Motions of which due notice has been given.
7. Notice of Motions:
 - Motion to approve affiliation be sought with SLSCC and SLSNSW
 - Approval of Life Membership nominations received.
- Endorse the updated Club Constitution which was dealt with at a Special General Meeting held on 15th May 2023 (copies can be requested by email)
8. To elect Directors of the Club for the 2023/2024 and 2024/2025 Seasons.
 - Director of Finance
 - Director of Surf Sports
 - Director of Facilities
 - Director of Lifesaving
9. General Business of an Urgent Nature.

Please Note: The Chairman has the right to vary the order of the meeting.

Under the current constitution and by-laws, members need to be financial for the upcoming 2023/2024 season to be eligible to vote.

We request that members renew their registration online via the members portal by 11 th June 2023 https://members.sls.com.au/SLSA_Online/modules/login/

We will also be helping with online renewals prior to the AGM from 12.30pm to 1.30pm at the surf club on the day.

Information and nomination forms are attached or can be requested from the office or email: memberservices@uminaslsc.org.au

Written nominations must be received by the Director of Administration memberservices@uminaslsc.org.au or club office at admin@uminaslsc.org.au on or before 11th June 2023

Umina Surf Life Saving Club (SLSC) is a well respected and socially conscious organisation. Established in 1959, it has been providing voluntary surf life saving services to the community for more than 60 years.

During this time, the population of the Central Coast has grown significantly, as has the popularity of Umina as a tourist destination. This summer 2021 – 2022 over 189,000 people visited Umina Beach. There were 101 Rescues – with no lives lost.

Vision

Create opportunities for our members to develop as people, as surf lifesavers and support the Club's development as a community service.

Mission

To combine the best of tradition and innovation in Australian Surf Lifesaving, faithful to our core values of maintaining a safe beach and aquatic environment.

Values

- Accepting our role as a leader in surf lifesaving and education services
 - Operating with integrity, equality and accountability
 - Development of our members
 - High standards of management
- Innovatively and constantly improving our services
- Responding to the needs of our members and community
 - Promoting a team environment

The 2022-23 season was one which saw us return to some form of normality following the past few interrupted seasons. It was great that the restrictions that had been placed on our patrols, nippers and club house were lifted and we safely returned to the numerous activities around the club.

Under the guidance of Mollie Murphy as the Director of Lifesaving, our patrols ran smoothly, capably managing the high number of visitors to our beach. It is a credit to Mollie and our Patrol Captains for how consistently well our patrols are conducted. It is no coincidence that Umina continues to score at the very top end of all patrol audits conducted by branch. These reviews are conducted without notice and across various patrol teams, yet we consistently achieve outstanding results.

Training and Education has long been a strength at our club and this has continued under the leadership of Damon Somerfield. In addition to the formal education pathways, Damon has introduced a number of club activities. Damon deserves great credit for his “Love Squad” program that provided some surf training and general fitness for our members. We also saw some great participation in our “Yellow Board” program led by Damon and Steve Murphy. This program is designed to provide coaching to bronze members in developing their skills on rescue boards. Both of these initiatives provide a wonderful opportunity to improve the overall skills and rescue-readiness of our members.

Whilst relatively new to our club, Damon’s passion for the club and surf life saving more broadly is infectious and our members are very grateful for his ongoing contribution. The additional activities and training opportunities also had a direct impact on us having a record number of Masters competitors participate in our branch championships. Well done to Rick Boylan for all the encouragement and co-ordination to make this happen.

Whilst the focus of our nippers program is to provide surf awareness and develop the skills and confidence of our children, the competition results at the State Titles deserve comment. There are many individual results that warrant recognition, however no event better epitomises the current strength of our junior program than the All Age Board relay in which the club achieved a Silver medal. A few short years ago that felt absolutely impossible as we marveled at some of the powerhouse clubs across the state. It is a testament to Steve Murphy and his support team as well as the efforts of our water safety.

The foundation of our successes in the nippers program has come from having such strong participation numbers. This can only occur when the kids are enjoying what they do. Michael Jordan and his team of Age Managers deserve great credit for developing a program that keeps the kids engaged and involved.

Michael has ensured there is a focus on fun and enjoyment on a Sunday morning, whilst providing the opportunity for children of varying abilities to develop their skills and surf awareness. We have seen over the past few years that this has resulted in an influx of new rookies as they finish their nippers journey and get to experience patrols. This injection of youth places the club in a fantastic position for our ongoing patrolling capabilities.

The role of Director of Facilities can be very demanding as there is much to do to simply maintain the club. Thanks must go to Stuart Graf for not only the work he has done in fixing the various matters that need attention over the course of a season but for some of the improvements he has overseen at the club. Installing the electric roller doors has improved our emergency response time and also created a safer environment for our patrolling members. Stuart should also be commended for the work he has done upstairs with the retractable window frames further adding to the ambience of the club.

Whilst many of the activities around the club are highly visible, some work critical to the functioning of the club happens largely behind the scenes. Two of our Directors in Wendy Cook and Bec Simonet are responsible for the lion's share of this work and as our club we are indebted to them for their commitment and contribution. Rather appropriately Wendy Cook was recognised in a SLSA initiative highlighting significant contribution to life saving called the "Discovering Hidden Legends" program. Both Wendy and Bec have been integral in the administration of the club.

As a volunteer organisation we have a significant dependence on the support of our sponsors in order to continue to provide services to the community. We are grateful for the large number of businesses that support our club and want to pay particular thanks to our Major Sponsors in United/Pie Face, Ettalong Diggers and Rotary. Supporting the businesses that support us is our best way of rewarding their contributions.

Change will continue to be a constant at our club and this season marks the end of an era as Trevor Gee steps down from his role as Head Water Coach to pursue an opportunity as a Professional Iron Person Coach in QLD. Trevor's program has undoubtedly lifted the profile of the club and over the course of his tenure we have significantly outperformed our size. Good luck to Trevor.

Towards the end of the season we also saw our President Stephen Scahill stand down from this role after 5 extremely successful years for the club. During this time, Umina was named the Branch Club of the Year on 4 occasions and NSW Club of the Year twice.

Steve fulfilled this role with passion, he was an exceptional public speaker and we were beneficiaries of his professional and friendly demeanor.

Thank you so much Steve for the contribution that you and your family made while you were in this role, and we look forward to continuing to see you all at the club and patrolling our beach.

Our Club Awards were once again a highlight. We would like to congratulate all winners and particularly make mention of our Major Award Winners:

- Steve James & Matt Fearnley - Club Person of the Year (joint winners)
- Gavin Robertson - Patrol Person of the Year
- Bronte Smith - Young Club Person of the Year
- Nikolajs Apalis - Young Life Saver of the Year
- Stephen Murphy - Members Choice

This was followed up with some outstanding awards achieved at the Surf Lifesaving Central Coast Awards of Excellence.

- Lilly James - Rookie of the Year
- Bronte Smith - Youth Volunteer of the Year
- Umina SLSC - Winners of the Patrol Competition
- Umina SLSC - Winners of the Surf Sports Club Overall Point score
- Umina SLSC - Club of the Year

These are significant achievements that reward the amazing contribution our entire membership has made to our Club. We now look forward to the NSW Awards of Excellence.

On behalf of your Directors, we thank all of our members, and we look forward to another safe, enjoyable and successful season ahead.

Rebecca Simonet

Strategic Planning - We hit the ground running this season, what felt like moments after the AGM the board came together for a full day of strategic planning, thank you to Ettalong Diggers who were nice enough to let us host the day in their boardroom.

SLSNSW State Conference- Weeks after the strategic planning Wendy Cook, Abbey Cameron and I headed to Sydney for a 2 day conference with SLSNSW where we attended sessions to learn about member protection, social media usage, youth engagement and much more.

Open Day - after weeks of planning and some amazing members who helped with letter box flyer drops, Umina SLSC Open Day was a success with many new faces in the club house all interested in what the club had to offer. Thank you to all the members who came and helped out for the day. This season we had a total of 957 Financial members throughout the season. To our registrars Christine Lavers and Jane Ritson who processed all these memberships in Surf Guard, we appreciate everything you do.

Members Protection - This season the Member Services committee had a big focus on Member Protection & Child Safety. The team up-skilled themselves align to the new NSW policies and requirements. Thank you to Lauren Summerhayes & Steve Hopley for their dedication to the MPIO roles they undertook, Mike Begg for taking on the Complaints manager and Haylee Ingold for ensuring our children are safe and our club is compliant by taking on the Child Safety position. These roles are pivotal to the protection of our members and our club.

Social Media - After many years of running social media Harold Marshall decided it was time to step down, this left a big gap for how we promote our club and its members. Thank you to Shelley Smith who stood strong in the transition and kept the lights on whilst we reimaged our social media strategies. With the idea that more hand make light work it was decided we split our social roles over the department areas, coving; 1. Lifesaving & Lifesaving Events run by Shelley Smith, 2. Seniors to Masters Surf Sports & Boaties run by Brooke Gee, 3. Nippers run by Jamie Dixon and content support run by Christine Kaye.

Thank you to these ladies who help produce 104 posts plus 100's of stories of content, spent hours removing scam comments off posts and responding to enquires.

Youth Engagement, this year Bronte Smith stepped in as the Youth Engagement Officer and Steve James took on the role as Duke of Edinburgh Leaders. The success of these programs have been crucial in keeping our youth members active within the club. A huge congratulations to Bronte for winning SLSCC Youth Volunteers of the year for her commitment to youth engagement initiatives.

General Meetings - this season we ran 6 General meetings (including 1 special general) to give our members the opportunity to voice concerns and feedback. We had some great ideas that have come to fruition thanks to these meetings. An extremely big thank you to Christine Lavers who minuted all these meetings ensuring all information was captured and recorded.

The Website went under some major updates this season. Thanks to Simon Darwin for his regular and quick to act assistance and his contributions to creating our new Find Your Fit club caps campaign logo. Find Your Fit will continue to roll across the club assets in the seasons to come as we continue to advertise the many facets of our clubs areas.

Thank you to all the new members who stepped into roles and existing members who continue to volunteer across the club. It's your commitment to our club that has contributed to being Central Coast Club of the year once again!

And lastly a special thank you to Wendy Cook for her continued support to my role, including spending many hours at the club or on the phone with me updating the Constitution, writing applications and working through member enquires.

Wendy Cook

The clubs' financials have been audited by registered auditors Fortunity Pty Ltd. They are happy with how they find our accounts. While the clubs accounts have held thanks to good financial planning and support through loyal sponsors, supporters and function this year saw our return at a negative for the first time in the years since I have been working in finance. Whilst this does sound a little daunting there were a number of reasons for this situation.

I find myself writing this report pondering my position and my commitment for another 2 years. Whilst I love our Club, I do wonder if there is someone else within the club who might be willing to take on this position as a whole or jointly. If you are reading the clubs annual report and feel you would like to assist in this department, please let me know as I am only too happy for a catch as this position covers many areas.

On a positive note I have a great team working with me and we are endeavoured to re-engage our members after our Covid years. The start was with our new club uniform and costumes. Jenni Blacker has worked tirelessly every Sunday morning with assistance from her daughter Emily and Sinead Hughes to ensure our apparel was on display, Jenni held many sale days which were a great success clearing out our old stock making room for the new. The purchase of this new uniform range was one of the reasons for the overspend but this will level out over the next couple of years.

I would also like to thank Sinead as she has come on as my backup assisting me endlessly from banking & processing to recoding all our clothing stock, to helping me with costings and working through budgets and many other tasks needed to ensure the department is well run.

My next big thanks is to Fiona: - Venue Manager for her Role in managing our Venue area and her work with all prospective customer enquiries and servicing our regular customers and for her tireless work in getting the Deck running with full kitchen Menu to complement the bar on Friday nights. this has turned out to be successful but has its challenges.

It goes without saying a big thankyou to our Bar Managers Marty and Bill for making sure the bar is well stocked and up and running for all functions, Friday nights and of course Sunday SIPS.

To all the bar staff, cleaning staff and the many who help behind the scenes thank you for putting your hand up to help run this department.

To Lauren for her tireless work with catering for our family Christmas and Fishy Friday. These club events are enjoyed by many and muchly appreciated.

Lastly but not least Jane for being there in whatever capacity I needed and whenever I need – it is much appreciated.

We would like to thank all our sponsors without you many items needed such as Lifesaving equipment for patrolling, training and education, Patrol Meals for our Patrolling Members, equipment to run our Junior, Youth and Senior programs and the running of our member assistance program would not be possible without your support.

United / Pie Face in their continuing to support our club, Ettalong Diggers for their continued to support us with our Educations and training programs.

Woy Woy Rotary's continued support. I would like to take this opportunity to thank Steve James for his work this year with co-ordinating Umina Surf Club members with Woy Woy Rotary in their Opera in the Arboretum for which saw Umina Surf Club one of the major recipients of their major fund raiser.

Please see attached a list of this year's Platinum, Gold, Silver and Bronze Sponsors and please support these businesses when possible.

We have continued to apply for grants with the assistance from the SLS Grant Unit helping us achieve a good result this season which has seen our new Bi-Fold Doors, carpets replaced and new electric roller shutters on the building.

We also received a NSW Government grant for our Youth Development group run by Bronte Smith for which our youth have had some good times.

I would like to finish with saying thank you to the Board for their support and hard work throughout the season, and to my husband & family who continue to support me whilst in my role.

Memorable moment- Jemma Smith

Jemma Smith grew up doing nippers at Umina Surf Club, she continued to compete for Umina until recently transferring her competitive rights to Newport, Jemma keeps her ground roots with Umina continuing to perform her patrolling duties throughout the season.

This year Jemma decided to to attempt the Worlds most challenging ski race-53Km Molokai Challenge, Jemma was exceptional in this paddle and took out 1st place in the women's section-this goes along with her world title crowned in October 2022 for the Ocean Ski world race. Umina Surf club congratulates her and her family on an unbelievable result which is testament to her dedication to her sport.

Without support from local business and other organisations and individuals, we would not be able to survive. Please support and recognise our sponsors as they support us.

Mollie Murphy

This season was once again a successful one with our core goal of “No Lives Lost Between the Flags” being maintained at Umina SLSC. This season saw lovely weather and plenty of beachgoers enjoying the sunshine, along with plenty of rips that continue to be a challenge. I'd firstly like to thank each patrol member from our rookies to patrol captains, thank you for being on the sand and in the water, ensuring our community was safe every weekend.

Patrols

After a rocky end to last season with so much rain and poor water quality, it was a pleasure to have the sunshine for most of the 2022/23 season. With sunshine comes beach goers, over 300,000 beach attendances across the 72 patrolling days. Our patrol members were kept busy all season with challenging rips and often surf. Our patrol teams were often seen spread along the beach in the red and yellow, performing rescues and prevention.

We had our U13 rookies join our patrol teams, who by all accounts were fantastic at listening, learning and being proactive on patrol. Many patrol team members also upskilled this season by completing a range of courses from SRC, First Aid, ARTC, IRB Crew, IRB Driver, Silver Medallion Patrol Captain and Silver Medallion Aquatic Rescue, thanks to our incredible education team led by Damon. These new skills have been and will continue to be so helpful in the strengths of our patrol teams.

This season our members completed:

9,021 patrol hours with 308,371 beach attendees

5296 preventions

78 first aids

50 rescues

All contributing to maintaining “No Lives Lost Between the Flags” at Umina SLSC. Rescues were down 50% on last year while preventions were up 45%, a massive achievement by all patrol members.

A huge thank you to Jon and his café team for providing lunches every weekend, from the busy days to miserable ones, it's always a highlight of our day.

Lifesaving Committee

I would like to thank our lifesaving committee for all your support this season.

Thank you to Paul Sharpe for continuing to support and teach me the ways of this role and answering all of my questions.

A huge thank you to James Irwin who stepped down from the IRB Captain role during the season, he has held the role for numerous years and did with passion and massive commitment. With Jimmy stepping down, Andrew Boylan and Greg Marsh stepped into the role, thank you for your support through the transition and for continuing the well-maintained area, ensuring we always have motors and boats available.

Thank you to Kai for running our call-out team particularly with flood rescues occurring across most of the season as well as the off season. Kai implemented a new call-out team selection process and training program which we will see continue in the 2023/24 season.

Our first aid officer Maia Darwin for keeping the first aid room stocked and clean.

Thank you to Jack Wiseman who assisted with the radios whenever he was back in Umina and Andy Wing for assisting with our motor vehicle maintenance and assisting our Youth Stinger Trips.

Thank you to Dad for not only being the gear steward and maintaining all our patrol gear but for all of his support, calls for assistance and all the last-minute IRB subs (thanks to Mum for letting him go and leaving her home alone).

Finally, thank you to the unofficial lifesaving committee member, Bradley, for listening to all my ideas and whinging, helping with patrol logs and being my go-to sub when Dad says no.

Thank you to our patrol captains and vice captains, each challenge that came up throughout the season you embraced and led your teams to succeed. Thank you for your support, sharing of ideas and guidance and encouragement and engagement with your teams, without you all our patrols couldn't function.

Call-Out Team

Our call-out team respond to incidents 24/7, a key part of surf lifesaving being an emergency service. Thank you to our entire call-out team for being ready and available to respond to incidents. Luckily, we had very few calls this season, but we are ready and have training plans for the off-season.

We had members of our call-out team respond to locations to assist with flood rescues and preventions throughout last off season and during the season. Thank you for assisting those in need across NSW.

IRB Training

We ran a new initiative during the off season of providing monthly IRB Training for our qualified IRB Drivers and Crew. It was well received and attended by many members. It allowed members to maintain and up skill and get plenty of time in the water, something that is often difficult to do on patrol during the season. Thank you to Jarryd, Jimmy, Kai and Damon for their support of the program.

Skin Cancer Care Day

We partnered with Providence Medical Centre Umina to provide skin checks and treatment for our volunteer members. This was an important initiative for our membership to prevent skin cancer in our members who spend so much time in the sun. Thank you to Dr Mario and the team at Providence Medical Centre Umina, we are excited to continue this partnership in the future.

Patrol of the Year

This year we changed up our Patrol of the Year criteria making it measurable in a fun competition format. We had points gained from a patrol assessment, a team relay, gaining new awards and 100% attendance. This year's winner was Patrol 3.

Youth Patrol Trips

We continued our youth trips from the 2021/22 season with trips to Bond SLSC and Crowdy Head SLSC as part of our Youth Stingers Program. The youth took every opportunity to learn and grow and got to experience a range of lifesaving aspects from being patrol captains, managing busy beaches and building relationships with each other and youth from the other clubs. Thank you to Bronte, our Youth Co-ordinator and leader of the Stinger program, she ran an incredible program at each trip. Thank you to both Bondi SLSC and Crowdy Head SLSC for providing such great hospitality and support for our trips and for Crowdy Head SLSC visiting us as well.

Thank you to everyone on that stood on the beach this season, another successful one, maintaining Umina SLSC long-standing record of no lives lost between the flags. Enjoy the off-season and see you on the beach in September!

Yours in lifesaving, Mollie

Rainbow Beaches Day

Sunday 19th Feb Umina SLSC joined surf clubs across the country in celebrating the inclusive nature of our club and beach with Rainbow Beaches, a Lifesavers with Pride initiative.

Skin Cancer Check and Treatment Clinic

This season we partnered with Providence Medical Umina who offered Dr Fam to provide a free skin cancer and treatment for all volunteer members. The first clinic will have 20 member spots on the 30th of October.

Providence will also be working with us on providing skin cancer checks for the community.

Disabled Surfers Association

Umina Beach hosted the DSA- Smiles on Dials events this season

Take 3 for the Sea

19 th of November saw Umina SLSC support Take 3 with their inaugural Ocean swim event.

Damon Somerfield

It's been an incredible honour to be part of the Umina SLSC leadership and Education team this year, I've been a trainer since 2016 so have always had a passion for this key area. As always my first thank you and acknowledgement goes to my family, as with like all our volunteers whom without the support and help to allow us to do what we do, none of this is possible, I'd would also like to thank all members for providing me with the encouragement and support to take on such a key role for our club.

When the opportunity to step into the Director of Education role came up, Jarryd Edmonds and I discussed how we could build on and develop our education and training programs further, having been in the role for the previous 4yrs and being one of our most qualified trainers, assessors and facilitators in NSW, Jarryd's knowledge and experience has been exceptional for both our members and myself as the new incumbent.

We started the season with a recruitment drive and piloted a new online sign up process to minimise the administration and make it easier for new members when joining our club, and kicked off with an 8 week bronze medallion course which ran twice over the season, which included both the new First Aid qualification and the new advanced resuscitation awards, giving our club a gold standard 8 week course not many other clubs can deliver, this is down to the quality, skills and qualifications of our trainers and assessors (namely Jarryd Edmonds, Pam Edmonds, Matt Fearnley and Peter Sinclair) to allow us to facilitate such a great program, this then fed into our SRC and SRC to Bronze training programs and IRB programs which also ran through the season.

This season the Education & Training trained, assessed and facilitated:

- 45 Surf Rescue Certificates (SRC'S) awards
- 31 Bronze Medallions and ARTs awards
- 15 SRC to Bronze awards
- 30 IRB Crew awards
- 3 IRB Driver awards

Other courses our team supported

- 2 SLSCC Silver Medallion Aquatic Rescue courses
- 2 SLSCC Silver Medallion Patrol Captains courses

Skills Maintenance

Part of being an active member is maintaining your awards, with a skills maintenance refresher each season, with the introduction of the SLS assessment app, this is now completed on patrols for most Bronze holders, so thank you to our patrol captains for assisting in this areas and Mollie Muphy for working with the patrols captains and education team on this, a special thankyou to Pam and Jarryd's Edmonds who relentlessly jumped on all patrols ticking people off to maintain their advanced resuscitation

IRB Courses

In our power craft areas, we finished off an IRB Drivers course and facilitated 2 new IRB crew courses with the support of Kai Darwin, Brad Dawson, Matt Fearnley under the leadership of Jarryd Edmonds.

With 30 new IRB crew members qualifying this season and now on patrols, it gives the club a strong base to develop and train the IRB section and drivers over the next few seasons.

A big call out to our only female IRB Driver Amber Backhouse who represented Umina IRB by joining the ALBERT program at Fingal Bay this season.

Amber joined 50 other female IRB Crew and Drivers from across NSW clubs with all levels of experience to develop skills and network with other clubs.

ALBERT is Australian Lifesaving Boat Emergency Rescue Training.

IRB training also continued through the winter with monthly training sessions for crew and drivers to spend time in the boat and maintain their awards.

Trainers, Assessors and Facilitators

To become a trainer, assessor or facilitator members needs to be qualified in the award they wish to train, gain a SLS trainers, assessor or facilitator qualification, and completes several training courses as the trainer, assessor or facilitator

Love Squads

This has been another great year in the name of “love” for our beach, each Friday come rain or shine, donned with their Umina SLSC Love Squad caps we have ventured out for simple swim fitness and surf skills training, the confidence this has given our new members who are working through their Bronze and the opportunity for exiting members meet and greet new members into our club has seen something special, a big thank you for all those who supported this each week when I was not always around, Mollie and Steve Murphy, Shelley Smith, Simon Allen, Dean Tetley and Rosy Pragono to name a few.

Board training

As part of our bronze program, we wanted to offer additional training to allow new members to increase board skills, confidence, and spend more time on a board, this developed into a regular event with nearly 30 members at times new and current of all levels jumping on a yellow or comp board to join in, as a result we were record numbers of new bronze member at our branch carnival having a go and taking home medals!

Sydney Harbour Ski Paddle

In the off season last winter 16 ski paddlers headed to Sydney to paddle to the Opera House and back, and am pleased to say this annual event has currently attracted 18 members again, we broke this down this year to set up 2 sessions locally before heading to Sydney, and at the time of writing 8th this have 10 new ski paddlers signed up and 8 established paddlers, so 18 will once again head to Sydney in June 2023.

Club Surf Race

We saw the return of one of surf lifesaving oldest traditions, the club surf race which saw over 60 active members head out around the cans to gain points and a free dinner, all aimed at encouraging new members to build confidence off the beach throughout their training and beyond.

This was timed to start after nippers, and great to see nipper parents and water safety members grab a cap and head around the cans in the name of fun, so great job!

A big thank you to Carl Krucler who after chat on patrol one day offered to help run this each week, thanks buddy!

As we enter the off season, the education team will be facilitating First Aid and Advanced Resuscitation upgrades, IRB Driver course, and training for existing crew and drivers, and our Bronze Program will once again kick off the week after Nippers in October.

Stuart Graf

We have had another productive year at USLSC.

We continue to maintain general building infrastructure such as plumbing and electrical, these include kitchen and our popular hassle free roller doors downstairs.

Many pipeline jobs have been completed. Thank you to our club hardworking Treasurer Wendy Cook who continues to seek and obtain grants.

- New carpet installed.
- New bi-fold doors onto the deck area, installed.
- New bi-fold windows plus the much anticipated new stone top benches for the windows installed. The stone benchtops have been a popular addition for community patrons at our Fridays Socials on The Deck.
- Security - camera expansion installed and complete across the entire club both internally and externally.
- New Dedicated Call Out Shed - Concept Drawings done and ready, pending surf club & council approval.

Did you know.... we are always seeking trades (preferably USLSC members) for various work throughout the year.

If you are interested please reach out to me directly or send your details through.

Vision: Culture, Inclusive, Retention and Lifesaving

Another very busy season done and dusted, and we are already working on next season. Off season training is already happening for those that are looking at competing in the Coolangatta gold again or for the first time, team and individual, or just want to keep there fitness up and stay involved. For this I really thank the coaching team as surf sports has become a 12 month sport these days, what other club gives you this?

The last two seasons has gone so fast, but I really believe we are in a good place and the future looks awesome. We are constantly building all areas of the surf sports department. This has only been possible by the team of dedicated coaches and managers we have at our awesome club. I would also like to thank the board for all there help over the last couple of years.

The Umina United Surf Sports Academy has been performing well with all involved from Nippers right through to our Masters which includes all disciplines in Surf Sports. The club web site highlights all the academy information and we look forward to a continued relationship with United in building the surf sports department across all areas.

I would like to thank everyone that has helped the surf sports department this season. I would also like to thank everyone that has helped me personally over the last two seasons, your assistance has been invaluable to me and has helped me to produce a surf sports department that other clubs strive for.

This has also just been highlighted at the Branch awards night when the club was awarded the surf sports point score winner for the Central Coast, we must be doing something right.

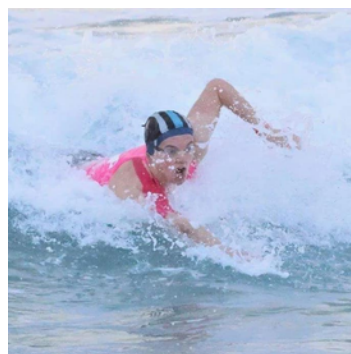

Finally, the club would like to say a massive thankyou to all competitors that put their foot on the line and competed for this awesome club, go the black, white and blue.

Next year we have Branch, State, Aussies, Worlds and Coolangatta Gold for starters, 2024 is going to be massive.

The entire youth team should be incredibly proud of how they represented themselves & our club.

There was plenty of cheering, hugs, high fives & celebration for team mates. We saw our team put into practice what they have been training week after week for & for the most part, their execution was spot on!

A HUGE thankyou to those that helped out over the past two days to ensure our kids had the opportunity to compete - Lauren & Nigel (officials), Harold (announcer), Mike J, Lyndi, Steve J & Harold (pool setters), Kylie, Leanne, Carpo, Jenni, Shane, Julie, Lisa, Gavin, Dean, Diona, Deb & Mike J (timekeepers).

A MASSIVE thank you to Lisa Page & Jan Harding who registered all our entries & payments.

A big SHOUT-OUT to our incredible coaching crew - Kerry Armstrong, Bronte Smith, Shelley Smith, Rachel Wood, Jemma Smith & Carl Krucler - our youth would not have achieved the incredible results over the two days of competition without you!

With all their hard work & dedication our youth team came away with a **SECOND PLACE** in the overall youth point score!!

What is Umina United Surf Sports Academy?

The Academy is an inclusive program designed to bring the best out of all levels of competitor and friendships. The program is open to all our young members through to adults.

The goal of the program is to build a strong club for the future through the retention of young people, giving them a sense of belonging and achievement.

Congratulations to all our award winners for the 2022/23 season. Special mention to our Major award winners-

Club Person of the Year:
Matt Fearnley & Steven James

2023 REFLECTION

In this my first Season as JAC I feel our Nippers program flourished thanks to the passion and dedication of our team, who thought outside the box to create a safe and enjoyable environment for our kids.

I would like to extend my deepest gratitude to our Age Managers, who spent countless hours crafting plans for Sunday morning nippers, attending training sessions throughout the week to guide and enhance our nippers' abilities, and planning for our carnivals to ensure each child had the necessary resources and confidence to achieve their goals.

Our Water Safety management and IRB teams made sure that our nippers were safe and in capable hands, both in the water at our beach and during competitions at local beaches. The tremendous efforts put forth by our uniform, registration, and official teams did not go unnoticed and were immensely appreciated. Our amazing nippers' coaches helped our young athletes develop crucial skills, which would guide them throughout the season and cultivate long-lasting friendships and experiences at Umina.

To the parents who entrusted us with their children's safety and well-being, we are forever grateful. Your support and commitment enabled us to inspire and foster these young leaders' sportsmanship and resilience every Sunday morning. Every one of our nippers demonstrated true courage, determination, and teamwork that undoubtedly made us proud.

I would like to commend all our Nipper who competed at carnivals this season especially those who made the trip to State, this year Umina Juniors finished in one of our best positions in our club history. Finishing in the top 10, we had our best ever results in the All Age Board Relay finishing with a Silver Medal.

Another huge thankyou to Alli Hoyland for organising our Surf camp which again was a huge success and also to Steven James and Reuben Muldrock for organising and taking our Santa photos- both of these Annual events are enjoyed by both our nippers and families.

A special thank you to our Junior Club Captains, Lily James & Kai Atilla, for their exceptional leadership and engagement throughout the season. We welcome Leilani Carpenter and Max Bush as our Junior Club Captains for the 2023/24 season and look forward to working with them.

We sincerely believe that Umina Nippers have accomplished amazing things this season, both on and off the sand/water. As we prepare for the upcoming season, let us continue to embrace the spirit of Umina and stride forward with enthusiasm and pride- UP, UP UMINA!

Congratulations to our Umina SLSC competitors who have been selected to represent Surf Life Saving Central Coast at the Surf Life Saving New South Wales Interbranch Championships on the 3rd - 4th of December at Shelly Beach.

- Savannah Glynn - U12
- Samuel Wetti - U12
- Liliana Carpenter - U12
- Amber-Skye Stevenson - U13
- Marli Hoyland - U13
- Bronte Scahill - U14
- Anwar El-Kurdi - U15
- Elizabeth Rodham -U15

Congratulations to four more of our club members, who compete for Avoca SLSC, as they too, were also selected to represent our Branch.

- Ronnie Jordan - U15
- Lucy Marshall - U15
- Hannah Stevenson - U17
- Davara Marshall - U17

Our club is also represented on the Management Team, with Michael Magurren selected to take on one of the Water Coach roles.

Surf Camp 2023 what a success!

Can't thank all the amazing volunteers enough who took the day off work to be there for our kids to create a fabulous day. To my support crew & awesome helpers thank you. This day would not happen & be so successful without you all. Thank you also to all the sponsors of this fantastic day to allow us to give the kids the best goodie bag
There were so many smiling faces which is what it's all about- Alli Hoyland

Umina Surf club would love to thank Alli very much for all her efforts put into organising this amazing day for our nipper kids, they had a blast! -Mike (JAC)

Stephen Scahill | Viki Dickinson

This year marked the culmination of the Nippers journey for this wonderful group. It was very pleasing to see how many of our group saw their nippers experience through until the very end and what a group it has been.

Before we talk about the accomplishments of our nippers we would like to provide a huge thanks to the wonderful parents who have been an absolute pleasure to be involved with over the past 9 years. During that time the parents have been unwavering in their support for Viki and Steve and we are so grateful for them. It has made our jobs so easy and so much fun.

This nippers age group is made up of a fantastic bunch of kids. They are respectful. They are polite. They are good fun. They have embraced each other and supported each other through the journey.

A simple handshake at the end of nippers, taking the time to thank their Age Managers and water safety. Little things that sum up the quality of individuals in the group.

Well done to our Club Captains in Lily James and Kai Atilla. Both did a fantastic job as club leaders but also excelled in their own ways with Lily having the best year of her nippers career in competition and Kai excelling in assisting as an Age Manager.

It was great to see the strong contributions of our rookies as they commenced the next phase of surf life saving as serving on a patrol.

Congratulations to our Point Score winners:

Boys:

1. Lachlan Muldrock
2. Shaylan Bennett
3. Henry McGavin

Encouragement Award - Kai Armstrong

Girls:

1. Elka McGann
2. Lily James
3. Kelsey Page

Encouragement Award - Julia Hall

We wish all of the kids that have been in our age group over the past 9 years the very best both at and away from the beach. You have been a wonderful group of people to have been involved with.

Thanks so much.

Tim Leggett | Shane Hoyland

WOW what an awesome season we have had! We have been together as a team for 6yrs and our Under 13's have such a strong friendship and amazing team moral. We love our Sundays together! We are always full of laughter, fun, songs, dance & wrestling moves, support for each other and ENCOURAGEMENT!

We have a great team at all our local carnivals, which again lead to a huge success winning many medals and achieving PB's but always leaving smiles on many faces. We had some amazing results this year individually and as teams. These great results have come from the kid's dedication and training and willingness to give everything a go.

This year we had two be part of Central Coast interbranch team, though only 1 competed due to an injury. Congratulations goes to Amber & Marli.

We had a group of kids also compete in many other events including the Newcastle permanent series and carnivals in other branches. Some events provided testing conditions, we always stuck together as a club cheering each other on and showing amazing sportsmanship.

Travelling again to Queens cliff for State titles saw amazing results with many of the kids reaching personal bests and our U13's making the most semi-finals and finals ever. It was nice to have beautiful weather and surf conditions. Well done kids brilliant results. The girls swim team came away with the incredible GOLD! Amazing teamwork. Amber was incredible and achieved GOLD in the board and Iron person. Congratulations!

This year was our first opportunity to compete at an Australian level with some amazing results individually and as a team. Congratulations to all and Amber who collected 3 Aussie medals.

BRONZE in the 2km Ocean swim, SILVER in the board and BRONZE in the iron person. Amazing achievements

Keeping true to the real reason why we do nippers, our U13's have successfully completed their SRC, the first step to a bronze medallion. All have been participating in Surf Patrols. We are so proud of your commitment to keeping our beach safe and your first season as Rookie's.

Tim and I would like to thank all our amazing parents for the awesome support in the kid's nipper journey. We would also like to thank our amazing helpers, water safety, carnival officials, and all the volunteers that make it all happen, without you we would not be able to get the kids in the water each week or compete at carnivals. THANK YOU A MASSIVE thank you goes to Steve Murphy for all the coaching they offer our kids 3 times a week. The U13's has certainly seen the results.

Lastly CONGRATULATIONS to all our U13's you are all amazing Superstars, Tim and I are so proud of you all your efforts and personal bests. See you all soon!

Steve James | Leanne Hall

It was another fantastic season apart from the usual poor weather and horrible surf conditions. The group edges closer to becoming rookie lifesavers although we continue the trend of decreasing numbers as the kids get older and turn to other interests.

We continued to learn valuable surf skills and forge strong friendships with nippers across the Branch and State. The dedication to training paid off with exceptional results at all the Branch Carnivals and Branch Championships. In a repeat of the previous year, our dominance was probably best demonstrated in the Cameron Relay (swimmer, board paddler, two runners) at Branch Championships where our teams finished 1st, 2nd and 4th.

We finished the local carnivals with the following Branch Champions:

- Male swim team - Khai Reef, Levi, Sam
- Female swim team - Chloe, Liliana, Sav, Zoe
- Female Ironperson – Sav
- Mixed cameron - Liliana, Sam, Sav, Cooper Manser
- Female 1km beach run – Sav
- Male beach sprint - Cooper Manser
- Male sprint relay - Cooper Manser, Levi, Jaxson, Sam
- All age board relay - Sam

We had several competitors qualify at Branch Championships for events at State:

- Ironperson - Khai, Levi, Sam, Sav, Chloe, Liliana, Zoe (and Airlie first reserve)
- Board rescue - Sam/Khai, Levi/Cooper, Sav/Chloe
- All age board relay - Sam

The effort of some individuals during the season was also rewarded with selection in the Inter-Branch team: Liliana Carpenter and Sam Wetti (surf), and Savannah Glynn (beach).

State medals eluded us for another season although the girls swim team (Chloe, Sav, Liliana and Zoe) finished 4th; Sav finished 4th in the 1km beach run and 4th in the board final; and Sam finished 8th in the board final and was part of the All age board relay team that came in 2nd.

Congratulations to the Age Champions:

1st - Savannah Glynn; 2nd - Chloe Hall; 3rd - Liliana Carpenter

1st - Khai Thomas; 2nd - Sam Wetti; 3rd - Cooper Muldrock

Encouragement awards - Airlie Armstrong and Levi Sinclair

Massive thanks to Steve Murphy for training the kids 3 days a week with special help from many others, particularly the core group of water safety – Craig, Carpo, Reuben, Perry and Simon who provide much needed encouragement from the water.

Thank you to the dedicated parents that help in any capacity at Nippers and across the club. A special shout out to those that get in the cold water to keep our kids safe and encourage and support them. Thanks to the parents that volunteer to officiate at carnivals (especially Nigel), missing out on seeing their own children compete time and time again.

Next season our group can start in the Rookie program, patrolling the beach, learning important life skills and giving back to the community. We hope to see a few familiar faces return to the beach as they start their Rookie journey.

Layne Martin | Christine Kaye

The success the under 11s gained this year is to be commended. The change in their commitment and dedication to Surf lifesaving skills was on point. We focused on lifesaving skills and water skills and most of all had fun. Training (optional attendance) was held 3 afternoons a week with a focus on refining newly learnt skills on fibre glass boards, along with iron person training as a new event for the under 11s this year.

New recruits who were trying Nippers for the very first time joined our team this year, and in no time they felt confident in attempting to swim and go out on the boards as their surf awareness and skills greatly improved. A huge thanks to our water safety team that commit and provide support to our nippers each week to make this happen. It was awesome to see our kids out on the water as they transitioned onto fibreglass boards giving it their all. The outstanding results our nippers achieved at carnivals proudly representing our club speak to this.

The efforts and results at the Branch Carnival were amazing with points and medals awarded for the club. These fantastic results then awarded our nippers to qualify in Iron person and Board Rescue at a State level.

Branch Carnival – medals

Gold – Sadie, Avalon (Board rescue)

Gold – Avalon (Iron person)

Gold – Niamh, Isabelle (R&R)

Silver – Sadie (Surf race)

Silver – Avalon (Board race)

Silver – Sadie, Avalon, Phoebe (Board relay)

Silver – Sadie, Avalon, Maya & Eve (Beach relay)

Silver – Avalon (1km beach run)

Silver – Sadie, Avalon, Phoebe & Isabelle (Surf team)

Bronze – Sadie (Iron person)

Bronze - Charlie (Iron person)

Bronze - Cameron Relay (Charlie, Lachlan, Sadie and Avalon)

We had a small team represent the under 11s at NSW State championships this season, Charlie, Lachlan, Sadie, Avalon, Niamh and Isabelle. Our under 11s won their first ever State medals which is a huge achievement. Niamh and Isabelle were successful in winning a silver medal in Rescue and Resuscitation. We had Sadie and Avalon receive a bronze in Board rescue. They also received a 2nd bronze medal in Board relay and a special thanks to Lexi Bush for making this happen. All our competitors made pleasing personal bests so a huge congratulations to them.

Cheers to a fantastic season!

Scott Micallef | Julia Stevenson

What a season! What A team!

We returned with strong numbers, our u10 boys and girls jumping straight into an action-packed season, adding a few new names to our Sunday nippers.

We hit the ground running, proficiencies coming in fast each week until all nippers had completed their swim around the cans.

This is generally the age where the game changes and it becomes more competitive, which was felt by the young athletes. Despite this, the team spirit has always been high with this group, and they proved nothing less when kids not competing became the competitors' biggest fans.

From Sundays on the beach at nippers to the central coast carnivals to the state finals, there were always the mighty U10's supporting each other.

I am glad to say, over the season, the children seemed to have found their spot in our team.

Special mention to the u10 nippers who competed in March Past and R and R. An important part of our club culture.

We had some amazing results from the girls this season. Local carnivals were dominated by Lexie, Ella, Grace and Evie. Hard work and training paid off when the girls received top results at Branch in both beach and water events, ending the season on a high for Lexie, Ella and Evie gaining a bronze in the Board relay at State champs.

The season highlight would have to be our amazing boys swim team. Always giving their best and never deterred by setbacks, Matias, Jack, Diesel and Nate proved their worth this season, gaining a central coast carnival medal for their swim team. To top this, they walked away with a silver medal at Branch! Awesome work by the boys!

The Sunday group of mighty U10's has evolved to include children who love heading to the beach for Sunday nippers each week, to newbies trying a carnival, to our regular competitors growing better and stronger.

This is not all achievable without the ongoing support of our Team Age Managers. We have always tried to stand by each u10 child with passion and love.

Big thanks to Mike, our JAC, who provided ongoing support to us as age managers as well as the kids, the respective directors and of course the club for these children to have the space to develop their skill and love for Surf sports and Surf lifesaving.

Extra big thanks to Coach Murph. He coached these kids with pride through the season. His dedication and commitment shown to these children is to be commended. These children could do what they did, because Murph believed in them.

As sport goes, there are highs and lows, but our hope is that our children look fondly on their U10 journey. That they remember the friends they have made, the personal growth they have achieved, and a love for the sport and a surf lifesaving community.

Each child holds a special place in the U10 age group. May they come back in the 23/24 season as our dedicated and committed u11's, high in spirit, continuing to build friendships and memories, proud of their achievements and striving to improve their own personal bests.

Age Champs Boys:

Matias/Nate-1st

Diesel-2nd

Encouragement- Jack

Girls:

Evie-1st

Lexi-2nd

Ella-3rd

Encouragement- Grace

Steve Hopley | Abbey Cameron | Elena Grey

This was a fantastic year for the Under 9s with our teams dominant on the beach and in the water at carnivals. From the onset at Forster, to Terrigal, Umina, Avoca and then State Titles at Manly our competitors were fantastic. Every carnival we won a host of medals and then at the State Titles our girls won silver in the board relay and Lylah Glynn took out silver in the individual board. The boys were an unlucky fourth in the final. Every final race had Umina Caps present.

Whilst competition is the pinnacle of nipper training it was great to see the growth and development of our mighty under 9s on a weekly level. We had strong numbers every week and they were really developing as swimmers, board paddlers, beach sprinters and relay runners. The participation in the swim grew with their confidence and by the season's end our kids were really developing as ocean swimmers. With the work of Murph and assistance from Jodie our kids were working on their water skills mid-week on Tuesdays and Fridays. Iron person training on a Monday was well attended. Our point score day was hotly contested and next year will be interesting.

Many were also helped by Tom, Bill, and Wendy at the pool through the endurance swimming program which ran all year. It was great to see how many of our team went through to zone in their own swimming carnivals as a result of all of the training.

No season could be as successful as it was without the work of JAC Mike Jordan, the work of Jan Harding and our water safety volunteers. Special thanks to Abbey Cameron, Elena Grey and Matilda Lawrence and Bernadette Hopley for their magnificent work each week.

Thanks for your patience as I learned with you. This was my first season of full carnivals and I still have a lot to learn particularly around team events and carnival structures.

Julia Atilla I Sian Cox

Throughout the season, our Sunday training sessions saw the U8s stepping up and learning and practicing new surf safety skills such as rip identification, beach safety, dolphin diving, swimming, and board paddling. We also started to hone some of our sand skills with relays and flags.

We had a diverse range of abilities within the group and had to think on our feet and mix things up to make sure that we delivered Sunday sessions that were inclusive for every child. We couldn't have done this without the help of water safety (who are all volunteers) and those of you who stepped in and helped us with setting up obstacle courses, starts and finishes and generally helping us to herd cats!

From a competition side, the U8s got to participate for the first time in local and regional competitions, including the Central Coast Branch Championships. They showed a lot of enthusiasm, worked together well as a team, and even placed in several competitions. Most importantly, we saw great sportsmanship from each and every one of them, they are great ambassadors for our club!

A big shout out to the kids who put in the time and effort to attend beach training on a Monday evening, and swim endurance on a Thursday- it's been great to see your efforts pay off and hear of a number of our group make it through to Zone in School Swimming Carnivals.

Overall, we're so impressed with everything that the U8 age group accomplished this season. They're a great bunch of kids, and we can't wait to see what they'll do next!

Luke Ingold

What a fantastic year! I thoroughly enjoyed watching this group of nippers grow in confidence week by week.

We were blessed with some fantastic weather throughout the year, allowing the group to build momentum and grow the confidence to take on the waves.

The smiles on their faces were priceless as they caught waves with their new friends, laughed and developed new skills along their nipper's journey.

We progressed from the nippers happy with one turn, but at end of the year if they didn't get 5 or more turns, I had some explaining to do.

Massive thank you to every parent, grandparent/Guardian that put up their hands to jump in the water (Especially in the early months when it's still a little chilly) This made running the group sessions run smoothly and allowing the kids to have maximum fun! Without your help these sessions couldn't have happened, so I thank you on behalf of myself and the U7 Nippers.

Thank you to everyone for supporting me throughout the year. My first year in the role was a big undertaking but the club's support and the support of the parents made this such a rewarding experience. Can't wait to see everyone next season. See you all for the 23/24 Season!!!

Rob McLeod

It was my pleasure to once again age manage the Under 6 age group for the 2022/23 season. We had a fantastic group of enthusiastic kids show up each week willing to get involved in all the activities. The Under 6s took part in activities including wades, dolphin dives, body surfing, boards, flags, sprints and beach games. It was fantastic to see the kids development throughout the season. The confidence the kids showed in the water was outstanding and the development of their skills was some of the best I have seen from a group of this age.

To all the parents, grand parents and carers a massive thank you for helping out this year. Without your help we would not get through half the activities we do each Sunday. A special mention to our water helpers, the confidence you give the kids is integral to their growth and development.

I would also like to thank Michael Jordon for his leadership as JAC and a big thank you to the board of directors for all your time and effort throughout the season.

Finally a massive congratulations and thank you to the mighty under 6 nippers. Your attitude to trying new things and stepping out of your comfort zone is inspirational. Thank you for sharing your stories, tears, hugs and laughter with me each Sunday morning, I loved every minute of it. I hope you enjoy your winter sports and look forward to seeing you at the beach next season.

Cheers
Captain Rob

Thank you to our Junior club Captains Lily James and Kai Atilla for representing our club for the season 2022/23, it has been a tough one, but you have made your club proud.

Being selected for Junior club captain is a pretty big deal and this year we had some great candidates progress through the interview process.

Congratulations and a huge welcome to our new representatives for the Season 2023/24, Leilani Carpenter and Max Bush who have already started their season helping at our Senior Presentation night.

Surf Lifesaving Central Coast - Awards of Excellence were held at Mingara on the 3rd June 2023, it was another great awards night with Umina taking home a number of awards- A huge thankyou to all of our volunteers for another amazing season.

Central Coast Club of the Year	Umina
Patrol Competition	1st Umina
Overall Competition Point score	1st Umina
Youth Volunteer of the Year	Bronte Smith
Rookie of the Year	Lily James

Rick Boylan

Another year as master's Coordinator and what a year it was.

We started with the Coolie gold team up in Coolangatta. It was an awesome day with a bit of wind to deal with on each leg of the home stretch.

It was also a real pleasure competing with these guys, especially my son Andrew. This one was dedicated to Alastair "Slim" Pebbles who sadly passed away.

We held the Senior, Boats and Master's carnival at our Beach. What a massive weekend this was and I'm really proud to be part of this awesome group of people. We did what we always do and put on an amazing carnival over the 2 days. To top it off the Master's came away with the Branch Championship, its took a few years to get this one.

Next up was the State titles on the Northern Beaches. We had a small crew travel to this one this year, something to work on next season, I think. We had some Individual and team medals, and the Boaties got their State medal to top of a great season.

Finally of we went to Scarborough beach in WA for Aussies. A big logistical project for all involved and it all worked like clockwork.

Again, some great individual and team results, Special mention to the ladies 200 yrs Beach relay team getting there well-deserved gold medal, this has taken years of training. Hard work always pays in the end, Also Kerry Armstrong -Smith bringing home Gold in the 50+ Champion Lifesaver event once again, we had a silver for Jason Tucker in the 2 Km run.

Thanks again to everyone that has helped out this awesome group of lifesavers. Next year is going to be massive, Branch, State, Aussie, Worlds and Coolangatta, bring it on

Jan Harding

Just a little update on the Umina Silver Salties.

We finally got started last October (Covid) and we are still going every Thursday morning.

We have approx. 10 -12 people every week, for The Walk and Talk programme. For those that want to walk, we head off, some of us walk further than others. For those that cannot walk, they stay for a chat. We have a morning Cuppa and something to eat.

We have had a couple of guest speakers including a Local Podiatrist, Dwight, who is planning to come again with an exercise physiologist.

Liesl Tesch came a couple weeks ago and told her amazing life story so far, including her para-Olympic achievements.

As this is being written, prior to June we have Cleanaway coming on the 1st June to talk about re-cycling and we are having a Cancer council Morning Tea on the 15th and 22nd June.

I am in the process of organising some more guest speakers and will report this to the general meetings.

If anyone knows of anyone that would like to join, we do so on Thursday mornings 9.30 am to 11.30am, at the Surf Club in The John Sharpe Room, they are most welcome to contact me for further information.

I would also like to thank Phil, who makes the cuppas each week.

Bronte Smith

The 2022/23 season saw the start of Umina's Stingers Social Club. This program aimed to provide our youth members with the opportunity to make new connections and experiences.

We kick started off the season with our first social games night and a Top Gun movie night, which was then closely followed by our first patrolling trip away to Bondi Beach. On the way down we were fortunate enough to have a guided tour of the NSW Surfcom Headquarters by our very own Kai Darwin. Upon our stay at Bondi, all thirty of our youth members were involved in patrolling the most popular beach in Australia and some were even required to conduct a mass rescue.

As the season progressed, we saw our numbers grow and new friendships being formed. This led to our second patrolling trip away to Crowdy Head Beach. Here, our Stingers members visited the local Marine Rescue headquarters, assisted in patrolling at a small club and made some new friends from a different branch.

Towards the end of the season, we were fortunate enough to have our friends from Crowdy Head surf club come and stay with us. Over the weekend the Umina and Crowdy Head youth helped on patrol, assisted at nippers and had lots of fun on the IRB and jet ski.

Finally, to finish of the Stingers season we had a bingo/trivia night. A big thanks goes out to all those who helped make these amazing events possible, in particular Mollie Murphy and Rebecca Simonet for their ongoing organisation, assistance and support.

Steve James

The Duke of Edinburgh Award is a leadership and youth development program, empowering young Australians aged 14-24 to explore their full potential and find their purpose, passion and place in the world.

We are fortunate that Umina SLSC provides countless opportunities for you to complete each award level.

Our Umina Youth members participated in a number of treks for the Bronze, Silver & Gold. These treks varied from day trips to 3 night trips covering 55klm adventure journey. Its always a highlight to spend a few days accomplishing a challenging trek with your surf club mates.

Duke of Ed is just one part of the youth development program at Umina SLSC.

Shelley Smith

Another successful year for the Champion Lifesavers at Umina SLSC!!

During the 2022/23 season, Umina had members compete in Champion Lifesaver at Branch, State and Australian Championships and club points were achieved by every single competitor across all three levels of competition.

Champion Lifesaver is a point accumulation event and consists of:

- 40 question multiple choice theory questionnaire
- Resuscitation simulation on a live patient
- Resuscitation on a manikin
- Surf swim race
- Board race
- Tube race
- Beach sprint

We began the season with a workshop and invited competitors, education trainers and officials to come together and take part in resuscitation training and the understanding of the marking guideline. We had new and returning members from Umina, Ocean Beach and Avoca attend. It was a great start to the competition and all members came away with a greater understanding. The one obvious teaching point was that many members had gained their SRC/Bronze during COVID and had never learnt how to create a seal over the mouth and nose and breath into the manikin to show a visible rise and fall of the chest. This certainly was a challenge for some and a giggle for others!!

Members continued their swim and board training opportunities and incorporated many tube starts into these sessions too. Friday Love Squad even had a couple of tube sessions where everyone got involved!!

Surf Life Saving Central Coast Branch Championships

At the 2023 SLSCC Branch Championships, Umina SLSC had 12 competitors represent in Champion Lifesaver with members in age groups from U14s through to 50+. All finished either 1st or 2nd in their age group. To top it off, Umina SLSC won the overall Branch Lifesaving Events point score. This point score is calculated across the three lifesaving surf sports events of Champion Lifesaver, Champion Patrol and First Aid. It is a credit to the number of members we had compete in just the Champion Lifesaver event that allowed us to take out the overall point score.

- U14 Female Champion Lifesaver 1st – Lily James
- U14 Male Champion Lifesaver 2nd – Kai Armstrong
- U15 Female Champion Lifesaver 1st – Matilda Lawrence
- U17 Male Champion Lifesaver 1st – Archie Rayner
- 30-39 Female Champion Lifesaver 1st – Rosy Pragono
- 30-39 Male Champion Lifesaver 1st – Luke Ingold
- 30-39 Male Champion Lifesaver 2nd – Justyn Simonet
- 40-49 Female Champion Lifesaver 1st – Christine Bishop
- 40-49 Female Champion Lifesaver 2nd – Shelley Smith
- 40-49 Male Champion Lifesaver 2nd – Damon Somerfield
- 50 & over Female Champion Lifesaver 1st – Kerry Armstrong-Smith
- 50 & over Male Champion Lifesaver 1st – Rick Boylan

Surf Life Saving New South Wales State Championships

We had seven competitors head to Freshwater SLSC and compete in Champion Lifesaver. For some it was their first time competing at State and they were excited and nervous, for others, they were calculating how they were competing throughout the day as the top two in each age group qualify to compete at The Aussies.

- Overall, Umina finished equal 6th in the Lifesaving Events point score on 24 points.
- U14 Female Champion Lifesaver 5th – Lily James (on a countback from 4th)
- U14 Male Champion Lifesaver 4th – Kai Armstrong
- U15 Female Champion Lifesaver 3rd - Matilda Lawrence
- U17 Male Champion Lifesaver 5th – Archie Rayner
- 40-49 Male Champion Lifesaver 2nd – Damon Somerfield
- 50 & over Female Champion Lifesaver 1st – Kerry Armstrong-Smith
- 50 & over Male Champion Lifesaver 5th – Rick Boylan

During the presentation, the results are announced in reverse and as each Umina competitor made the top 6 and therefore gained club points, the pure joy and elation was celebrated.

Surf Life Saving Australia – The Aussies

Kerry & Rick represented Umina SLSC in Champion Lifesaver at The Aussies and both came away with club points!!

- 50 & over Female Champion Lifesaver 1st – Kerry Armstrong-Smith
- 50 & over Male Champion Lifesaver 6th – Rick Boylan

Umina SLSC Annual Awards

- Lifesaving Competitor Kerry Armstrong-Smith
- Lifesaver Encouragement Award Matilda Lawrence

All Umina lifesaving competitors would like to thank the officials, patients, judges, carnival workforce, water safety, competition officer, coaches, trainers, and board members for volunteering and supporting their participation in these events.

It'd be great to see more members increase their skillset and participate in Champion Lifesaver, Champion Patrol, and/or First Aid competitions next season.

John Young

In the 2022/23 season Umina SLSC was represented by one surf boat crew, the 180yrs male crew – Leppers consisting of Adrian Stimson, Stuart Graf, Brook Beaver, Jason Tucker and Sweep John Young–Collectively they trained together improving surf skills, fitness, and technique.

The Leppers took part in the NSW State Championships bringing home a bronze medal for Umina–well done crew! We were honoured to represent the club at the Anzac Day dawn service.

A big thank you goes to Jan Harding for completing the entries and thank you to all those completing the behind-the-scenes jobs.

Steve Murphy

Season 22/23 has been a good one for the board department with our generous sponsors allowing us to ensure that all our kids have the opportunity to participate in weekend nippers on quality surf craft every week. This is only possible through our club maintaining the craft we have and investing in new boards. The diligence of all our members caring for the boards and identifying any issues that require attention is also a key to maintaining our stock. We were able to sell some of our older boards during the season which freed up some much needed space in the club. Our racing mals are also looking good with plenty of quality boards for our new seniors and Masters coming on to mals this season.

A big thank you must go to Rob from Palm Beach Fibreglass for his timely and quality repairs, he is always available to repair our boards when needed.

Thank you and see you in the water.

Deb Scahill

The Umina Rookies of the 2022/2023 have had a great season I am proud to have been able to represent events with them throughout the season.

Our Rookies as youth members have developed and gained skills in the areas of lifesaving, leadership as well as friendships with Umina Rookies and Rookies across our Central Coast Branch.

Rookie events are always a huge highlight for our Rookies we had the Rookie Challenge held at Ocean Beach, Rookie Disco at North Avoca and the Annual Rookie Camp at Point Wolstoncroft which was back to a sleep over.

As well as Patrolling our Rookies have been valuable members contributing and volunteering around our surfclub throughout the season with fundraising, water safety, registration day and helping younger nippers.

Thank you to our Patrol Captains, Patrolling Members, Patrol Buddies, Club Executives, JAC, Director of Lifesaving, Age managers and members of our club who help guide and mentor our Rookies and continually support them in developing their skills. Thanks to our Education team for helping our Rookies obtain their SRC.

Finally, thank you to our parents and families for all that you have contributed to the season with car pooling, water safety, officiating and support at Rookie Events.

Congratulations to all our Rookies for a fantastic season!

Steve Murphy

What a season 2022/23 has been for Umina nippers! Amazing results in the water and on boards. None of which could have been achieved without the support of the whole club. The water safety that ensure all your children are safe and supported no matter what the conditions, JAC Mike Jordan, the coaches especially Layne Martin, Jodie Thomas, Bronte Smith, Kerry Armstrong, and Shane Hoyland. The guidance they give the kids and the help they give me cannot be understated.

The club sponsors, especially United/Pie Face, through their generosity allow the kids to compete and train on top class equipment. The water program for the under 9's is supported by Tom Magurren, Matilda Lawrence and the crew at the PLC ensuring they are surf ready at the beginning of the season. All of these elements allow us to provide what I believe is a quality inclusive training programme to your children.

Numbers at training continue to grow so I must thank the parents/carers who bring the kids to the beach several times a week after they have finished a full day of work. The children this year trained in tough conditions and improved their wave negotiating/catching skills as Huey delivered Umina the waves that we "never" get. The smiles on faces as they come down a wave, they thought they could not catch is priceless and what keeps us all coming back each week.

At the end of every season I am super impressed with how the kids have gone and the overall improvement is a real pleasure to see. They continue to improve and the results just keep on getting better. Medals are not the only measure of achievement with many children exceeding their expectations and participating in team events which also helps the children grow in confidence.

This season the kids excelled in the local carnivals but also the extra events that they participated in, including Newcastle Permanent Iron person, Kracka Challenge, Nipper Nats and Wanda Carnival. Umina came away with wins and places across multiple age groups and many top 10 finishes.

For some just competing and completing was a win and having fun with their friends. This year Umina did exceptionally well at Branch Championships with once again multiple branch champions and branch champion teams in almost every age group.

This led us into the State Championships once again held at Queenscliffe beach and though the weather after day one was a massive improvement on last year, the conditions again proved tricky with several days having challenging surf and winds.

The Umina team did not bat an eye and took on everything that was thrown at them over the 4 days of the carnival.

Our team achieved the best results in a state carnival for a long time if not ever with points and medals across the whole team. We had several heart-breaking 4ths and jubilant finals and so many happy faces at making a semifinal or holding the "BOMB" all the way to the finish.

Our medallist came from multiple age groups and multiple disciplines and as an indication of the strength of the overall club for the first time ever we got silver in the All Age Board Relay, an event we also won at every branch carnival, another first.

The medallist were:

Under13

Gold

- *Amber Stephenson- Board, Iron person, Swim team
- * Leilani Carpenter- Swim team
- *Marli Hoyland- Swim team
- *India Darwin- Swim team

Under 11

Bronze

- * Sadie Martin- Board Rescue, Board relay
- *Avalon Thomas- Board Rescue, Board relay
- *Lexie Bush- Board Relay

Under 10

Bronze

- *Lexie Bush- Board Relay
- *Ella Stephenson-Board relay
- *Evie Lagan-Board Relay

Under 9

Silver

- *Lylah Glynn- Board, Board Relay
- *Tayana Muldrock- Board Relay
- * Lakey Thomas- Board Relay

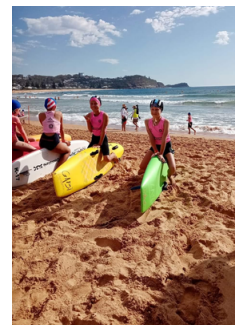

All Age Board Relay

Silver-

- Nick Hopley
- Lexie Bush
- Avalon Thomas
- Sam Wetti
- Amber Stephenson
- Lachie Muldrock

I am super proud of all the effort put in throughout the year as I'm sure is the overall club membership. Thank you to all the Age Managers, Nippers and everyone for their support, especially my family who allow me to spend so much time away from them.

See you all on the beach

Vale – Brian Lougher 1942 – 2023

Brian was a member of Surf Lifesaving since 1958 at North Beach SLSC. He then joined Terrigal SLSC in 1967, where he began his career as the Central Coast Branch announcer in the same year. During those early days he had held many varied positions within the Branch such as Branch Secretary, Publicity Officer, Deputy Superintendent, Deputy President of the Jnr Branch and Assistant Secretary.

In 1975 he transferred his membership to Umina SLSC and was still a current member until his passing on 25th May 2023, a total of 48 years membership.

In 1981 Brian was inducted as a Life Member of SLSCC Junior Branch.

Brian was a well-known Official and carnival announcer for Central Coast Junior, Senior and Master's Carnivals as well as State competition events. Of late due to ill health, he had taken a short break but resumed his participation just recently.

He will be fondly remembered for his dedication to surf lifesaving and as the Official who wore the little “white stubbies and terry towelling hat” he loved engaging in a good a yarn between race calls.

His wife Anne was also involved in Surf Life Saving as a First Aid Officer had passed away a few years ago but they are both survived by their two sons Peter and Rob Lougher

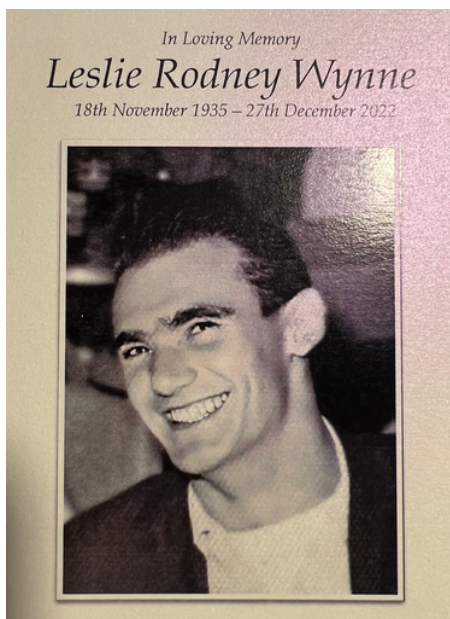

Vale- Rose Murphy

Wife of life member Jim Murphy (DEC) and the mother of another Life member Eric Murphy.

Rose was involved with the ladies Auxiliary from the early days when the club was just establishing itself.

She helped with many fundraising and social activities over the years selling raffle tickets at the local caravan park and bowling clubs.

Although never gaining a lifesaving award she was at the beach every weekend supporting the nippers at home beach or at carnivals.

Vale- Les Wynne

Les Wynn was one of six young members who decided to try and form their own surf club at the southern end of the beach.

1960 saw the official inauguration of Umina S.L.S.C and the club became affiliated with the Central Coast Branch. The Central Coast branch donated patrol flags, caps and a reel.

“Our thirteenth club was formed and affiliated, this being Umina, operating at the southern end of Ocean Beach.

Foundation members were Max Tearne (industrial chemist), John Breakwell (school teacher), Les Wynne (engineer), Grahame Stockley (salesman), Jim Butt (builder) and Tony Collins (navy). Jack Hogan was the foundation President and Dick Whitehorn was the Patron.

Vale- Slim Peebles

Alistair “Slim” Peebles began his journey in Surf Life Saving in the 1974-75 season.

After obtaining his Bronze Medallion, Slim spent the next 18 summers as an active patrolling member and also contributed heavily behind the scenes for his Avoca club.

A well know identity within the Umina and Ocean Beach Surf clubs as a volunteer. Over the years Slim has also been a familiar presence at the State Championships driving the courtesy bus at Ocean Beach-Umina.

Vale- Robert Cable

Robert Cable more commonly known as "Bob" was a long time member of Umina SLSC but due to ill health in later years had to take a step down. Bob was a Bar Manager for Umina SLSC and had a fantastic collaboration with the Team of Bob Langford & Danny Cunningham.

The 3 of these gentlemen were so popular with the surf club that they were awarded the Stirrer's paddle in 1997/98.

Although Bob was never a patrolling member he gave many hours of voluntary service to the club. He leaves behind his beautiful wife Paula and his adult children Wes and Kate. Wes and Kate were active members of the surf club from nippers to seniors and are well known amongst the community.
